“Alright, alright, since you’re so confident, I’ll fulfill your wish.” Long Yuning gritted her teeth and said, “It’s probably your first time coming to a place of this level. It’s just nice that I have an extra set of riding clothes that I can lend you. Horse riding here is calculated according to minutes, but you can play as much as you want. I’ll pay all your expenses.”

Feng Qing curled her lips and said unappreciated, “I’m sorry, I have riding clothes, and someone will help me pay the fees. Thank you, Miss Long, for your kind intentions.”

With that, she ignored Long Yuning and walked towards the changing area with Xie Shihao. When they passed by Gu Jingtong, Xie Shihao even rolled his eyes at her. Gu Jingtong was so angry that her face was red. She glared at Feng Qing viciously. If not for this woman, how could she and Xie Shihao have ended up like this?

“Tony, come over here. I have something to tell you.” After a while, Gu Jingtong turned around and said to a handsome equestrian not far away.

Tony walked over with a horse and bowed. “Miss Jingtong, how can I help you?”

Gu Jingtong pointed at Feng Qing and said in a low voice, “Do you see that woman? When she comes out after changing her riding clothes, you will bring the Dragon King to her and tell her that the Dragon King is the most docile horse in the ranch in the eastern suburbs.”

Tony smiled and nodded. In the past, he was Gu Jingtong’s private equestrian coach, so their relationship had always been good. Now that Gu Jingtong had such a request, how could he not agree?

“Miss Jingtong, I understand.” Tony said.

“Very good, this check belongs to you!” Gu Jingtong smiled in satisfaction.

Tony didn't stand on ceremony. He took the check with a smile, took a closer look at the six zeros on it, and carefully pocketed it. He loved doing things for these rich people as he got a high reward every time.

“Hehe, Miss Jingtong, you're being too polite. With our relationship, no matter how stupid I am, I won't side with outsiders. Besides, you're a VIP member of our eastern suburban horse ranch. If you have any needs in the future, please let me know. As long as I can do it, I will do my best.” Tony flattered.

Gu Jingtong patted his shoulder with a satisfied expression. She enjoyed the feeling of using money to knock someone out and make everyone respectful.

At the door of the changing room, Feng Qing changed into her riding suit and walked out. She wore a white riding helmet and a black riding jacket, which outlined her slender waist so well that it made people swallow their saliva. She was wearing a white seven-section long pants, revealing a pair of bony ankles that exuded an invincible youthful aura.

Compared to her, Xie Shihao was much simpler. From head to toe, he was dressed in white and exuded the aura of the Capital's Crown Prince. He was arrogant and domineering, and he was a good-for-nothing.

Xie Shihao and Feng Qing each had their own temperaments as they walked towards the stable. Along the way, countless rich ladies were staring at them in admiration, infected by their youthful beauty.

“Tsk tsk, it’s good to be young. Look at these two little ones. The woman is youthful and beautiful, and the man is outstanding.”

“Sigh, it’s so enviable to look at them. If I could turn back time, I definitely wouldn’t choose to get married or have children. I can go wherever I want and do whatever I want. I’ll enjoy life.”

“Should I say or not? This young lady’s figure is really good. Does anyone know which family’s young lady she is?”

A few wealthy ladies gathered together and discussed as they walked. They all looked at Feng Qing and Xie Shihao with smiles on their faces.

“My dear ladies, don’t just look at her appearance. The woman that Xie Shihao brought over is just his classmate at Capital University. She was even recruited into Capital University as a special student.” Gu Jingtong couldn’t listen anymore and immediately exposed Feng Qing.

The wealthy ladies were stunned when they saw Gu Jingtong’s serious expression.

“Are you kidding? She’s a special student at Capital University?”

“My God, did she read too many Cinderella fairy tales, or did she read too many Ugly Duckling stories? A mere special student wants to climb up the social ladder and change her fate?”

“What? After all this, it turns out that’s what happened. With her status, Young Master Xie is only playing with her. When he loses interest in her, she will still be a special student.”

Listening to the rich madams mocking Feng Qing, Gu Jingtong felt smug in her heart. She had placed Feng Qing on the opposite side of the crowd with just a few words.. This was the effect she wanted.
