

The Wife I Picked Up Is Too Chapter Chapter 169

Chapter 169: Blind and Stupid?

“Is it the very revealing kind?” Feng Qing asked, although she knew the answer.

“Don’t worry, it’s not revealing at all. Although this dress is very light, it has completely inherited the conservative ideals of the Fei Nation. Other than the slightly lower chest, the rest of the dress is covered very tightly.” Long Yuning smiled.

Feng Qing smiled and said, “If not for the fact that I couldn’t see, I would have worn it right now. Is this dress really suitable for me?”

“Qingqing, please don’t doubt your beauty. In my opinion, this dress was simply made for you. Only you can fully show its beauty.” Long Yuning said sincerely, “Why don’t you try it on now and let me feel your brilliance!”

Feng Qing sneered in her heart. If not for her restored vision, she would probably have been played to death by Long Yuning. From the handiwork and materials, this dress was indeed made by a famous person, but this dress was too transparent. There was not much difference between wearing it and a naked body. It was clear what style and color of undergarments were inside. They were not long skirts but the king’s new clothes.

“Someone, help Miss Feng Qing change her clothes.” Long Yuning clapped her hands.

The next second, the door of the cloakroom opened and two maids in their forties and fifties walked in. They reached out to Feng Qing and were about to help her change into a dress.

Feng Qing’s expression did not change. She moved her feet slightly and the two maids missed their hands. These two maids were not servants of the Xie family. They were brought here by Xie Yuhuan. They were originally servants of the Long family and had been serving Long Yuning since she was born.

“No rush. Since it looks so good, it’s best if you keep it for yourself, Miss Long. I rarely wear skirts, and you’re taller than me and can dance. Your figure should be very good, and you’ll definitely look better than me in it.” Feng Qing said with an innocent look.

In terms of acting skills, she was definitely good. She didn’t dare to say that she was all-powerful in the entertainment industry, but she could still act realistically. Anyway, she had nothing to do. Since Long Yuning wanted to play with her, she would play with her.

It wasn’t easy for her to give it away, so how could Long Yuning take it back? She said earnestly, “Qingqing, if you say this, you’re slapping my face. Although it’s not a precious gift, it carries my kind intentions. You should accept it. Besides, how can any gift be taken back?”

Long Yuning’s words were filled with sincerity. Feng Qing almost laughed out loud. She pretended to be innocent and romantic. “Alright, in that case, I’ll wear this dress tonight at dinner.”

Hearing her say that, Long Yuning smiled and said, “Sure, I’m looking forward to it too. With Qingqing’s figure and looks, she will definitely stun everyone with this dress.”

The two of them chatted like bosom friends for a while before Feng Qing left with her ‘gift’. This was Xie Yuhuan’s private territory after all, and it wasn’t appropriate for her, a niece-in-law, to stay here all the time.

Watching her leave, Long Yuning sneered. “You two know what to do at dinner tonight, right?”

The two maids nodded. “Don’t worry, Miss. We understand!”

Long Yuning nodded and turned to leave the cloakroom. She went to the living room to pick up the flowers and returned to her pure and indifferent appearance.

In reality, she had encouraged Feng Qing to try on her dress just now because she wanted to secretly take a few photos and post them on the Internet. Just think about it, if Madam Xie's photos were to be exposed, it would cause a huge commotion on the Internet.

To her surprise, Feng Qing was so materialistic that she suggested wearing it at dinner, so she didn't force Feng Qing to try it on.

Long Yuning couldn't wait any longer. She wished that night would come soon. She wanted to see the reaction of the Xie family when Feng Qing came out in this dress.

At that time, not only would she embarrass herself, but the entire Xie family would also be humiliated by her. Xie Yuhuan would not be able to tolerate her and would have a lower opinion of Feng Qing. She might even force Xie Jiuhuan and Feng Qing to divorce. Moreover, with Xie Jiuhuan's temper, he could not tolerate Feng Qing dressed like this. Even if he did not divorce her, he would still hate her to the core.

Gently pinching off a flower, Long Yuning was extremely smug. Feng Qing was like this flower. Although it was bright and dazzling, it was stupid and blind. She was being played by her and could do whatever she wanted.

...

Xie Jiuhuan and Xie Yuhuan talked alone for about two hours before leaving. When he returned to his room, he did not find Feng Qing. He walked around the room and searched all the rooms, but he did not find Feng Qing. He could not help but frown.

Although he didn't find Feng Qing, he could clearly feel that there was someone in the room. Xie Jiuhuan's lips curled up and he revealed a dangerous expression. "Ha, you're hiding from me, right? Then you better hide well. Don't let me find you. Otherwise..."
