

## The Wife I Picked Up Is Too Chapter Chapter 197

Chapter 197: Eastern Suburbs Horse Ranch

Gu Qingye curled his lips and said in disdain, "It's nothing. I just feel that this Miss Long is not worthy of being one of the best in the younger generation."

Arrogance, unrestrained, haughty. These three words vividly portrayed Gu Qingye. Coupled with his carefree appearance, he was simply arrogant and overbearing to the limit.

A cold light flashed past Long Yuning's eyes. She took a deep breath and tried her best not to show her emotions. Gu Qingye's words made her very unhappy.

"Hi, everyone. It looks lively. I wonder if the two of us have missed anything?" Suddenly, Xie Shihao's playful voice sounded, attracting everyone's attention.

Xie Shihao was dressed in a black sports suit and was chewing on a blue piece of gum. When he smiled, his tongue was blue. Standing beside him was the madam of the Xie family, Xie Jiuhan's real wife, Feng Qing.

Feng Qing was dressed in a light purple denim suit and a pair of brown Martin boots. She wore a pair of large sunglasses on her palm-sized face. Just from her exposed chin and forehead, one could tell that she was definitely good-looking.

The rich ladies all looked at Feng Qing curiously. They all knew this profligate young master Xie Shihao, but Feng Qing was really unfamiliar.

A faint smile appeared on Feng Qing's lips. Other than a few people, she did not know any of the remaining noble ladies. Ever since she married Xie Jiuhan, he had hidden her away to protect her better. He rarely brought her to banquets outside, so not many people knew her.

A charming, beautiful woman said, “Young Master Shihao, did you bring your girlfriend here?”

Another middle-aged woman with big breasts echoed, “Tsk tsk, Young Master Shihao, you have good taste. This lady has a good figure, white skin, and a good disposition. I wonder which family she belongs to?”

Not only were the two rich ladies praising Feng Qing, but the surrounding ladies were also whispering and discussing fervently.

Old Madam Gu, Gu Qingye, Gu Jingtong, Xie Yuhuan, and Long Yuning naturally recognized Feng Qing at a glance, especially Gu Jingtong. Her eyes turned red when she saw her enemy. She shouted at Xie Shihao, “Young Master Xie, why don’t you take a look at the occasion? Is it a place for someone like her to enter?”

The upper circle had the pride and dignity of the upper circle. Feng Qing, a special student at Capital University, had no right to attend such a gathering.

Xie Shihao sneered. “Gu Jingtong, shut your mouth. If you don’t speak, no one will think you’re mute. I would like to stuff a bunch of dog food into your mouth when I hear you speak.”

Even in front of Old Madam Gu, this young master of the Xie family did not give her any face and scolded her back on the spot. Although he did not like Feng Qing, Feng Qing was still a member of the Xie family. How could he tolerate outsiders bullying her?

Gu Jingtong almost fainted from anger. She didn’t expect Xie Shihao to be so rude to her in front of so many famous people. Although she had always been interested in Xie Shihao, she couldn’t hold it in anymore. Just as she was about to scold him back, Long Yuning beat her to it.

“Eh, Feng Qing? Why are you here?” Long Yuning asked despite knowing the answer. “This is a horse ranch. You’re blind and can’t see. Won’t riding a horse kill you?” With that, she even looked at Xie

Yuhuan without a trace. The two of them exchanged a look and understood each other. Xie Yuhuan smiled and looked at Feng Qing and Gu Jingtong without any intention of interfering.

Long Yuning was smug. Gu Jingtong and Feng Qing were at odds with each other. This was what she wanted to see. She wanted Feng Qing to be embarrassed in front of the wealthy ladies.

Feng Qing was wearing sunglasses and could see everyone's expressions. She sneered. "Miss Long, who told you that you can't ride a horse if you can't see? Even Old Madam Gu can ride a horse, so why can't I?" As soon as she finished speaking, she even nodded slightly at Old Madam Gu. What everyone did not notice was that Old Madam Gu also nodded at her with a smile. The two of them did not say a word and could be considered to have greeted each other.

After treating Old Master Gu's illness the last time, Old Master Gu and Feng Qing had a lot of talk. He asked her to check Old Madam Gu's body and even asked Gu Qingye to bring her along. Therefore, she and Old Madam Gu had known each other for a long time and they clicked with each other.

Seeing that Feng Qing and Long Yuning were at odds with each other and did not care about the daughter of the Long family at all, all the rich ladies had gossiping expressions and guessed Feng Qing's identity.
