Just as the experts of the operations team were trying their best to persuade him but to no avail, Feng Jianing walked down from the second floor. “Dad, the Ninth Master is here!”

Feng Yuanzhou was in a fit of anger. He raised his eyebrows. “Ninth Master? What Ninth Master?”

Feng Jianing walked up to him and showed him her phone. “There’s a live broadcast outside the villa. It says that the Ninth Master of the Xie family is here to watch the fun.”

“Ninth, Ninth Master? The Ninth Master of the Xie Manor? He’s actually here too?!” Feng Yuanzhou came back to his senses and looked excited. He spun around on the spot and said, “Since Ninth Master came to our Feng family, we should go out and welcome him. We can’t neglect this master.” Before he could finish speaking, Feng Yuanzhou walked out. He only had five billion in his mind just now. Now that he knew that Xie Jiuhan had come to the villa personally, he couldn’t care less about five billion.

“Dad, you’d better not go out. The Ninth Master shouldn’t be here to look for us. The host just said that the Ninth Master is here to wait for the God of Thieves, Phantom.” Feng Jianing pulled Feng Yuanzhou back.

Feng Yuanzhou was slightly stunned before he understood. He frowned and said, “Jianing, why do you think the Ninth Master came? Could it be that he has a grudge with the God of Thieves, Phantom?”

Feng Jianing's face turned red. She lowered her voice and said, "Dad, if I didn't guess wrong, Ninth Master came for me. Although I'm not sure, I keep feeling that he seems to be interested in me. Otherwise, why would he come to the Feng family to catch some thief instead of going back to sleep at night?"

"You mean... Ninth Master specially came to arrest the God of Thieves to help our family keep our money? And he did all of this to please you?" Feng Yuanzhou became more and more agitated as he spoke.

It was only at this moment that he realized that Feng Jianing had dressed up again. Not only was she dressed fashionably and gorgeously, but her makeup was also exquisite and good-looking. She had even washed her hair and was even wearing the latest perfume developed by the Feng family.

Looking at Feng Jianing, who was wearing heavy makeup, Feng Yuanzhou still couldn't believe it. "Are you sure the Ninth Master really came for you? With his status, would he like you?"

Feng Jianing : "..."

Feng Yuanzhou's words made her aura deflate. How was she supposed to answer this? She admitted that she wasn't as stunning as Feng Qing, but her looks and figure were still not bad. At least, she could live up to the word beauty.

If not for Xie Jiuhan's arrival tonight, she would not have been able to confirm this matter. However, Xie Jiuhan had personally brought people here. Coupled with the previous situation, she was basically certain that Xie Jiuhan was interested in her. Otherwise, she really could not find any reason. It was not that she had never thought of Feng Qing, but Feng Qing had already severed all ties with the Feng family and was no longer staying in the Feng family. Therefore, if Xie Jiuhan wanted to look for Feng Qing, it was impossible for him to come here. Therefore, there was only one answer. Xie Jiuhan was here for her!

“Dad, I’ll go out and talk to the Ninth Master. He has already done so much, so I can’t be too reserved. It’s time to talk it out,” Feng Jianing said.

Feng Yuanzhou hesitated and said, “Why don’t I go with you? After all, I’m the head of the family. Don’t let the Ninth Master mistake our Feng family for being rude and only send you, a junior, to entertain him.”

“Let’s forget it. The Ninth Master didn’t come in directly, which means that he doesn’t want to meet the parents yet, so it’s best if I go and meet him. Moreover, if you’re around, it’s not convenient for us to talk.” Feng Jianing retorted. With that, she did not care if Feng Yuanzhou agreed or not and walked straight towards the door. However, after taking a few steps, she walked back with a look of hesitation.

“What’s wrong?” Feng Yuanzhou was puzzled.

Feng Jianing’s face turned red. “Dad, if the Ninth Master invites me to spend the night at the Xie Manor, I won’t be back tonight.”

Feng Yuanzhou’s breathing paused, and his heart inexplicably sped up a few beats. He naturally understood what Feng Jianing meant. If it was really as Feng Jianing said, then it would simply be like smoke rising from the Feng family’s ancestral grave. As a father, he couldn’t ask for more.

Just think about it, becoming the father-in-law of the Xie family in the Capital was no longer a matter of money, but a symbol of status and status. He could definitely do whatever he wanted in the Capital in the future.

Looking at the shy Feng Jianing, Feng Yuanzhou’s mood was great. He felt that today was the day the Feng family would soar into the sky. “Jianing, Ninth Master is a dragon and phoenix among men. It’s your good fortune to be liked by him in a few lifetimes.. You must grasp the opportunity.”
