

The Wife I Picked Up Is Too Chapter Chapter 1159

God Fu's voice sounded. "My mother has been dead for many years. My father is still alive, but if I look for him, you might die. However, you're not worthy of going to my house, Auntie Long."

Then, God Fu took off his mask and revealed an exquisite child-like face that has baby fat. When they saw his face, the guests couldn't help but gasp. Long Jiuyuan's eyes widened. Seeing everyone's expression, Mr. Qing Er and Xia Qianxue were confused. They didn't know what these people had taken wrongly.

Di Minghao raised his head and put on a cold and arrogant expression. "Auntie Long, what did you say just now? What did you want my entire family to do? Huh?"

Long Jiuyuan gasped and hurriedly waved her hand. "No, no. I..."

Di Minghao ordered, "Come over and massage my shoulders."

Long Jiuyuan's entire body trembled, but how could she not understand Di Minghao's hint? Moreover, as a member of the Long family, she could not pretend not to understand. After struggling violently in her heart, Long Jiuyuan still walked up to God Fu and knelt on the ground in public to maintain the same height as him. However, Di Minghao took out a very exquisite small gun from his stuffed toy. The grip of the gun was leopard-patterned. Di Minghao held the gun and pressed it against Long Jiuyuan's forehead. "Auntie Long, I have a question to confirm. Do you think there's anything wrong that I don't take the seven families of the Seven Stars Continent seriously?"

Long Jiuyuan : “...”

Di Minghao continued, “Are the people from the seven families dissatisfied with a brat like me?”

Cold sweat broke out on the tip of Long Jiuyuan’s nose. “No, no. We don’t dare...”

Di Minghao’s clear eyes narrowed. “Then why aren’t you kowtowing to me?”

The corners of Long Jiuyuan’s beautiful eyes twitched. She was definitely not afraid of this immature child in front of her, but she was afraid of the faction behind him and that crazy man. The seven families of the Seven Stars Continent did not dare to fight that crazy man because back then, it was that man who had unified the Seven Stars Continent with almost crazy and inhumane methods and ruthlessly stepped on their seven families. Long Jiuyuan would definitely not bring disaster to the Long family because she had offended this brat in front of her.

Long Jiuyuan placed her hands on the ground and kowtowed heavily to Di Minghao. She said with a trembling voice, “Seventh-Young Master, I was blind to not recognize you. Please don’t lower yourself to the level of us servants. If we had known that the two of them were your servants, we wouldn’t have dared to attack them even if we had a hundred guts.”

Di Minghao said, “Kowtow and apologize to the two of them!”

Long Jiuyuan : “!!!”

Di Minghao’s gaze swept across everyone present. His childish voice was filled with coldness as he said, “You wanted to attack my people just now. Go and kowtow and apologize to them now. Otherwise...”

Upon hearing this, all the guests swallowed and a bitter feeling attacked their hearts. Why was the seventh young master of Di Palace here? Everyone couldn’t help but shiver when Di Minghao’s little demon-like gaze swept across them. Many people even subconsciously lowered their heads, not daring to look into Di Minghao’s eyes.

Mr. Qing Er and Xia Qianxue’s eyes widened. Seeing the shocking change in the attitude of the surrounding people towards their God of Wealth, the two of them were also in disbelief. They looked at God Fu with something else in their eyes. It turned out that this little fellow’s identity was so special that she could actually scare these people to this extent. Their Little God Fu was amazing!

Seeing everyone kneeling and kowtowing, as well as Long Jiuyuan, who had become a deflated eggplant, Mr. Qing Er and Xia Qianxue were elated. They, the people of the Seven Stars Continent, were arrogant to begin with. They didn’t expect that they would all kowtow and apologize to them. Who would dare to believe this?

Di Minghao said, “Do you still suspect their identities?”

Everyone hurriedly waved their hands. “No, we don’t doubt it. Since they’re Seventh Young Master’s people, there won’t be any problems with their identities.”

Di Minghao took out his phone from the plush toy and said, “If you still don’t believe me or feel indignant, I’ll call my father immediately and let him explain it to you personally?”

Upon hearing this, everyone, who had just stood up, immediately knelt back down. Everyone begged, “Seventh Young Master, we were wrong. Please don’t lower yourself to our level. It was all a misunderstanding just now. The Prime Minister is busy every day. There’s no need to alarm him for such a small matter.”
