

The Wife I Picked Up Is Too Chapter Chapter 358

Chapter 358: School Discussion

Translator: Henyee Translations Editor: Henyee Translations

The next day, Capital University.

“I heard from them that the God of Thieves, Phantom, showed off again yesterday. A person stole five billion yuan from the Feng family. What’s even stranger is that the container that was originally filled with money disappeared into thin air and reappeared shortly after. Don’t you think it’s amazing?”

“The world is huge, and there are too many capable people. It’s unbelievable that he could quietly steal five billion yuan in cash under the eyes of the police and Ninth Master.”

“No way, it’s so unbelievable. I feel that God of Thieves, Phantom, really knows magic and spells. Otherwise, how could he hide it from everyone?”

“Oh my god, I can’t imagine how the Feng family will feel when five billion is gone just like that.”

“I don’t know how the Feng family is feeling, but Feng Jianing’s mood definitely isn’t good. I heard that the commotion she caused last night wasn’t much smaller than the God of Thieves, Phantom.”

Feng Qing could hear her classmates discussing excitedly what happened last night even from far away from the classroom.

As soon as she stepped into the classroom, her classmates surrounded her and asked.

“Qingqing, we all watched the live broadcast of you cutting ties with the Feng family yesterday. You’re too cool. You got married before you graduated.”

“The point is, your husband is too good. Without a word, he directly shipped five billion yuan in cash. I wonder if your husband has any brothers? The kind that’s not married...”

“You should have heard about the God of Thieves, Phantom, stealing five billion, right? I don’t know what you think, but that’s five billion. If you had known earlier, would you have done that?”

Feng Qing sat on her seat. Her classmates were chattering and surrounding her. Many people looked at her with admiration. They had all seen the live broadcast yesterday. Feng Qing dared to sever her relationship with her parents and could even take out so much money. This was not something they could compare to.

“My thoughts are very simple. God of Thieves Phantom did a good job!” Feng Qing smiled.

A female student who usually didn’t speak much asked, “Good job, Qingqing! You’re very brave and strong. It’s the right choice to sever ties with those parents. I personally agree with you.”

“Tsk tsk, they’re both daughters of the Feng family. Feng Jianing is simply incomparable to you. The difference in personality is too great.” The student councilor in the class said.

Another talkative student said, “There are still such parents in the world. If I didn’t see it with my own eyes yesterday, I wouldn’t have believed it. They haven’t done their duty as parents, but they only want to suck blood from their children. It’s too scary.”

Hearing that someone was comparing her with Feng Jianing, a cold smile appeared on Feng Qing’s lips. After returning to the Xie Manor last night, she found out about Feng Jianing’s encounter through the tablet.

“Shameless! Feng Jianing wore revealing clothes late at night just to seduce the Capital’s King.” Until now, the number one trending topic on Weibo was still occupied by Feng Jianing.

Feng Qing even went in to take a look at the comments. After the incident in Zhe City last time, the netizens were no longer polite to Feng Jianing. Their words were filled with sarcasm and slander.

The piano princess? I think it’s the shame of Capital University!”

“It’s already happened twice where Feng Jianing is naked and flirting outside in the middle of the night. Even if she doesn’t seduce anyone, her nasty behavior will seriously affect society.”

“Capital University’s talented girl? The flower bud in the entertainment industry? I think she’s just a slut. She knows that he’s already married, but she still wants to get involved. Bah!”

When she woke up in the morning, Feng Qing even showed Xie Jiuhan the video of Feng Jianing being naked. However, Xie Jiuhan closed his eyes and let her take her phone away.

“She tried her best to seduce you. How could you not like it?” Feng Qing asked.

Xie Jiuhan glared at her coldly. “Lass, are you challenging me?”

After that, the man transformed into a cheetah and pressed her onto the bed. The two of them exercised until there was still half an hour before class started before the man let go of her. Throughout the entire time, Xie Jiuhan did not say a word about Feng Jianing.. Feng Qing knew that some people’s names were not worthy to be said by him.
