After a long time, the two of them finally separated. Feng Qing rubbed her

swollen lips and gently hammered the man's chest. "Idiot, my lips are red and

swollen. What if someone discovered it later?

The man did not speak. He rubbed her lips lovingly with his large hands. Feng

Qing stared at the man and teased, "President Xie, how did you learn to lie? You

actually said that you wanted to test my character? I want to see how you test

it."

"Hmph, the test is over. Student Feng Qing suits my taste very well," Xie Jiuhan

said softly.

Feng Qing:"

This man was still pretending to be innocent after he had taken advantage of

her. What did he mean by talking alone, testing her character? In the end, his

goal was not pure at all.

"Then didn't you say that you wanted to recruit me into the Xie Corporation?"

Feng Qing smiled.

The man said domineeringly, "of course!

I wonder what position President Xie intends for me to hold in the Xie

Corporation?" Feng Qing asked curiously.

The man's lips curled up as he gently pinched Feng Qing's sharp chin. The two

of them leaned close to each other and said, "Needless to say, you would

naturally be the wife of the president. This position can only recruit you and

only you can take it.

Feng Qing:

After all this, it turned out that the man had been teasing her. She thought that the Xie Corporation really had a suitable position for her. She was already the wife of the president, so why would she need to be hired?

“Hmph!” Feng Qing pouted and tilted her head to the side, pretending to be angry.

Xie Jiuhan leaned his mouth close to her ear and said in a charming voice,

“Dear Mrs. President, I have a big project to discuss with you now. It’s worth one billion. I wonder if you’re interested

“One billion? What project?” Hearing so much money, Feng Qing was instantly interested.

The man grabbed one of her kitten claws and placed it on his firm chest. The

hot and firm muscles instantly made Feng Qing blush. How could he be so

seductive? overwhelmed with desire, Feng Qing's breathing became heavier.

She felt like a kitten raised by Xie Jiuhuan. She liked this feeling more and more.

This was where the students usually used for their meetings, so it was a small

conference room. There were no windows in the first place, and one of the

lights was broken, so the room was a little dark. However, the more such an

environment was, the more it could make one's imagination run wild,

especially when the man led Feng Qing's cat claws to explore down his body.

The man licked his lips and stared at Feng Qing with desire. He enjoyed Feng

Qing's slightly red face, especially her nervous and uneasy expression.

"Lass, listen," the man said. Feng Qing's ears were itchy and numb as she

listened to his voice.

Feng Qing raised her eyebrows and her ears twitched. She concentrated on

listening to the commotion outside the door, but she did not notice anything

happening outside the door. Hence, she asked in confusion, "What?

"I can hear your heart beating wildly, and your face is so red," Xie Jiuhan said

evilly.

Feng Qing: ""

She knew that this man was asking her for an explanation again. In the past,

she had relied on her absolute hearing to know everything about the man's

emotions. Therefore, she had a deep impression of the man's special heartbeat

and breathing method.

So every time they made out, as long as she could tell that the man was

aroused, her emotions and expression would subconsciously change. After the

man found out about this, he liked to admire this change in her every time.

This feeling was like feeding a box of canned fish to his beloved kitten and admiring the process of the kitten licking its food.

She thought that the light in the room was dim and the man could not see the abnormality on her face. She did not expect that she would still be discovered.

Every time she breathed now, she could smell a mix of male hormones and a very special and elegant perfume. That was the perfume she had developed not long ago. She did not expect that the man would use it today. This perfume had a name that was charming enough, it was called 'Attraction'

Feng Qing felt her entire body soften and her consciousness become a little chaotic. However, the man kept grabbing her cat claws and exploring his body.

The man's other hand was also crazily 'caressing her.
