At that moment, Cao Beining sent Fu Anlan a message. "Auntie, I've already found Jianing. She's fine. I'll comfort her. We'll pick you up in the hospital."

A few minutes later, Feng Yuanzhou and Fu Anlan stood at the entrance of the hospital and watched the emergency doctor treat a donkey that had fallen to the ground with a stethoscope. The hospital will not treat them, so they could only stand by the side of the road and wait for Feng Jianing and their son-in-law, Cao Beining.

...

On a street somewhere in the Hexagon World Trade City.

"Jianing, you disappoint me!" Cao Beining sat in the driver's seat and lit a cigarette. "The entire family hopes that you can achieve good results in the International Fragrance Competition so that our families can welcome a second spring. But what did you do? Not only did you not win the championship, but you also embarrassed yourself in public. Our three million was completely wasted. Now, let alone selling the two bottles of perfume you made, no one wants it even if you give it away for free."

Cao Beining's voice was very cold, and there was a hint of alienation in his tone. When he spoke, he turned his head out of the window the entire time. He didn't even look at Feng Jianing, who was sitting in the front passenger seat. As for Feng Jianing, she just kept wiping her tears and looked like a tear-stained beauty.

“I’ve already discussed it with my family just now. Our Cao family has decided to chase back the investment we invested in your Feng family, including the money we’ve spent on you all these years. I’ll specially go to Feng’s villa to settle it with you later. I hope you can return the 1.5 million to me now that I spent for you today.” Towards the end, Cao Beining did not hide it and directly revealed his cards.

He already hated Feng Jianing to the extreme. He was disappointed in her again and again and invested in her again and again, but what he got in return was humiliation again and again. If not for the fact that he was relatively short on money recently and wanted to get back all the 1.5 million today, he wouldn’t have come to look for Feng Jianing even if she begged him on her knees.

Feng Jianing stopped crying and looked at Cao Beining nervously. She choked on her tears and said, “Beining, do you not want me anymore? Don’t forget, we are engaged. Besides, I had been grievously wronged in this competition. They must have been bewitched by someone else, that’s why they disqualified me from being the champion.”

Cao Beining flicked the cigarette butt away and turned to look at Feng Jianing. He was about to make things clear with her, but before he could open his mouth, Feng Jianing kissed him.

“Oh... you...” Cao Beining frowned. Feng Jianing’s fragrant kiss didn’t make him feel comfortable. Instead, he felt irritated. Hence, he subconsciously wanted to push her away. Coincidentally, Feng Jianing’s small chest puffed out forcefully. Cao Beining pressed his two large hands on Feng Jianing’s chest. The soft touch made his entire body tingle.

As Feng Jianing kissed him passionately, she said in a gentle and charming voice, “Beining, I love you. I can’t live without you. I’ve long treated myself as your woman. Can you not leave me?”

Cao Beining extinguished the car. After pulling the hand brake, he flipped over and pressed against Feng Jianing. They had been together for so many years, but he couldn’t be intimate with Feng Jianing. Today, she took the initiative to throw herself into his arms, so Cao Beining naturally wouldn’t reject her.

Hmph, she’s indeed a slut! Cao Beining’s hands did not stop moving, but he cursed inwardly.

In the past, Feng Jianing's character profile was that of a youthful maiden. She was the piano princess of Capital University and was a talented girl that everyone was envious of. He thought that Feng Jianing's nature was like this. However, during this period of time, Feng Jianing's naked appearance had been exposed time and time again. He could tell that this woman only looked innocent on the surface but was very passionate underneath.

After a fierce bite, Cao Beining fell into a state of confusion. He transformed into a wild beast and tore off Feng Jianing's clothes. He had wanted to sleep with Feng Jianing for a long time. Today, he had finally gotten what he wanted. No matter what Feng Jianing was thinking, it was a waste not to take advantage of a free gift. He would treat it as collecting some interest for his investments over the years.

...

The Feng couple stood at the entrance of the hospital. One of them had a swollen face that it's turning blue, while the other was sweating from the pain. As the cold wind blew, they looked forward to their daughter and son-in-law picking them up.. However, their thoughts were destined to be unrealistic.
