Xie Jiuhan could see, and so could the rest of the audience. Many people exclaimed.

“Look! She’s bleeding...”

“Oh my god, what happened? Is there a doctor on scene?”

“Everyone, don’t panic. Long Yuning said that her hands are injured. She’s probably playing the violin at a high intensity, causing the wound to split open. She could just bandage it again.”

Many members of the audience could not bear to see her like this. In their eyes, Feng Qing was a violin grandmaster. She used her blood to play out the most beautiful music and perfectly fused herself with the violin, as if she had reached the legendary realm of human and violin unity.

Long Yuning was completely dumbfounded. Her attention was on Feng Qing again. She didn't understand why Feng Qing could play the third song because she had clearly never seen the real score for the third song.

It was unbelievable. Even if someone had given her the right score, she shouldn't have been able to pull it so smoothly. The music was so pleasant to the ears and she could even cooperate with the music group so perfectly. It was as if she was originally a member of the music group.

Looking at the audience's attention being reaped by Feng Qing again and the respectful expression on everyone's faces, her heart sank to rock bottom.

"That's amazing! The fact that she's bleeding so much means that the wounds on her hands are huge. It's unimaginable that she can play the violin to such an extent despite being injured like this."

"The Siren Goddess is amazing. So much blood can't affect her performance. Every sound is so stable."

“Impressive. I feel like this performance is simply a personal performance of the Siren Goddess. If only I was seeing this live.”

On the various live-streaming platforms, shocked comments flew past. The netizens were conquered by Feng Qing’s devoted performance. The live audience held their breaths and listened to the beautiful performance quietly, afraid that it would ruin this rare beauty.

The performance passed the climax and reached the end. Long Yuning did an air split with the music. Before she landed, she felt her body becoming lighter as if something had left her.

It turned out that because her movements were too violent, the shoulder strap of her dance dress broke and the threads came apart at the same time.

In an instant, her young body was exposed to everyone. Long Yuning, on the other hand, was completely unaware. She was still enduring the pain in her ankle and dancing.

Although the audience's attention was on Feng Qing, such an erotic scene had still attracted the attention of the audience. It was also the first time that Long Yuning had snatched everyone's attention away from Feng Qing!

With her full breasts, perky butt and fair skin, the audience could see very clearly that apart from a pair of white underpants, Long Yuning was not wearing anything. Her torn dance dress swayed with the wind, and everything inside was vaguely visible, making everyone unable to take it in.

Long Yuning danced harder and harder. A smile appeared on her face again because she realized that the audience was looking at her at some point in time. This was the feeling she wanted.

Snap! With a light sound, the other shoulder strap broke. Long Yuning frowned. The sound rang in her ear, and only she could hear it, but she didn't understand what it was.

The next second, she jumped. But only her body jumped out, her dance dress remained in midair, making her look like a butterfly flying out of a cocoon.

Long Yuning felt her entire body turn cold. She subconsciously looked at her body. She wouldn't have known if she hadn't looked, but when she looked at her bare chest and naked body, her mind went blank.

A few seconds later, a scream that was enough to send the roof of the Hong Meng Theater flying rang out, covering the sound of the music that was about to end.

The audience covered their ears, afraid that their eardrums would be pierced by this high decibel scream. Long Yuning's beautiful face turned pale. She subconsciously covered her chest with her hands. At least she was wearing underwear, but her upper body was exposed.

Without any time to think, she hurriedly squatted on the spot and curled her body into a ball. The dance members were very experienced and hurriedly surrounded her in the middle. However, they were all dressed very little and were thin. They could not cover Long Yuning's entire body.. Her white and perky buttocks were still admired by the audience.
