Xie Yuhuan's expression darkened. She regretted the moment she finished speaking. Xie Jiuhan took the opportunity and used her to push Long Yuning into the pit.

However, she felt relieved after thinking about it. If she didn't say that Long Yuning was Xie Jiuhan's cousin, Long Yuning would have been treated as a servant. After all, she was the daughter of the Long family. How could she continue to walk around the upper-class circle in the future?

"Hubby, let's go to the stable to take a look at Little Dragon. It was shot just now, and I don't know how it is now. It's all because of it that I can win Gu Jingtong today." Feng Qing suggested.

Xie Jiuhan hugged her shoulders with one hand and said, "Okay, I'll accompany you wherever you want to go."

Seeing the couple leave, the rich ladies started discussing fervently.

"Look at the couple. They're so loving. They're like magnets glued together."

"Sigh, I really envy Madam Xie for being pampered by the Ninth Master like this..."

"I can't take it anymore. I have to go home quickly and catch my husband off the bed and beat him up. They're both husbands but the difference is too great!"

Long Yuning clenched her fists tightly. She had originally planned to embarrass Feng Qing in public today, but not only did Feng Qing not lose face, but she even established her prestige in the hearts of the rich ladies. Moreover, she had even become their younger cousin. In the eyes of the crowd, she had completely lost the chance to become Madam Xie.

Looking at Feng Qing's back view, Gu Qingye's expression darkened. No one could tell what he was thinking. Xie Shihao came over and said slowly, "Qingye, we can't ride horses anymore. Why don't we go back and race?"

Gu Qingye said coldly, "Why didn't you tell me that Feng Qing is Madam Xie?"

Xie Shihao took off his sunglasses and smiled bitterly. "How can I say such a thing? Besides, have you ever been close to women?"

Gu Qingye roared, "F\*ck you, what do you mean by not getting close to women? What did I do to make you have such weird thoughts?"

"What? You're interested in women?" Xie Shihao shrugged. "D\*mn, I always thought you were gay!"

The next second, Gu Qingye picked up a brick from nowhere and looked like he was about to hit him. "Xie Shihao, you're dead meat today. I'm going to smash you into pieces."

"D\*mn, you have to calm down! You can't blame me for this! Who asked you to have a cold face every day and no girls dared to talk to you, making me think that you were gay. It made me feel so pressured when I was with you. Why didn't you say it earlier?"

"Shut up! You lunatic!"

"Oh no, are you saying that you don't love me anymore..."

The two of them ran around the racecourse happily. Xie Shihao was glad that he had run fast enough. Otherwise, he would have followed Gu Jingtong's footsteps.

After climbing over the fence, Gu Qingye asked, "Did you know that Feng Qing could see? Why did you hide this from me?"

Xie Shihao walked around a wooden stake and smiled bitterly. "I just found out, alright? But what has her recovery of her eyes got to do with you?"

"I..." Gu Qingye choked and blushed. "Of course it's related. We're classmates and good friends. Isn't she your friend?"

Xie Shihao ran forward again and turned around. "Are you joking? Is she worthy of being my friend?"

Gu Qingye threw the brick aside and sat down on the spot. He didn't care if it was dirty or not. Anyway, he was in a mess now. Seeing that he wasn't chasing anymore, Xie Shihao came over humbly.

"Brother Qingye, now that you know Feng Qing's identity, stand on my side. Let's ostracize her, suppress her, and bully her. What do you think?" Xie Shihao said.

Gu Qingye glared at him. "How dare you bully Feng Qing? I'll kill you with a brick."

Xie Shihao said sadly, "Oh my god, you treat me like this for Feng Qing. Have you really changed your mind?"

“I’ll count to three. If you don’t get lost, I’ll kill you with a brick!” Gu Qingye roared. With that, he reached out to grab the brick. Xie Shihao was shocked and ran away. He didn’t understand why Gu Qingye was crazy, but there wasn’t much fun to watch here today, so he took the chance to escape.

Gu Qingye found Xie Yuhuan. He was here to ask for that one billion. Old Madam Gu might be embarrassed to ask for this sum of money, but he wouldn’t let Xie Yuhuan have her way.. It would be a waste if he didn’t get the money.
