The underground garage had a total of three floors. Xu Mingqian walked straight into the first floor. When the lights lit up, a whole garage of sports cars of all colors appeared in front of him, like a car exhibition.

Xu Mingqian walked towards the middle of the garage where a car was parked. Even in the garage, the car still has its cover on, which showed how much he cherished this car.

He took off the cover and looked at the Koenigsegg One. There were only six in the world. Back then, the factory price was 100 million, and the silver ghost car logo allowed it to obtain the title of 'Phantom'. It was Xu Mingqian's favorite among all sports cars.

"This should be cool enough, right?" Xu Mingqian said confidently.

...

Twenty minutes later, luxury sports cars arrived at the appointed place. When everyone was here, a gray car drove over from afar. The pleasant sound of the engine entered everyone's ears.

Everyone gasped, including Xie Shihao. This was a sports car that shocked them all.

"D*mn! Did I see wrongly? It's really a Koenigsegg One, that super sports car called Phantom."

“According to what I know, there are only six cars in the world. Five of them are imported to Xia country. The current price is more than 100 million.”

“I would be willing to die if I could have this car. It’s simply a dream car.”

Xie Shihao’s jaw was about to fall to the ground. There was one in the Xie Manor. When they first went on the market, Xie Jiuhan had shipped one back from the factory. Xie Jiuhan had only driven it once and had parked it in the garage. Xie Shihao was envious and had wanted to borrow it a few times, but he was rejected. In front of cars and women, Xie Jiuhan would never share it with anyone.

The Koenigsegg One stopped in front of everyone. The car window slowly rolled down, revealing a calm face. Seeing the person in the car, Xie Shihao couldn’t help but cry out in surprise, “F*ck, why is it you?!”

Xu Mingqian ignored his fuss and asked, “Is everyone here?”

Xie Shihao’s face flushed red as he asked, “Xu, you can even borrow this car. How f*cking awesome. Can you tell me where you borrowed it from?”

Xu Mingqian said coldly, “The car owner asked me to keep it a secret.”

Xie Shihao asked, “Shall we swap places and let me experience it?”

Xu Mingqian shook his head. “No!”

Xie Shihao smiled bitterly. “What kind of friend is your friend lacking? I’ll be able to satisfy him as long as he can say it.”

Gu Qingye glanced at Xu Mingqian and the Koenigsegg One. His face was expressionless, and no one could tell what he was thinking. Xie Shihao walked around the Koenigsegg One and touched it from time to time. He was so excited. This car was definitely a super modern sports car. Be it its appearance, interior design, or its own performance, it was the best configuration. Anyone who liked cars would be fans of it.

“Stop looking and let’s leave quickly,” Xu Mingqian said unhappily.

Xie Shihao nodded and touched the Koenigsegg One again reluctantly. Then, he returned to his car. His eyes were filled with jealousy as he looked at Xu Mingqian driving such a godly car. In his opinion, it was already amazing that Xu Mingqian could borrow a million-dollar sports car. He didn’t expect that Xu Mingqian was the most beautiful boy on the entire street.

A few minutes later, the convoy started under Xie Shihao’s lead. Xu Mingqian and Gu Qingye ran on both sides of Xie Shihao. The three of them formed a triangle and drove forward. The other young masters of the wealthy families followed behind them like a marching army.

“Wow, what’s going on? So many sports cars are mobilized. What happened in the Capital?”

“It’s too cool! Do you see the car in front? It looks like the legendary Koenigsegg One. But why isn’t it the lead car but following behind the Lamborghini?”

“Tsk tsk, this lineup is so freaking luxurious. The cheapest sports car here costs more than a million. It looks like the young masters of the Capital are really arrogant. Ordinary people like us can only watch.”

As the convoy traveled, the surrounding crowd was discussing. Some people hated the rich, some were envious, and some even took photos. Xie Shihao enjoyed this feeling very much and instructed the convoy to change their formation from time to time.

Feng Yuanzhou looked at his watch from time to time. It had already been 28 minutes.. Seeing that it was almost 30 minutes, he actually felt like years had passed.
