Regardless of whether it was Feng Yuanzhou and his wife or Feng Jianing, who was secretly taking the video, no one felt that Feng Qing could really take out so much money. Even if she really had so much money, she didn't earn it herself. She must have hooked up with some rich man.

Feng Qing did not say anything else. She took out her phone and dialed. After just one ring, the phone was picked up. "Lass!"

"Hubby, I want money," Feng Qing said sweetly.

Xie Jiuhan's voice sounded. "How much?"

"Five billion, cash!" Feng Qing emphasized.

The man did not hesitate at all. "Send me the address and I'll send someone over immediately."

...

Di Hui Building, level 95.

Su Yu was looking at the scene of the Feng family's mother and daughter's fight through his phone. He could hear Feng Qing's voice clearly. Looking at Xie Jiuhan, who had been asked for five billion, who was actually smiling happily, he felt that his boss was too magnanimous.

“Ninth Master, are you really sending it?” Su Yu asked.

Xie Jiuhan nodded. “That’s right. Go and arrange it.”

Seeing that Su Yu had left, Xie Jiuhan leaned back in his chair and watched the live broadcast on the computer with interest. Feng Qing had called him ‘Hubby’ in front of outsiders just now and it made him feel very good.

When Feng Qing left the Xie Manor, he had received Xie Qi’s report and had paid close attention. He had guessed Feng Qing’s purpose in going to the Feng family. Feng Qing would have nothing to worry about with him protecting her!

...

In the Feng family’s villa.

“Qingqing, who’s your husband?” Fu Anlan was extremely curious.

Feng Qing pocketed her phone and said coldly, “Madam Fu, don’t you think you’re interfering too much? What has my husband’s identity got to do with you? When he sends the money over, we’ll be passers-by from now on.”

“Hmph, your husband is of the same caliber as you. How could he brag about something like this? Do you think that’s five billion hell coins that you can take out just because you want to?” Feng Yuanzhou still didn’t believe it. “I’ll give you a month. If you really gather five billion, we’ll admit defeat even if we have to sever ties.”

Feng Qing said indifferently, "My husband said that he'll get someone to send the money over in a while. To my understanding of him, it wouldn't exceed half an hour."

Feng Yuanzhou and Fu Anlan were shocked. They looked at Feng Qing in shock. Even Raymond was a little surprised as he watched the show with interest. As the richest man in Country F, he didn't dare to say that he could gather five billion in half an hour. Even if he had so much money, the bank would need time to allocate it. Coupled with the journey here, how could he send five billion in such a short time?

After a short shock, Feng Yuanzhou said disdainfully, "Since you said that it can be delivered in half an hour, we'll wait for thirty minutes to see if you're bluffing." As he spoke, he suddenly felt something flash. Hence, he couldn't help but look up to the second floor and saw Feng Jianing taking videos of them with her phone.

"Feng Jianing, what are you doing?" Feng Yuanzhou glared and went up to the second floor.

Seeing that she was discovered, Feng Jianing's reaction was extremely fast. "I... I want to take a video as evidence so that Feng Qing won't go back on her words when the time comes. She was the one who willingly gave us five billion. We didn't force her."

"So the person who secretly took the video was Feng Jianing! No wonder she could be in the Feng residence. At first, I thought she was a servant."

"Tsk tsk, it's really difficult to guard against a thief in the family. Everyone says that one shouldn't air their dirty laundry in public. I didn't expect that Feng Jianing would even betray her family. It can be seen what her character is like."

"It turns out that Feng Jianing is behind all of this. Moreover, her live stream account is the founder of the marketing account. It feels a little interesting."

Feng Yuanzhou's words exposed the identity of the photographer. Instantly, the netizens started discussing. The comments criticized Feng Jianing to their hearts' content.

Feng Jianing was dumbfounded. The marketing account was under Fengming Entertainment, and there were about a few hundred thousand fans. She used this account to attract more people to watch Feng Qing break off the relationship with the Feng family. She didn't expect Feng Yuanzhou to sell her out.

"Yes, Jianing is smart. Since you've already recorded it, then it will be our witness. As long as Feng Qing can take out five billion yuan in cash, our entire family will sever all ties with her. From now on, our Feng family won't have a daughter like her.." Feng Yuanzhou said solemnly to his phone.
