

The Wife I Picked Up Is Too Chapter Chapter 176

Chapter 176: Feng Qing Ate It!

At the critical moment, Long Yuning threw caution to the wind. Anyway, she was already being shamed tonight. It would be easy to apologize and it would appear that she was magnanimous.

Long Yuning left dejected and depressed. Feng Qing clinged on Xie Jiuhan to carry her back to the master bedroom. Feng Qing laid on her back and asked curiously, "Little Jiu Jiu, why did you ask Xie Qi to bring her to the secondary bedroom and not the master bedroom?"

Xie Jiuhan said coldly and arrogantly, "The master bedroom is not a place she can enter!"

Feng Qing felt a sweetness in her heart. She held the man's head and kissed his cheek. The next second, the scenery before her eyes spun and she was back on the soft bed. Looking at the man's passionate eyes, Feng Qing asked doubtfully, "Jiu Jiu, if you keep staring at me, I'll be embarrassed..."

The corners of Xie Jiuhan's lips twitched as he asked, "You took a bath and ate something. You should have recovered, right?"

Feng Qing was confused and subconsciously said, "I... I'm fine. What's wrong?"

"Nothing, I just want to eat you again!" The man untied his bathrobe and pounced on her like a lion in spring.

Feng Qing : "..."

...

At Xie Yuhuan's villa.

The villa door opened and Long Yuning ran back to her room, sobbing.

Xie Yuhuan frowned and put down the TV remote control. She walked upstairs with a coat on. She wanted to ask Long Yuning what happened and why she was crying and making a scene.

The door was not closed tightly, and Long Yuning's cries came from the room. Xie Yuhuan pushed the door open and entered. She saw Long Yuning sitting at the head of the bed hugging her legs with tears running down her face.

Xie Yuhuan walked over and asked softly, "Yu Ning, what happened to you?"

Long Yuning bit her lips and shook her head slightly. She choked up and said, "No, I'm fine. Don't worry about me. Just let me cry for a while. It's late, Third Aunt, go back and rest." Before she could finish speaking, her tears fell again, and her body twitched with extreme grievance.

Xie Yuhuan's heart ached. She had seen Long Yuning grow up after all. Seeing her cry, she naturally didn't feel good. Pulling out a few tissues, Xie Yuhuan handed them to her and said, "Tell me what happened. Did Jiuhan bully you?"

Long Yuning was the daughter of the Long family and the closest person to her. Other than Xie Jiuhan, who else in the Xie family dared to provoke her?

"Third Aunt, you can't blame the Ninth Master for this. It's my fault for not doing a good job and making him unhappy." Long Yuning sobbed. "When I first met Feng Qing today, I gave her a dress as a gift. At that time, I was so happy that I forgot to ask Feng Qing to wear inner linings. Because the dress was a little revealing, the Ninth Master misunderstood..."

After she finished crying, she even reached out and pointed at the trash can on the ground. She had been so focused on being sad that she had carried the trash can all the way back and let Xie Yuhuan take a look.

Xie Yuhuan did not even look. When she came in, she had already seen it. Compared to the dress, she was more concerned about something else. "What supper did you make for Jiuhan? Did he eat it?"

Long Yuning blew her nose and said, "Feng Qing ate it!"

Xie Yuhuan's eyes darkened as she snorted coldly. "A lawless, wild girl from a little mountain gorge dares to steal Jiuhan's food to eat."

Long Yuning felt warmth in her heart. At least Third Aunt was on her side. Feng Qing wasn't as good as her in this aspect. Her eyes rolled around and she revealed a pitiful expression. "Third Aunt, don't be angry. I'll move out tomorrow morning to avoid any unnecessary misunderstandings. This isn't the Long family after all..."

Xie Yuhuan held her hand and patted it. She said gently, "What are you talking about, silly girl? You'll live with me. As long as I'm here, no one in the Xie family will dare to say a word. To tell you the truth, I've long disliked Feng Qing. A gold digger like her won't go far with Jiuhan. When Jiuhan is no longer interested in her, that will be the time she gets lost from the Xie manor. You're the daughter of the Long family after all. How can you lose to a wild girl? You can do whatever you want. I will help you."

Long Yuning was elated, and a sweet smile appeared on her face. She pounced into Xie Yuhuan's arms. "Third Aunt, you're so good to me!"

Although she had suffered a serious setback tonight, Xie Yuhuan's words had undoubtedly given her a boost. As the daughter of the Long family, how could she admit defeat so easily? With Xie Yuhuan's help, as long as she handled it well, it would not be difficult to kick Feng Qing out of the Xie manor. By then, she would naturally become the only woman by Xie Jiuhan's side.
