

The Wife I Picked Up Is Too Chapter Chapter 184

Chapter 184: Xie Corporation Headquarters

“How did she recover? Did she undergo surgery during the holidays? Isn’t she a special student? Where did she get the money for the surgery?” Gu Qingye was confused.

Unable to believe his eyes, Xu Mingqian turned to look at Gu Qingye and said in a low voice, “You came with her. Can she really see?”

Gu Qingye shrugged, indicating that he wasn’t sure either. Xu Mingqian could only look at Feng Qing questioningly.

“Hehe, Brother Ming Qian, I can see.” Feng Qing chuckled.

Xu Mingqian gasped. Even though he already knew the answer, he was still shocked that Feng Qing had said it herself.

Xu Mingqian went up to Feng Qing and the two of them were very close. “Qingqing, you’ve gone for surgery? As expected of that master. He’s really amazing! He can even snatch back what the God of Thieves Phantom stole for you.”

“Master? Xu Mingqian, who are you talking about?” Gu Qingye supported his chin and asked, his other hand gently knocking on the table. As a music student, he did not dare to say anything else, but his hearing was definitely good. No matter how low Xu Mingqian’s voice was, it could not escape his ears.

Seeing Gu Qingye interrupt, Xu Mingqian returned to his seat and said impatiently, “Why do you have so many questions every day? What does whoever it is got to do with you?”

Gu Qingye : “...”

Seeing that Xu Mingqian was not telling him, Gu Qingye was in a terrible mood. What the heck was going on? He felt that he was an outsider. Feng Qing had secrets with Xie Jiuhuan, and now, Xu Mingqian and her also had secrets, except for him...

After three consecutive lessons, school ended. The teacher finished giving the homework and left. Feng Qing sent a message to Xie Jiuhuan as she packed her things.

“Hubby, my school is ending soon. What time are you going home?”

“You go home first, I’m working overtime!”

“Oh, then I’ll go shopping and buy something before I go home. Come back early after work. Love you ~”

“Be careful. Find Xie Qi if anything happens.”

...

Di Hui Building, the only headquarters of the Xie Corporation, had a total of 95 floors, and it was the highest building in the Capital. It was the only building allowed to exceed the standards. Beyond the 90th floor, one could look down on the entire Capital and take in all the scenery.

Feng Qing was wearing a pink helmet and riding a scooter as she drove towards Di Hui Building in a relaxed manner. She initially planned to go to the New World shopping center downtown to take a tour, but she changed her mind halfway. She didn’t seem to need anything, so she didn’t know what to buy when she went shopping. Xie Jiuhuan wasn’t at home, and she didn’t want to go back to the Xie manor. Therefore, she planned to go to Di Hui Building to give Xie Jiuhuan a surprise.

After leaving the scooter by the roadside, Feng Qing stepped into the Di Hui Building. As expected of the Xie Corporation's headquarters, the Di Hui Building looked grand and dignified. The interior was decorated in gold and jade. It was an honor to be able to work here.

"Feng Qing?" Just as Feng Qing was waiting for the elevator, a familiar voice sounded. She turned her head and realized that the person who came knew her. It was Feng Jianing's licker, Cao Beining.

Cao Beining, who was dressed in a blue suit, walked up to Feng Qing. His eyes swept across her body, and his greedy gaze seemed to want to peel off her clothes.

"What a coincidence, Feng Qing. I'm Cao Beining!" Cao Beining said. With that, he leaned towards Feng Qing and even sniffed her surroundings, looking greedy and enjoying it.

Feng Qing's pretty face was absolutely beautiful. Her skin was fair, and her figure was curvy. Her two legs were straight and thin. Coupled with her sweet temperament, she was an existence that couldn't be ignored no matter where she went.

Cao Beining stared at Feng Qing fearlessly. He was especially interested in her pink neck and collarbones. Anyway, Feng Qing couldn't see, he could look at her however he wanted, could see as much as he wanted. He even swallowed his saliva as he looked.

In the past, when he met Feng Qing, Feng Jianing would always be by his side. He wanted to take another look but didn't dare to. Today, Feng Jianing wasn't around so he finally found an opportunity.

Looking at the faint kiss mark on Feng Qing's collarbone, the corners of Cao Beining's mouth curled up. Feng Jianing had once told him that Feng Qing was a bus. On the surface, she looked serious, but underneath, countless men had doted on her.

Cao Beining felt an itch in his heart. Although Feng Qing had served many men, it did not stop him from wanting to kiss her. After all, a woman's youth was only a few years. It would definitely feel great to ride Feng Qing!

Looking at the smooth elevator wall, Cao Beining's lewd and wretched face was reflected in it. Feng Qing ignored him and did not even say a word.
