“Mr. Feng, it’s getting late. You should go back to your room and rest. Since it has already happened, we can only face it.” The leader of the operations team persuaded him.

Feng Yuanzhou pushed away the two members of the operations team who wanted to support him and shouted in exasperation, “Sleep your head! Five billion! My five billion was stolen away just like that, and you guys didn’t even catch a ghost. What Capital Operations Team, what guardian angel? I think you guys are pigs raised by the country. You guys took from us but did not do your job! When the morning comes, I’ll immediately go to your superior and sue you!”

“Mr. Feng, please calm down first. We can understand your feelings.” The leader of operations held his temper and comforted him.

As the leader of the Capital Police Operations Team, he could not do the job without a temper. However, today’s matter was indeed cowardly. They had so many people around and still lost five billion. He really could not understand how God of Thieves, Phantom, did it.

“Calm your head! Talking is cheap. Five billion isn’t yours, so of course you don’t feel sorry for it. This is money that you won’t be able to earn in a few lifetimes.” Feng Yuanzhou flew into a rage and was hysterical. He didn’t care even if his throat was hoarse.

The veins on the leader of the operations team jumped violently. He clenched his fists tightly and had already endured to the limit. He wished he could give Feng Yuanzhou a few punches and make him shut his mouth obediently.

“Look, it’s the container!” Suddenly, someone shouted.

Everyone turned around and looked at the place where they had heard the container. To their surprise, the huge container that had disappeared appeared again.

Shocking! Shocking!

When the container reappeared, everyone was dumbfounded. They felt like a cold wind was drilling into their bones. They had regained what they had lost. It was too strange for such a huge container to come and go silently.

Feng Yuanzhou was first stunned before he cried tears of joy. His legs went weak and he fell to the ground. He and Fu Anlan scrambled to hug the container.

“Ha, hahaha, it’s back. My five billion is back.” Feng Yuanzhou laughed and cried, looking like he was about to go crazy.

The leader of the operations team walked over and saw that the opened container had already been closed. “Mr. Feng, you want to calm down. It’s a good thing that the thing is back, but it’s more important to confirm whether the money is still in it.” His intuition told him that this matter wasn’t so simple. Disappearing out of thin air and appearing out of thin air, he wouldn’t believe it even if he was beaten to death.

Feng Yuanzhou was stunned. He hurriedly entered the password in the container. When Feng Qing entered the password just now, he remembered it clearly.

“Two, five, zero, two, five, zero,” Feng Yuanzhou mumbled and finished typing the password. Then, the container opened. He and Fu Anlan each pulled open a thick iron door.

The next second, the Feng couple was collectively petrified at the entrance of the container. They stared at the empty container and felt that all the blood in their bodies was about to freeze.

“Where’s the money?” Feng Yuanzhou’s mind was blank.

The cash that was about to overflow when the door was opened was now not even a cent left. The entire container was so empty that even the sound of breathing could be heard.

Feng Yuanzhou rushed into the container and touched it with red eyes. He knocked on it as if he was looking for a treasure, but no matter how he looked, he couldn’t find a single cent.

“My money, my five billion, I...” Feng Yuanzhou seemed to have gone crazy. His ten fingers dug into the wall of the container until blood oozed out. Even if he was unwilling to admit it, he had to face reality.

The money in the container disappeared. Feng Yuanzhou’s eyes darkened as he fell straight into the container. He went from heaven to hell, then back to heaven, and then fell into hell again. The drastic difference caused Feng Yuanzhou’s spirit to completely collapse.

Seeing him fall to the ground with a blue face, Fu Anlan couldn’t care less about five billion anymore. She hurriedly pounced on him and shouted, “Yuanzhou, what’s wrong with you? Wake up. Don’t scare me!”

Fortunately, with the help of the leader of operations, they quickly called for an ambulance. Fu Anlan was busy taking care of Feng Yuanzhou and forgot about Feng Jianing.. As for Feng Jianing, she’s still in the Internet celebrities’ encirclement.
