Before he could finish his sentence, the drummer in charge looked at Feng Qing and scolded, “Feng Qing, right? Our Beiming Music Group has participated in countless large-scale performances domestically and abroad, and there has never been a similar accident. Our reputation has been ruined by you. The next performance will be your solo. Just wait to be cursed by everyone!”

Faced with the criticisms of the public, Feng Qing did not panic. She hugged the violin and flipped through the score on the shelf calmly. After confirming repeatedly, she found that all the notes for the first scene were written in reverse. The scores for the third, fourth, and fifth scenes were all fake. The notes inside were all messy, and it was obvious that they were written blindly. Only the score for the second scene, which she played alone, looked real.

She read the ten lines at a glance. As she flipped through all the music scores, she quickly memorized them. Before she went on stage, she knew that the performance would not go smoothly. Regardless of whether Long Yuning attacked her or the reaction of the audience, she had already expected it. If this was the effect that Long Yuning wanted to achieve, she would really give Long Yuning a thumbs up, but it was just an inverted thumb.

Long Yuning would rather sacrifice the reputation of the Sun Dance Troupe and the Beiming Music Group to ruin her reputation. It could be seen how much Long Yuning hated her. However, in Feng Qing’s opinion, Long Yuning doing this was too stupid, and it was even a little funny.

Feng Qing raised her head and looked at Long Yuning, who was still pleading for leniency for her. She really wished she could give her the Best Actress Award for the year. Her acting skills had definitely reached a professional level. It was called emotional and sincere.

“I apologize again for Feng Qing. Please give her a chance to complete the next performance!” Long Yuning begged.

The audience did not buy it and expressed their dissatisfaction vigorously.

“We don’t want to give her a chance, everyone’s time is precious. Who has the time to listen to her play that stupid thing?”

“It’s useless to give her a chance. I don’t think she knows how to play the violin at all. It’ll only be more embarrassing if she continues.”

“Forget it. If she can’t, then she can’t. She can’t cause the entire performance to be in an accident because of her, right?”

Seeing that everyone was unwilling to give Feng Qing a chance and were extremely disgusted with her, Long Yuning almost laughed out loud. The effects were much better than she had expected.

“I beg everyone to give Feng Qing another chance. This opportunity is too important to her.” Long Yuning said into the microphone.

An audience member below the stage shouted, “Since Miss Long has repeatedly pleaded for her, don’t blame us for being unreasonable. According to the program list, the next song should be her solo. If it’s still so unpleasant, let her drop out of Capital University. Don’t use the name of Capital University to swindle people everywhere.”

On the other hand, the president of the music school, He Xu, felt like he was sitting on pins and needles. He had always had a good impression of Feng Qing and knew that she was very talented, but even he was extremely disappointed in this performance.

Although he did speak up for Feng Qing, he did not dare to stand up against the public's anger. Otherwise, it would not be a problem of embarrassing Capital University.

“Qingqing, you heard it too. Everyone is willing to give you another chance. I wonder if you dare to bet the chance to continue studying at Capital University and continue to perform the second solo?” Long Yuning held the microphone and turned to look at Feng Qing.

Feng Qing's lips curled up. She knew that Long Yuning was trying to provoke her into agreeing to continue playing and then embarrass her to the extreme in the second solo performance. At that time, everyone would know that not only was Feng Qing a useless wild girl, but she was also expelled from Capital University. It had to be said that Long Yuning had a good plan.

Long Yuning looked at Feng Qing with a smile on her face, but she couldn't wait for Feng Qing to nod. She wanted to see Feng Qing embarrass the Xie family bit by bit!

“I only obtained the score for the second song. I've been practicing it recently,” Feng Qing said.

With that said, many members of the audience immediately captured the key words. What did she mean by only obtaining the score for the second song? Was there something hidden?

Xie Shihao turned to look at Gu Qingye.. “Hey, hey, did you hear that? Our Qingqing said that she only has the score for the second song.”
