Duke Raymond raised his eyebrows. He wasn't angry at the man's rudeness, but because the voice was familiar to him. It was hoarse, low, and had a magnetic quality to it. He was sure he had heard it somewhere before.

Feng Qing did not speak and only nodded. She leaned into Xie Jiuhan's arms and walked out. The two of them were intimate like a couple in love.

"Qingqing, see you in Country F!" Duke Raymond's chuckle sounded from behind them.

Feng Qing subconsciously turned back to look at Raymond, but the man forced her head back with his large hand domineeringly, not letting her look.

Enemies often crossed each other's paths. Just as they walked out of the venue, they bumped into the Feng family. Feng Yuanzhou and Fu Anlan size up Xie Jiuhan curiously, as if they were visiting some strange wild animal.

Fu Anlan couldn't help but ask, "Qingqing, is he your husband?"

Feng Qing ignored Fu Anlan. She pulled Xie Jiuhan and sped up. She had nothing to say to this family and was extremely sick of them. Just looking at them made her extremely disgusted.

However, Fu Anlan stopped them and said unhappily, “Qingqing, I’m your elder after all. Don’t you think it’s too much to treat us with such an attitude? No matter how ugly your husband is, he will have to meet us sooner or later. Why don’t you take this opportunity to take off his mask and let us get to know each other?”

Hearing this, Feng Qing stopped and sneered. “Madam Fu, are you stupid? I don’t think I have anything to do with your Feng family anymore, much less you. Moreover, he’s my husband. I like him regardless of his looks. What has it got to do with you?”

Fu Anlan’s expression turned cold as she scolded coldly, “Qingqing, you’re a student from Capital University after all. Why are your words so disgraceful?”

Feng Qing said calmly, “Madam Fu, I’ll say this again. I’ve already given you five billion back to the Feng family and completely severed our ties. To me, you’re an unfamiliar aunt now. The entire Internet can testify to this. If you forget, go online and take a look.”

All these years, the Feng family’s actions had forced her into the abyss time and time again. Until last time at the Feng family’s villa, her last fantasy of the Feng family had been completely destroyed. In order to get rid of the Feng family, she would rather give up this name than have anything to do with them again.

Fu Anlan’s expression was ugly. The last time at the Feng family’s villa, Feng Jianing was the one who secretly recorded the video. To be precise, Feng Jianing was the one who broadcasted it live. It simply made their Feng family’s reputation notorious. She didn’t say it, but she hated Feng Jianing’s actions in her heart. It made the Feng family’s scandal known throughout the city and they had lost all their reputation.

“Qingqing, it was your father who said those words to you in a fit of anger that day. Don’t take it seriously.” Fu Anlan explained, “Besides, you were the one who said those cold words first. Your father and I agreed to you in a fit of anger.”

Hearing Fu Anlan’s words, Feng Qing’s lips curled up slightly. The coldness in her eyes couldn’t be stopped. She knew that Fu Anlan would say this one day.

“Qingqing, I gave birth to you after ten months of pregnancy. Blood is thicker than water in our family. No matter what happens, you’ll always be my daughter. How can I not want you?” Fu Anlan continued playing the emotional card.

Feng Qing sneered. “Madam Fu, don’t you think it’s ridiculous to say this now? I gave a total of five billion yuan to your Feng family, and our relationship has already ended. From now on, we’re no longer family and have nothing to do with each other. Please don’t pester me anymore.”

Fu Anlan was rendered speechless. Feng Yuanzhou, who was beside her, said, “Qingqing, you gave us five billion, but as soon as you left, that five billion was stolen. This means that we didn’t get five billion. How can we be considered to have severed ties?”

At this point, Feng Yuanzhou paused and looked at Fu Anlan.. He could see greed in her eyes.
