"I went on a date with Little Jiu Jiu because I wanted to go to the cinema, shopping, and playing video games like ordinary couples. Forget it... If we appear in public together, it will definitely cause a commotion." As she spoke, Feng Qing's tone weakened.

Xie Jiuhan opened his arms and pulled her into his arms. His voice was filled with magnetism as he said, "It's fine. As long as you like it, I will do it for you."

...

Half an hour later, at the Capital's Taihe Shopping Center.

Xie Jiuhan and Feng Qing appeared. The two of them held each other's arms and smiled at each other. They were still wearing masks. Not many people knew Xie Jiuhan, but too many people knew Feng Qing, so they had to be covered.

To their surprise, even though they were covered from head to toe, many people were still staring at Feng Qing. Occasionally, a few people would pass by and mutter, "Eh, look at that woman. Doesn't she look like the Siren Goddess?"

Helpless, the two of them entered a bespectacled shop. Feng Qing simply bought a large pair of sunglasses and wore them on her face. It would be troublesome if she was really recognized.

On the fifth floor of the shopping center, in the movie theater.

“Hehe, I’ve finished buying the tickets. This is the first time I’ve seen a movie in the mall.” Holding the two tickets, Feng Qing was both excited and nervous.

Xie Jiuhan was puzzled. “Have you never seen a movie before?”

“Of course I’ve seen it. When I was young on every major holiday, someone would put a movie under the big pagoda tree in the village,” Feng Qing said.

Xie Jiuhan nodded. Looking at the expectant Feng Qing, his lips curled up. He was sure that the woman was excited again.

Ten minutes later, they checked their tickets and entered the couple hall. As they were here at the last minute, there were no good seats, so they sat down on the right side of the last row.

After a few advertisements, the lights in the movie theater went out and the huge screen lit up. Only then did Feng Qing take off her sunglasses and mask. Xie Jiuhan even handed over the popcorn and beverage. However, Feng Qing did not take them. Instead, she grabbed the popcorn from the bucket and ate it. Fortunately, Feng Qing did not eat it alone and would feed the man two popcorn from time to time.

The movie started and the first scene was the blue sea on the beach. Then, the scene changed and a man was walking on the beach. Other than a pair of swimming trunks, he was not wearing anything.

The next second, Feng Qing felt her vision turn black. She stopped chewing her popcorn and looked at Xie Jiuhan strangely. The man’s large hand was right in front of her eyes.

“Little Jiu Jiu, what are you doing?” Feng Qing frowned slightly.

Xie Jiuhan said coldly, "You're not allowed to look at other men's abs. I have everything that he has. I still have everything that he doesn't. If you want to look at abs, you can only look at mine."

Feng Qing : "..."

She felt speechless. She would never have dreamed that a man could be jealous because of this. Could his horoscope be Jealous? However, she could understand. After all, the male lead of the movie was the civilized Lord Iron. He had beautiful muscles and a passionate smile that could mesmerize countless women.

"Little Jiu Jiu's figure is indeed better than his, but his buttocks are indeed slightly perkier than yours." Feng Qing smiled gorgeously.

Xie Jiuhan : "..."

In an instant, hundreds of plans to kill the male lead flashed across his mind. He was just a movie star so he was just an ant in his eyes.

Without the man showing off his abs, Xie Jiuhan and Feng Qing watched it together. Feng Qing watched it with relish as she ate. Xie Jiuhan was obviously not interested. His attention was on Feng Qing. He looked at her from time to time, not even knowing the movie's plot.

With the impassioned accompaniment music, the movie reached its climax. The male lead was killing everyone. He had played with the two pistols to perfection. Feng Qing had only seen such a famous scene with her own eyes on Xie Jiuhan. She even wondered what would happen if Xie Jiuhan acted in this movie.

At this moment, Feng Qing felt a weight on her shoulder as something was pressing her down. She subconsciously turned around and saw Xie Jiuhan leaning his head on her shoulder, his breathing very uniform.

Feng Qing : "..."

She never expected that Xie Jiuhan would fall asleep watching such an exciting foreign movie. Moreover, there were consecutive explosions and intense gunshots.. Not only was the man asleep, but he was also sleeping especially soundly.
