“Duke Raymond? Why would he send something backstage?” Long Yuning was shocked.

The dance troupe member smiled and said, “Of course it’s for you. After all, you’re the pillar of our dance troupe!”

With that, the member of the dance troupe nodded at Xie Yuhuan. “Madam Yuhuan, when I came over just now, I saw the Ninth Master. He should be here to visit Yuning, right?”

Xie Yuhuan’s face darkened. She felt that this dance troupe member was too talkative and even acted familiar with her. She hated people like this the most in her life.

The dance troupe member said, “Yuning, everyone makes mistakes, so don’t take it to heart. Hurry up and come out to eat. Otherwise, everyone will finish everything.”

In this member’s heart, Duke Raymond was pursuing Long Yuning. Moreover, when Raymond released the fireworks previously, he had publicly confessed to a girl. Naturally, he connected the girl to Long Yuning.

Xie Yuhuan was a little frustrated. “Got it. Go and eat first. I’ll go with Yuning later. As for Jiuhan, he’s consoling Yuning inside.”

This dance troupe member was quite shocked. She ran out as if she had received some important news. She wanted to quickly share this latest news with her companions.

At the same time, Long Yuning walked out of the changing room. Although she had stopped crying, her eyes and nose were red and swollen. The makeup on her face was completely smudged from crying.

“Third Aunt, do you think the Ninth Master will do anything if he knows that you’ve said that he’s with me...” Long Yuning said worriedly.

Ever since she was buried alive by Xie Jiuhan last time, she had been a little traumatized. She would rather be shot to death than be buried alive again. The feeling of waiting for death in the soil was too despairing and devastating.

Xie Yuhuan took out a handkerchief from her bag and handed it to Long Yuning. Seeing her cry, her heart instantly softened.

“I didn’t say that to spread rumors, but to help you regain some respect in front of the team and let them understand that you’re the daughter of a rich family. Regardless of whether it’s Duke Raymond or Ninth Master, they all favor you. Let’s see who still dares to laugh at you?” Xie Yuhuan caressed Long Yuning’s head and comforted her gently.

Long Yuning smiled through her tears. “Third Aunt, you treat me the best. I won’t disappoint you in the future.”

Seeing that she had recovered a little, Xie Yuhuan said, “I’m very curious about how far you and Duke Raymond have progressed. You’ve been embarrassed on the stage, but he actually sent you flower baskets and food the next second. Could it be that you two have slept together?”

Hearing Xie Yuhuan’s straightforward expression, Long Yuning smiled bitterly and said, “Third Aunt, if I’m not wrong, the flower basket and food were given to Feng Qing. Although I’ve known Duke

Raymond for a long time, our relationship is only limited to knowing each other. Not to mention having sex, we don't even talk much."

"How disgusting!" Xie Yuhuan said in disgust. In her opinion, Feng Qing was equivalent to two-timing. One was Xie Jiuhan and the other was Duke Raymond. Who knew if there were other men besides the two of them?

"Feng Qing is in the limelight this time. Not only did she gain enough attention, but she also attracted Duke Raymond again. Ninth Master's heart is also on her. She's simply limitless." Long Yuning pouted.

Xie Yuhuan snorted coldly and said with a cold expression, "This Feng Qing is really too impudent. With her character, how can she be the madam of the Xie family?"

She was the daughter of the Xie family, and if she died, she was the ghost of the Xie family. In her heart, the reputation of the Xie family was more important than anything else. Moreover, Feng Qing had touched her bottom line repeatedly. She felt that if this continued, the reputation of the Xie family would be ruined in Feng Qing's hands sooner or later.

"Third Aunt, help me think of a solution. This time, I had embarrassed myself in front of everyone. What should I do in the future?" Long Yuning's eyes were red.

She was still relatively clear-headed and knew that the most important thing now was not to get angry with Feng Qing, but how to deal with the aftermath of this performance.. After all, she was only the daughter of the Long family in name, so she had to cherish her feathers more.
