The sound of bones being crushed didn't stop and Fu Anlan's tears fell.

"Please, let go of him quickly. Yes, we were wrong..." Fu Anlan begged. "Qingqing, no matter how wrong your parents are, we're still a family. Hurry up and persuade your husband to let go."

The corners of Feng Qing's lips curled up as she praised, "Hubby, you're really a true man!"

Xie Jiuhan chuckled as if he had done something insignificant. However, he enjoyed Feng Qing's praise and felt much better.

Seeing that not only did Feng Qing not help, but she also praised her man, Fu Anlan was so angry that she almost vomited blood. Finally, the commotion here alarmed the security personnel.

"Oh my god, you're finally here. This person is a violent person who publicly hits people. Hurry up and arrest him!" Seeing the security personnel, Fu Anlan seemed to have found a backer and immediately became ostentatious.

With that, she didn't forget to look at Feng Qing and said hatefully, "Qingqing, we raised you in vain. You actually watched your man attack your father. Send him to the police station, you stay behind to accompany us to the hospital. You're responsible for all the medical expenses and mental damage."

More than twenty security personnel came to Xie Jiuhan's side. Fu Anlan waited for them to catch Xie Jiuhan, but they didn't move their fingers after a long time.

At the same time, Feng Yuanzhou had already fainted from the pain. His right index finger was severely deformed, and his right wrist had a bone fracture. In just a few minutes of intense pain, his fragile nerves had finally collapsed.

Xie Jiuhan released his grip and Feng Yuanzhou fell to the ground like broken glass shards. He was completely unconscious with a pale face and purple lips.

A security guard ran to Xie Jiuhan and took out a disinfectant wet wipe from his pocket. He handed it to the man respectfully.

"What are you waiting for? Beat him up," Xie Jiuhan said as he wiped his hands.

The security guards responded in unison and surrounded Fu Anlan and Feng Yuanzhou. Xie Jiuhan threw away the wet wipe and instructed, "That woman pointed at me just now. Use her own hand to slap her face until it's swollen."

Looking at the aggressive security guards, Fu Anlan shouted fiercely, "How dare you! We're from the Feng family in the Capital. You bunch of security guards, I'll make you pay if anyone dares to touch a finger of mine!"

Pa! Before she could finish her sentence, she heard a slap. Fu Anlan's words were slapped back in her stomach by a security guard.

Fu Anlan was stunned by the slap. Before she could regain her senses, she was slapped again. His rough and strong hand slapped her greasy face rhythmically. In a few hits, her eyes darkened and she felt dizzy.

Xie Jiuhan hugged Feng Qing and left as if nothing had happened. No one looked at Fu Anlan and Feng Yuanzhou again.

“Aren’t you angry that I asked someone to hit them?” The man asked not far away.

Feng Qing shook her head and smiled. “Of course not! I’ve been bullied by the Feng family for so many years. I’ve finally vented my anger today.”

Xie Jiuhan had already given her respect by asking someone to beat them up. If not for her feelings, the Feng couple would have long become two corpses. Who were they to dare to point a finger at the Ninth Master?

“Little Jiu Jiu, I don’t have a maiden family anymore. In this world, you’re the only family I have.” Feng Qing held the man’s arm and said sweetly.

Xie Jiuhan lowered his head to look at her. He could see endless tenderness in her large black eyes. Xie Jiuhan curled his lips. “I don’t have parents either, but it’s enough for me to have you.”

A thick look of happiness rose on Feng Qing’s pretty face. The man said the most moving words of love in the coldest voice. The man was right. Both of them were without close relatives. To them, it was enough to just have each other.

Xie Jiuhan did not hold back at all when it came to Feng Qing. In the past, he was the demon in the abyss and a lonely existence. Now, he had this girl, which made him no longer lonely.. It made him feel like he had the entire world.
