

The Wife I Picked Up Is Too Chapter Chapter 243

Chapter 243: Black Glorious Silk

Translator: Henyee Translations Editor: Henyee Translations

As the hidden pattern on the side of Feng Qing's dress was more than twice as big as the hidden pattern on the Duke's tie, the light reflected by her hidden pattern was also larger, enough for everyone in the banquet hall to see clearly.

"That's right. This color is the same as the color Lord Duke made just now. It's both green and peach."

"I couldn't see clearly when it was still a hidden pattern. Now that it's lit up and changed color, it's indeed the trademark of the Heavenly Rainbow. This color is really good-looking, and the method of making hidden patterns is indeed incredible."

"Tsk tsk, it can't be fake when it's real. It looks like this dress was indeed made by the Heavenly Rainbow designer. Miss Feng isn't bragging."

The crowd at the banquet gasped repeatedly. They all believed in Feng Qing. Even if they didn't believe Feng Qing, they had to believe in the Duke.

Looking at the sweet peach red and green color that was filled with vitality, Feng Jianing was stunned. It was as if someone had slapped her face with a fly swatter.

"No wonder this gown is so expensive. I didn't expect that a small hidden pattern would contain so many tricks. Not only is the product unique, but the anti-counterfeit design is also unparalleled."

"If Heavenly Rainbow is also willing to sell me one, not to mention 8.88 million, I would even be willing to pay ten million for one. Having such a dress in the wardrobe is definitely a symbol of status."

“I didn’t come for nothing today. I actually saw the legendary Heavenly Rainbow dress with my own eyes, and I even saw two of them at once.”

Everyone sighed. The way they looked at Feng Qing changed.

Looking at the disdainful Feng Qing, Feng Jianing’s worldview shattered. She couldn’t accept this fact. That was a gown worth more than eight million yuan, and it was even made by the designer of Heavenly Rainbow. How could Feng Qing wear it?!

If she were to wear the gown from Heavenly Rainbow, she would probably have to hire bodyguards to accompany her the entire time when she went out. Perhaps she could only wear it at home and did not dare to wear it outside at all, she would cherish it like it was her one and only treasure. She wished that she could worship it. Not only did Feng Qing wear it, but she also beat her up...

“Then, I, you... I...” Feng Jianing stammered for a long time, but she couldn’t say a word. It was as if her language function was in chaos.

After taking a few deep breaths and forcing herself to calm down, she organized her words and said, “Qingqing, it would have been fine if you had said earlier that the dress was produced by Heavenly Rainbow. I was angry just now and didn’t think too much about it. I accidentally dirtied your dress. How about this? I’ll help you wash it and guarantee that it will be clean. What do you think?”

The more she spoke, the more flustered Feng Jianing became. In particular, Feng Qing’s cold expression made her heart sink to the bottom. She looked around, wanting to find a piece of cloth or a wet wipe.

“Haha, your name is Feng... Feng Jianing, right? You might not know, but this dress on Miss Feng Qing’s body is made of Black Glorious Silk. According to what I know, this kind of material is the latest technology developed last month. Just the fabric alone cost a million for one meter. And to produce a

meter of Black Glorious Silk, it will take at least ten days. This also means that all the Black Glorious Silk produced in the world should have been used to make this dress.” The Duke slowly explained.

“Gasp...” Everyone gasped.

The Duke’s voice was not loud, but everyone could hear him very clearly. The name Black Glorious Silk was firmly remembered by them. They did not expect that not only was Feng Qing’s gown expensive, but it was also so trendy. Everyone felt envious.

The Duke smiled. He was very satisfied with everyone’s reaction. He continued, “Although Black Glorious Silk is noble and rare, it has one major characteristic, and that is that it can’t be washed after being stained with oil. And just now, Miss Jianing threw a small piece of cake’s cream onto the corner of Miss Feng Qing’s dress. Everyone can take a closer look. The part where the cream was had been completely stained and turned white.”

Bang!

Feng Jianing felt her vision turning black. It was as if a bolt of lightning had fallen from the sky and struck her forehead ruthlessly, making her mind blank..
