

The Wife I Picked Up Is Too Chapter Chapter 1160

Di Minghao's words could make everyone, including Long Jiuyuan, feel their scalps tingle and their backs turn cold. Long Jiuyuan said to Mr. Qing Er and Xia Qianxue, "Since the two of you are Seventh Young Master's men, your status is naturally higher than ours. Please forgive us for offending you just now."

With that, Long Jiuyuan changed the topic and said, "But it's also a fact that Feng Qing shot the head of the Xing family just now. According to the laws of the Seven Stars Continent, this is a serious crime of losing your head. As a member of the seven families of the Seven Stars Continent, I have to arrest Feng Qing today and bring her to the Seven Stars Continent to be judged, so please move aside. We have no intention of becoming enemies with you, but we have to arrest that woman!"

However, before Mr. Qing Er could speak, Di Minghao's childish voice sounded. "I officially inform you that Feng Qing is mine from now on. None of you are allowed to touch a single strand of her hair. Otherwise, I'll make you suffer."

Someone immediately shouted, "Seventh Young Master, how can you protect the culprit who hurt the seven families?"

Di Minghao said, "Because I think Feng Qing looks very handsome when she shoots!"

Long Jiuyuan and the rest : "..."

Seeing that everyone was puzzled, Di Minghao said, "Don't you think so? Feng Qing is beautiful and valiant. She's too handsome."

Everyone: "!!!"

Although Di Minghao's words were a little controversial, from a certain perspective, Feng Qing was indeed beautiful and valiant. Her pure and pleasant appearance was in stark contrast to her decisive appearance. Moreover, not only could she kill people, but she could also save people. Not to mention Di Minghao, even many outlaws felt that this woman was super cool.

Long Jiuyuan's expression was extremely ugly. She raised her voice and said, "Seventh Young Master, Feng Qing killed the head of the Xing family. This has already violated the bottom line of the Seven Stars Continent and is also a violation of the laws of the Seven Stars Continent. Even if you're the Seventh Young Master, you can't protect her."

However, Di Minghao walked to the door and blocked it with his petite and tender body. "Well said. So what if I'm protecting her? Come on, bite me. Kill me if you have the ability!"

Long Jiuyuan : "..."

Her chest rose and fell violently, and her heart was filled with anger. She didn't take Di Minghao seriously from the bottom of her heart. After all, the other party was just a child, but she had no choice but to take him seriously because his name was Di Minghao. If she were to be disrespectful to Di Minghao at all, the price wouldn't be something the Long family could bear.

Long Jiuyuan could only forcefully hold back the unhappiness in her heart. Even her lips had turned white from her bite. Although she couldn't do anything to Di Minghao, she wouldn't let this matter go just like that. At least, they were still on the open sea now. As long as they hadn't reached the shore, they still had a chance to secretly attack Feng Qing.

Long Jiuyuan revealed a fake smile and said, "Seventh Young Master, I hope you can always protect Feng Qing. If she's accidentally alone one day, no one can guarantee that she won't live completely unharmed."

With that, she took a step back and bowed to Di Minghao. Then, she left with her subordinates with her broken arm.

...

Long Jiuyuan brought her people back to the banquet hall and saw a man standing in the banquet hall. The man was tall and straight, and he was wearing a smiley mask. At this moment, the banquet hall had yet to be cleaned. Blood and various glass shards were everywhere. When the man walked down the stairs just now and listened to the rustling of clothes and delicate panting in the earpiece, Di Qianmo wished he could crush the earpiece.

Di Qianmo ignored Long Jiuyuan when she was looking at him. Long Jiuyuan recognized him and said, "Ziwei Star, Feng Qing just shot Xing Wudi here and almost killed him. Although Feng Qing saved him later, Feng Qing has already violated the laws of the Seven Stars Continent. Please order her to be brought to the Seven Stars Continent."

Di Qianmo turned to look at his subordinates and said, "Bring the two people in that room to see me!"

The corners of Long Jiuyuan's mouth curled up smugly. So what if she had Di Minghao's protection? On the open sea, Ziwei Star was the one with the right to speak. Very quickly, a group of bodyguards brought Di Minghao out. The bodyguard brought Di Minghao to Ziwei Star and said, "Fourth Young Master..."

Di Minghao, who was being controlled by the bodyguards, struggled with all his might. "Let go of me quickly, or else I'll teach you a lesson!"

Before he could finish his sentence, Di Minghao took out the gun and aimed it at the bodyguard's chest. Before he could pull the trigger, Ziwei Star pulled out the gun and the plush toy in God Fu's arms.
