

The Wife I Picked Up Is Too Chapter Chapter 199

Chapter 199: The Dragon King Among the Horses

Seeing Feng Qing and the rest come out, Tony walked over with a burgundy horse. Seeing this horse, Gu Jingtong sneered. Others might not be familiar with this horse, but as a member here, she knew it very well.

“Dragon King!” The purebred Aharjee golden horse was tall and muscular. It had thick, fluffy mane that reflected the golden sunlight. It was the most violent horse in the horse ranch in the eastern suburbs and had once thrown many professional horse tamers into the hospital.

“Huh? What’s going on? This horse is too big. Go and change it to a smaller one.” Xie Shihao scolded. Even from afar, he could feel the violent aura on the Dragon King’s body. Although he didn’t ride horses much, he knew that this kind of horse wasn’t easy to ride. Moreover, Dragon King was really too tall. His hooves were half the size of a washbasin, making him look majestic.

“Ha, I think it’s useless even if we change. That special student probably can’t ride it.”

“It’s good that she can ride it once. It’ll also teach her a lesson. Not everyone can pretend to be a noble.”

“Tsk tsk, this horse is powerful and handsome. I don’t think she can get up on the horse, much less ride it.”

The rich ladies mocked and ridiculed. They stood to the side, prepared to watch a good show. They were filled with contempt for Feng Qing. When has wild chicken ever been presentable?

Tony bowed slightly and said, “Young Master Xie, don’t look at how scary it looks. Its personality is actually very docile. It’s the only purebred Ahaerj golden horse in the ranch, which is the legendary Ferghana horse. It’s very suitable for beginners to ride.”

Xie Shihao was skeptical. Looking at the Dragon King's condescending gaze, he actually felt like he was looking into Xie Jiuhan's eyes. There's a Ninth Master Xie among men, and a Dragon King among horses?

"Are you sure it's the most docile horse here?" Xie Shihao swallowed his saliva and confirmed it again. He didn't even dare to approach such a powerful and tall horse, much less ride him. He was afraid that he would be kicked into an idiot.

Tony smiled and said, "Please don't worry, Young Master Xie. It's definitely the best horse in the Eastern Suburbs horse ranch. Even if you set off firecrackers on its tail, it won't go crazy."

Before he could finish his sentence, a huge force came from his hand. Dragon King swung his horse's head and pulled Tony into the air before he fell to the ground. In a flash, Tony performed a vicious dog pounce.

Dragon King raised his body high up and his two thick front legs flailed in the air. He let out a cry that resounded through the entire ranch. That frightening imposing manner made people feel awe in their hearts.

Seeing that the Dragon King had flipped out, Xie Shihao hurriedly pulled Feng Qing back a few steps, afraid that the Dragon King wouldn't like them and would crush them into meat paste.

Looking at Tony, who was lying on the ground and in a sorry state, Xie Shihao raged, "Is this what you call docile? If you have the guts, go and ride him for two laps!" Even a fool could tell that this horse had a fiery temper and was completely out of control. Wasn't riding it like courting death?

Gu Jingtong rode a white horse over. Her horse was almost half the size of the Dragon King. "Feng Qing, are you afraid? Tony treats you so well and specially picks such a handsome purebred horse for you. Don't tell me you don't even dare to ride it?"

Xie Shihao frowned and scolded, "Gu Jingtong, I'm starting to suspect that you're an idiot. Why do you have the right to speak everywhere? Since you think so highly of this horse, why don't you ride it and let me see!"

Seeing that he was protecting Feng Qing behind him, Gu Jingtong was so angry that her nose was almost crooked. Deep jealousy rose in her heart. Just as she was about to say something, she saw Feng Qing walk around Xie Shihao and walk straight towards the Dragon King.

Xie Shihao was shocked. "Feng Qing, come back quickly. That horse is not to be trifled with. Don't ride it..."

Xie Jiuhan was on a business trip, so he had specially asked him to accompany Feng Qing to the gathering. If anything happened to Feng Qing, Xie Jiuhan would probably skin him alive.

"Xiao Hao, don't be nervous. I think this horse is quite good." Feng Qing smiled.

Watching her walk towards the Dragon King, Xie Shihao's heart was about to jump out of his chest. He wished he could bring Feng Qing home immediately. Feng Qing's small body was as weak as a sapling in front of the Dragon King.

"Hiss..." Seeing Feng Qing walk towards it, Dragon King let out a cry again, filled with warning. His black eyes stared intently at Feng Qing.

Feeling that the Dragon King was about to explode again, Tony scrambled to the side and looked at the arrogant horse with a lingering fear. He had been a horse rider for twelve years and was quite experienced, but he still couldn't tame the Dragon King, let alone Feng Qing, a beginner.
