

The Wife I Picked Up Is Too Chapter Chapter 275

Chapter 275: Free Tickets

“Ninth Master, the president of Fragrant Wind Group should be a fan of the Siren. Before Li Shaoqun announced that he would be inviting the Siren, Fragrant Wind Group had no intention of sponsoring him. However, after Li Shaoqun announced that the Siren was attending, they contacted Jia Le very quickly. Like us, they also sponsored 50 million.” Su Yu concluded.

After saying that, he stared nervously at the change in Xie Jiuhan’s expression. He felt that there was a need to bring Xie Jiuhan to the temple to read his fortune. Ninth Master seems to have quite a few rivals recently.

“The president of the Fragrant Wind Group should be a young man too. Like most netizens, he likes the singing of the Siren. Now that he knows that she’s going to attend the concert, he naturally has to show off.” Seeing that Xie Jiuhan was silent for a long time, Su Yu added, “To be honest, the president of Fragrant Wind Group is worthy of praise. He doesn’t believe the rumors on the Internet. No matter what the Siren is like, he will firmly stand on the Siren’s side.”

From the perspective of an outsider, Su Yu gave the most objective judgment. However, he regretted it as soon as he finished speaking. He praised the other boss in front of the Ninth Master and felt that he had encountered trouble again...

“Uh... Ninth Master, I’m not...” Su Yu smiled awkwardly and explained.

“Get lost!” Xie Jiuhan shouted coldly.

Su Yu shuddered and nodded hurriedly. “Yes, I’ll get back to work first!” Before he could finish his sentence, Su Yu fled. He could be punished if he said anything wrong to Xie Jiuhan. It was already merciful of him to chase him away.

Xie Jiuhan stood up from his desk and walked to the wide French window. He placed his hands in his pockets and looked into the distance. His entire body exudes an aura that looks down on the world like a god looking down on the mortal world.

After a long time, Xie Jiuhan said, "Must I make a move?"

He used all sorts of channels to inquire about the situation of the president of the Fragrant Wind Group, but he found nothing. He thought about it and felt that perhaps the only way to find out the truth was to be a hacker again, but that would definitely cause a sensation on the Internet.

...

Half an hour later, a Weibo post shocked the entire Internet. The Jia Le Corporation officially announced that the Xie Corporation and the Fragrant Wind Group were jointly sponsoring Li Shaoqun's concert, and the concert would be held as scheduled.

What made the fans and netizens the most incredulous was that the Siren Auntie had been confirmed to be the only guest invited to the concert. Moreover, Jia Le had announced that the concert tickets were free. As long as one liked Li Shaoqun, they could go to the concert for free.

Due to the sponsorship of two large consortiums, the original 10,000 people concert was adjusted to 80,000 people. This was also the largest audience capacity in Changxing Stadium. Tickets to the concert were purchased for free through the Jia Le Organization's official website. At that time, they could enter the stadium with their tickets.

Less than twenty minutes after the news was released, Jia Le's official website was down. Although the fans were scolding, it would be a waste not to get the free concert tickets.

Just as the netizens were fighting for the tickets, Jia Le Records posted another message on Weibo. "After discussion, under the sponsorship of the Xie Corporation and Fragrant Wind Group, Li Shaoqun's concert will be broadcasted live. On the day of the concert, it will be broadcasted live through

the new media and traditional media. Foreign viewers can also watch the live broadcast through satellite television and the Internet. Everyone, please wait!”

“Hmph, it has to be free. Otherwise, who would spend money to watch the Siren Aunty sing?”

“Li Shaoqun is really strong. Even though everyone is criticizing him, he still has to hold a concert. The concert tickets are free. This is the first time such a thing has happened in the entire Xia country’s music industry.”

“Heh, I’ll just casually snatch one. Anyway, it’s free. We’ll talk about it when the time comes. Even if we go, it’s to scold the Siren Aunty.”

As the netizens fought for the tickets, they continued to defame Siren and Li Shaoqun. However, this was only a small portion of the fans. Most of the fans had already changed their opinions.

...

At Capital University, the entire school was in an uproar. All the students were snatching tickets from their phones. Li Shaoqun was their senior and a new rising star in the music industry. Now that the concert tickets were free, they naturally had to attend.

“Qingye, I just got two concert tickets. Let’s go take a look next week.” Xie Shihao said.

Gu Qingye glanced at him and said coldly, “Don’t you think it’s disgusting for two men to watch a concert?”
