As the loading screen ended, 'Arrogant Three Year Old Sis' continued to bring the two rookies to conquer the game. Xie Shihao bought the equipment and followed behind the God to collect the heads and gain experience.

Just as he was playing enthusiastically, he suddenly felt a cold air hit him. Instantly, his back felt a little numb. The feeling of falling into an ice cave caused him to make mistakes in his game play. In the team battle, he did not even hit the enemy with a single skill and was even mocked mercilessly by his teammates. Fortunately, 'Arrogant Three Year Old Sis' carried the whole time. Although he performed abnormally, 'Arrogant Three Year Old Sis' still led them to victory.

After returning to the gaming hall, Xie Shihao couldn't hold it in anymore. He raised his head and looked at Xie Jiuhan. "Little, Little Uncle, I really can't perform well when you're watching me play."

Xie Jiuhan did not speak. He only looked at him coldly. His condescending and cold gaze seemed to be able to see through his thoughts.

"Little Uncle, did you watch me for so long because you wanted to play too?" Xie Shihao braced himself and said, "If you want to play too, I can bring you along with Qingye. With our strength, we can definitely protect you."

Hearing that he was going to bring him along, a mocking smile appeared on Xie Jiuhan's lips. "Xiao Hao, you're too lousy. When you go out in the future, don't say that you're my nephew."

Xie Shihao : "..."

When Gu Qingye heard this, he immediately laughed and nodded in agreement. He felt that Xie Jiuhan had spoken his thoughts.

"Little Uncle, your words aren't hurtful, but they're extremely insulting. Although I'm terrible at playing, there's still a lot of room for improvement in my skills. As long as I play with experts more, I'll become one very soon." Xie Shihao protested with a red face.

Xie Jiuhan pursed his lips and snatched Xie Shihao's phone away. He immediately started the fifth match. His dazzling actions stunned Xie Shihao and Gu Qingye.

At the same time, 'Arrogant Three Year Old Sis' typed arrogantly on the public screen, "Yo, little rookie, are you on steroids? Why did you change your style of playing? This technique is still not bad!"

Xie Jiuhan snorted coldly, as if he despised his teammates' praise. He continued playing with his phone. Under his and 'Arrogant Three Year Old Sis' lead, this match only took ten minutes before the five opponents surrendered.

"Little Uncle, aren't you too good at playing games?" Xie Shihao's eyes were filled with stars as he transformed into a little fan.

Xie Jiuhan looked at the results and threw his phone to Xie Shihao. He commented, "Other than that 'Arrogant Three Year Old Sis', the two of you are purely noob but likes to play."

Although they were insulted again, Xie Shihao and Gu Qingye were not angry at all. The two of them looked at Xie Jiuhan and wished they could worship him. What did this man not know?

Xie Shihao said lowly, "Little Uncle, do you want to increase the difficulty? The two of us will definitely satisfy you..."

Xie Jiuhan did not even look at him as he spat out coldly, "Get lost!"

Just as Xie Shihao and Gu Qingye were begging the big shot to show off, the judging for the second match was finally completed. Everyone looked at the judges' seats and waited for the final result to be announced.

"Ah... choo!" In the judges' seats, Su Yu turned around and sneezed. He had been sneezing from the start of the competition until now. Even his white eyes were red.

Seeing that Xie Jiuhan, who was sitting in the last row, looked at him, Su Yu covered his nose and nodded at him. Then, he blinked and gave his boss a 'don't worry' look. Why did Xie Jiuhan ask him to be a special guest judge? He knew very well. In the two consecutive rounds, he had given Feng Jianing one point and ten points for Feng Qing.

"I believe everyone is already very anxious from waiting. The organizing committee is currently carrying out the final score statistics. The final results will be announced immediately. According to the rules of this year's competition, the competition will adopt a distribution system. One of the highest scores and one of the lowest scores will be removed from the judges' scoring. The remaining two rounds of points will be the final score for the contestants." The host controlled the atmosphere and explained the evaluation criteria before the results were announced.
