

## The Wife I Picked Up Is Too Chapter Chapter 163

Chapter 163: Mourned for Xie Shihao for Three Seconds

Gu Qingye looked disgusted. "Aren't you cheap? You just lost to him and now you're adding him as a friend?"

Xie Shihao raised his head and said arrogantly, "What do you know? This is called being unable to beat him. Then join him and let the big shot bring me along to show off."

Gu Qingye shook his head and was speechless for Xie Shihao. He left with the teapot.

...

Tang City, International Hot Spring Hotel.

Ji Yunchen held a document and placed it respectfully on Xie Jiuhan's table. "Ninth Master, this is the information that the app officials sent over just now. The information about the ID 'Kneel and Call Me Daddy' is inside."

"Okay, you can leave," Xie Jiuhan said softly.

Ji Yunchen nodded and turned to leave the study room. Three minutes ago, Xie Jiuhan got angry. He wanted to see who the owner of this ID was. How dare he compare gifts with him in the live stream. Was he tired of living?

What made him most angry was the name of this ID, 'Kneel and Call Me Daddy'...

Flipping open the information, Xie Jiuhan's face was covered in frost after one look. However, his eyes were filled with strangeness as he picked up the phone and dialed a number.

On the other end of the phone, Ji Yunchen said respectfully, "Ninth Master, please instruct!"

"Inform the financial department of the corporation to freeze all the bank cards under Xie Shihao's name, including his credit cards and debit cards." After saying that, he hung up the phone, leaving Ji Yunchen dumbfounded on the other end.

Shaking his head, Ji Yunchen did not dare to ask any more questions. It was better for him to ask less about the matter between the uncle and nephew. Anyway, he was following Xie Jiuhan's orders unconditionally.

Feng Qing asked curiously, "Little Jiu Jiu, why did you freeze Xie Shihao's account?"

Xie Jiuhan's face darkened. "He's spending money recklessly!"

Feng Qing : "..."

Black lines streaked across her face as she mourned for Xie Shihao for three seconds. What did he mean by spending money recklessly? It seemed like her husband had just sent tens of millions of gifts in the live stream.

In reality, what Feng Qing didn't know was that Xie Jiuhan had a reason for doing this. From the information just now, he knew that Xie Shihao had been occupying the position of the top gun on the Siren's live stream for a long time. Just now, he had been competing with his biological uncle in the live stream. How could he not control Xie Shihao?

Xie Jiuhan had already decided. Even if Xie Shihao came to beg him for mercy, he wouldn't unfreeze his account. Wasn't he the top gun on the board? He would freeze his bank account for as long as he stayed on the board.

Sitting back in front of the computer, he realized that there was a friend request. It was from the ID 'Kneel and Call Me Daddy'. Xie Jiu laughed coldly and rejected it.

...

In the Gu family's courtyard.

"Qingye, my good brother. You're my best brother. Can you lend me two million? I'll repay you with a kiss!" Xie Shihao clung onto Gu Qingye to borrow money.

Gu Qingye pushed him away and said in disgust, "Bullsh\*t, stay away from me. For the sake of two million, you've lost your lower limit."

Seeing that two million had arrived, Xie Shihao flew up in joy and almost threw his phone out. Although two million wasn't a lot, it was still better than nothing. At the very least, he could make a name for himself.

The next second, Xie Shihao's face turned into an eggplant. He realized that his bank card had been frozen. "Impossible. Why are all my bank accounts frozen?"

...

In the study room, Xie Jiuhao clicked his mouse helplessly. The ID 'Kneel and Call Me Daddy' had sent him friend requests repeatedly. Without exception, he rejected all of them.

[Kneel and Call Me Daddy]: God, no discord, no concord. Don't be so petty. Add me as a friend and let me posture with you in the future. "

[Siren's Hubby]: "Get lost!"

[Kneel down and Call Me Daddy]: “F\*ck! Are you still trying to be strong? Do you think I’m not qualified to be your friend? Are you looking down on me?”

[Siren’s Hubby]: “That’s right!”

[Kneel and Call Me Daddy]: “ ...”

[Kneel and Call Me Daddy]: “Haha, the ignorant are fearless. Calling you big shot, do you really think you’re big shot? Do you know who I am?”

This time, ‘Siren’s Hubby’ didn’t reply to him. Instead, he added him as a friend. Xie Shihao was so angry that he almost died on the spot. He wanted to use his identity to posture, but the other party didn’t give him a chance.

“F\*ck! You haven’t added him yet?” Gu Qingye said in surprise after playing a round.

Xie Shihao pointed at his phone and gritted his teeth. “This bastard deliberately set a friend request and even wrote the answer behind the question.”
