"Ah!" Suddenly, Long Yuning let out a scream. Her feet tripped and she fell to the ground. She fell hard. The audience could hear her body hitting the ground clearly.

This was a major stage mistake. Long Yuning's first thought was that this was the first time in her life that she had encountered such a situation. Ignoring the pain in her body, she supported herself with both hands. Her instincts urged her to get up quickly, but just as she stood up, a tearing pain came from her right ankle. She stumbled and fell to the ground again.

However, what made Long Yuning even more alarmed was that no one was booing or paying attention to her despite her serious accident. The audience's attention was still on Feng Qing. Long Yuning fell to the ground and looked at the audience's enjoying expressions. Her mind was blank.

The bowstring was pulled gently, and the strings moved. Feng Qing's performance entered the final stage, and waves of music swept towards the crowd. When the last note dissipated, the audience was still in the beauty of the music.

After the song ended, the entire place was silent. It was so quiet that only the sound of their heartbeats could be heard. After an unknown period of time, a member of the audience finally recovered.

"Clap, clap, clap!" One, two, a hundred claps. The applause was like a ripple, gradually expanding. In the end, every audience in the scene was clapping. The intense applause was like thunder exploding.

On the stage, Feng Qing put down the violin and exhaled. She looked up at the man in the middle of the first row. This was the first time she had played a proper song for him.

Xie Jiuhan and Feng Qing looked at each other, his large hands clapping non-stop. This was the first time he had seen someone perform, and he was only clapping for Feng Qing.

Feng Qing slowly stood up and bowed slightly with the violin in her arms. With her thanks, the audience stood up like bamboo shoots after the rain. The applause continued and became more and more passionate. Such an exciting violin performance had completely conquered everyone. The audience naturally had to pay their respects to the artist with the highest etiquette!

President He Xu stood up and clapped as he said, "Haha, the truth has proven that I'm not blind. I don't dare to say anything else, but when it comes to solo violin playing, it's definitely top-notch!"

In the VIP audience seats on the second floor, Raymond held the railing with both hands and looked at Feng Qing in admiration, his eyes emitting an oppressive glow.

"As a member of the Country F's royal family, I've heard countless people play the violin since I was young, but none of them can exceed Feng Qing. I can guarantee that all the violinists will be eclipsed in front of her." Raymond decided. "As expected of the woman who made me fall in love with her at first sight. I can't wait to marry her and make her my Duchess."

Charles and Angus : "..."

They were all stunned by Raymond's words. They had an extra Duchess after watching a performance?

In the second-class seat on the first floor, Guo Xiaohui applauded longingly. She didn't know the violin or music, but she knew how to appreciate it. Feng Qing's violin performance was perfect. It was definitely a master-level performance.

Not only is Feng Qing talented, but she's also beautiful. Unfortunately, her birth characters are too strong. No matter how outstanding she is, no one dares to take her. Guo Xiaohui sighed in her heart.

Fu Anlan was extremely excited. As she wiped her tears, she clapped and even said to the surrounding audience, "That's great. Qingqing is really amazing. Do you see that? That's my eldest daughter, Feng Qing. I've long known that she's talented and will definitely achieve something in the future. I have to quickly take a few more photos as a souvenir."

Feng Yuanzhou echoed, "I didn't expect Qingqing to be so outstanding either. We have to bring her back to the Feng family as soon as possible. We can't let her continue drifting outside. In the future, Jianing will be the piano princess, and Feng Qing will be the violin princess. Haha!"

Long Yuning's expression was extremely ugly when she was helped off the stage. She felt that the script had gone astray. It was not what she had imagined at all. The applause that should have belonged to her was snatched away by Feng Qing and she became a supporting role.

"Yuning, why did you make such a low-level mistake in such an important performance?" The leader of the Sun Dance Troupe said unhappily.
