

The Wife I Picked Up Is Too Chapter Chapter 253

Chapter 253: Flower Language

She felt that her man was starting to squander again. A tulip cultivated in a greenhouse like this would wither in less than a day as long as it left that environment. It was almost equivalent to changing a new one every day. Moreover, it would be four years in university. The Xie family was rich, but they shouldn't spend it like this, right?

"Feng Qing, do you know what a tulip's flower language is?" The female student asked.

Feng Qing looked at her and smiled bitterly. She had liked tulips since she was young. How could she not know its flower language? In fact, tulips had a different flower language in many countries. But in Xia country, it represented the 'Confession of Love'!

"It's a love confession!" The female classmate continued, "To be willing to spend so much money for you in such a sensational manner, I guess this fan is your pursuer or boyfriend?"

Feng Qing frowned. She didn't know why, but she felt that it was a little strange. Although she judged that Xie Jiuhuan was the one who did it, she knew that Xie Jiuhuan wouldn't be so ostentatious. Moreover, he knew that Feng Qing didn't like tulips that could only live for a day.

"Student, you've said so much, but have you seen the fan who sent people to plant the tulips?" Feng Qing asked.

"Uh... you don't know your own fans?" The female classmate was a little dumbfounded.

Xu Mingqian and Gu Qingye stood at the entrance of the school building and looked at the tulips outside. Both of them narrowed their eyes and looked like they were thinking about something.

After looking at it for a long time, Gu Qingye snorted. "He's stupid, rich, and boring!"

The corners of Xu Mingqian's mouth twitched. He leaned towards Feng Qing's ear and said in a low voice, "Did you know that the Ninth Master was such a prodigal?"

After a short moment of silence, Feng Qing shook her head and said, "I don't think it's him."

In the corridor of the school building, the dean, Shen Suying, was walking aggressively. Along the way, she kicked over many tulips. On her high heels and pants, there were tulip petals everywhere.

"Why aren't you all rushing into the classroom to attend lessons? What are you still looking at? Are those lousy flowers that good-looking?" Shen Suying shouted angrily. "I'll count to three. If you all don't go in for lessons soon, I'll make all of you fail subjects this semester!"

Seeing Shen Suying's cold face, the students immediately scattered like birds and beasts. They secretly raised their middle fingers at her from the corner to show their 'respect'. Although Shen Suying was young, her image was not very good in the hearts of the students. She was privately called 'Devil Teacher' by the students.

"Chief Shen!" Seeing her walking over, Feng Qing asked, "Do you know who sent this person to plant flowers?"

Shen Suying stopped and hugged her arms, looking down at her. "You're asking me, who am I going to ask?!"

Not to mention her, the principal and vice principal did not even see this person. However, the other party called and transferred a huge sum of money to the school. For the sake of the money, the principal had no choice but to agree.

The happiest person was the garden department in the school. Someone was spending money to steal their work and they wished for more good things like this.

“But I heard from the principal that this person who claims to be your fan should be your pursuer. He didn’t hesitate to spend a huge sum of money to sweep you off your feet. I have to admit, although you’re not old, you’re quite capable. You’ve hooked up with that person from the Xie family and are still not satisfied. Aren’t you a little greedy?” Shen Suying said disdainfully.

Feng Qing’s expression froze and she frowned. Did Shen Suying say that because she already knew about her relationship with Xie Jiuhan? How did Shen Suying know? Was it hearsay or Xie Jiuhan who told her? In that instant, countless thoughts revolved in Feng Qing’s heart. After thinking for a while, she could not make a judgment. She could only continue to act stupid and probed, “Chief Shen, I’m sorry, I don’t understand what you mean.”

Shen Suying sneered coldly, and the gaze she used to look at Feng Qing became even more disdainful. “Ha, do you think you can muddle through by pretending to be crazy? There’s a saying among the ancestors, if you want people to not know, don’t do it. Do you think I didn’t see what happened at the school gate yesterday?”

Feng Qing frowned deeply. The school gate yesterday? Shen Suying saw it with her own eyes? She remembered very clearly that she was the one who ran to the business car with the golden roses yesterday. Xie Jiuhan had never gotten out of the car the entire time, and only Su Yu was out. How did Shen Suying see Xie Jiuhan? Even if she did, with her character of hating the poor and loving the rich, she would definitely take the initiative to greet Xie Jiuhan..
