“Hmph, what do you know? In order to participate in the International Fragrance Competition, I’ve been taking leave recently and haven’t revised at all. Even if I didn’t do well, it’s very normal. If not for you, I wouldn’t have embarrassed myself in the Fragrance Competition and even lost the championship. Qingqing, I definitely won’t let you off.” Feng Jianing gritted her teeth.

The corners of Feng Qing’s mouth curled up into a cold smile. “If you don’t want others to know, don’t do it. You deserve all of this. You know very well how you treated me in the past. Those who have evil intentions towards me will definitely suffer retribution!”

Chief Tian turned around and said in a deep voice, “Both of you, keep quiet and don’t disturb other people’s exams!”

Feng Qing and Feng Jianing looked at each other and then turned their heads to the side. With Chief Tian suppressing them, no one spoke anymore. They went all the way to Chief Tian’s office and started the S-level examination paper.

However, after looking at the first question, Feng Jianing’s face turned pale. She held the pen for a long time and didn’t know how to calculate. As expected of an S-level question, it was really too difficult.

Chief Tian sat opposite them, holding a thermos and drinking wolfberry water. He stared at the two of them solemnly.

Feng Jianing's face turned paler and paler. A layer of cold sweat appeared on her forehead and nose tip. The examination had only started for ten minutes when her vision darkened and she fell to the ground like a deflated ball.

Chief Tian jumped in fright and hurriedly went forward to support her. "Student Feng Jianing, what's wrong with you?"

Seeing this scene, Feng Qing shook her head with a speechless expression. She could only stop answering the question and walk to Feng Jianing's side. She reached out and took her pulse on her wrist. Then, she picked up the pencil on the table and stabbed Feng Jianing's Tan Zhong acupoint.

"Ah..." Feng Jianing let out a scream like a pig being slaughtered.

"Alright, if you can't die, then get up and take the examination. You've already wasted five minutes. If you dare to pretend to be sick again, I don't mind stabbing a few more 'comfortable' acupuncture points. I guarantee that you won't have any illnesses after that." Feng Qing exposed her bluntly.

Feng Jianing retracted her confused gaze and glared at Feng Qing with an ugly expression. She didn't expect Feng Qing to be so ruthless that she actually dared to poke her with something. She initially wanted to pretend to faint and dodge the examination. That way, she would at most be able to do a supplementary examination. No matter what, it would be better than failing the examination. However, Feng Qing ruined her good plans again.

Chief Tian understood and his expression was a little ugly. The feeling of being played by Feng Jianing wasn't good. Looking carefully, he realized that Feng Jianing was refreshed and didn't look sick at all. However, when he went to help Feng Jianing up just now, he saw the messy kiss marks on Feng Jianing's collarbone through her collar. As an experienced person, he naturally knew what it meant.

Hmph, she's indeed not a good person. Chief Tian thought.

The previous two times, Feng Jianing had caused a huge commotion outside. He had naturally seen all those news. He had long guessed that Feng Jianing was only pure on the surface but was a slut deep down. The kiss marks on her collarbone confirmed his speculation.

“Chief Tian, don’t listen to her nonsense. I really wasn’t feeling well just now.” Feng Jianing braced herself and explained, even pretending to be bullied.

Chief Tian snorted coldly. “Alright, continue with the examination. Using your thoughts on the test is more useful than anything else. If you still feel uncomfortable, I’ll immediately get the school doctor to come and check you. If there’s nothing wrong, you can expect to lose your credits!”

Hearing that her credits would be deducted, Feng Jianing immediately cowered. Other than her examination results, her credits were also very important. She had been taking frequent leave of absence this semester, and her credits had long been depleted. If her credits were deducted again, she would probably really have to retain.

What scared her the most was still the body checkup. Her chest, back, and inner thigh were filled with Cao Beining’s forceful kiss marks. If the school doctor saw this, her image as a youthful beauty would completely collapse.

Feng Jianing picked up her pen with an ugly expression and continued with the examination. However, she was in despair. These questions were getting harder and harder. To her, they were simply beyond her level.

An hour later, under Chief Tian’s supervision, the two of them finished their examination. Feng Qing handed in her papers in the end, but Feng Jianing had long given up and handed in her papers thirty minutes in advance.

Looking at Feng Qing’s paper, Chief Tian could not help but ask, “Aren’t you going to check it once? I can give you ten more minutes.. After all, you have a bet with Chief Shen.”
