“Netherworld, thank you. If not for you just now, I would have fallen to the ground.” Feng Qing thanked him and reached out her hand to Netherworld.

Xing Yue raised his eyebrows. He felt awkward as he looked at Feng Qing’s hand. If he didn’t guess wrong, Netherworld would never shake hands with Feng Qing. Or rather, Netherworld would never shake hands with anyone. However, the next second, Netherworld grabbed Feng Qing’s hand and slapped Xing

Yue’s face with his actions.

Xing Yue looked at Netherworld with a strange expression. He felt that Netherworld had changed into a different person today, one that was different from the usual cold Netherworld.

Feng Qing smiled and shook hands with Netherworld. This man was wearing a leather glove. Someone like him would definitely not easily reveal his fingerprints outside.

Looking at the mysterious golden mask of Netherworld, Feng Qing retracted her hand and took out a few pieces of pink fruit candy from her pocket. She stuffed them into Netherworld’s hand. “This is my gratitude to you!”

Netherworld: “..”

Looking at the fruit candy in Netherworld’s hand, Xing Yue smiled and said, “Miss Feng Qing, you might not know, but I also like candy. Sweet food can make me secrete dopamine quickly and give me a blissful feeling.”

Feng Qing couldn't be stingy when he also wanted to eat and had even spoken about it. She placed her hand in her pocket and took out another handful. 'For you!' As she spoke, she held a bunch of fruit candy and handed it to Xing Yue. She had made these sweets when she was bored in the Xie Manor. She was

afraid that she would miss home when she came to participate in the competition this time, so she grabbed two full bags before she left.

Whoosh! Just as Xing Yue was about to raise his hand, a black shadow streaked across Feng Qing's hand. It was too fast. When they looked at Feng Qing's hand, the candies had already disappeared.

Feng Qing : "..."

Seeing that his fruit candies had been snatched, Xing Yue said unhappily, "Hey, Netherworld, those fruit candies were given to me by Miss Feng Qing. Didn't she give it to you just now?"

Netherworld ignored him and placed the fruit candies he had just snatched into his arms. Xing Yue was so angry that his nostrils were spewing fire, but he couldn't do anything about Netherworld.

'Oh, it's fine, Mr. Xing Yue. I still have some..' Feng Qing smiled and tried to smooth things over.

However, she did not expect that the fruit candies that she had just taken out were snatched away by Netherworld again. Feng Qing's pupils trembled. It could be said that she was not prepared the previous time, but just now, she was prepared. As long as Netherworld dared to snatch it, she would dodge.

However, what shocked her was that this instructor of hers was too fast, so fast that she did not even have time to react.

Even after snatching something that belongs to someone else, Netherworld looked as if it was the right thing to do and kept all the sweets away. Xing Yue was so angry that he stomped his feet. "Netherworld, you're too much. To think that I still treat you as a brother. Will you die if you give me a piece of

candy to eat?"

Netherworld replied coldly, 'If you want to eat, you can snatch it from my arms.'

Listening to Netherworld speak up close, Feng Qing was certain that his voice had been processed by the voice changer. He sounded like an old uncle.

Xing Yue: “.”

If he had the ability to steal candy from Netherworld's pocket, he wouldn't have become friends with Netherworld. After all, he was in the light, and Netherworld lived in the darkness.

Many years ago, the President's Manor gave him a mission, which was to capture Netherworld and bring him to justice. At that time, he was also very conceited, believing that there was no one in the world that he couldn't catch. However, after he fought with Netherworld, he realized that he couldn't beat

him at all. Netherworld even unintentionally saved him once. From then on, he changed his attitude towards Netherworld, and the two of them gradually became friends.

Netherworld found that Feng Qing's large, black, and shiny eyes were staring at him curiously. He woke up from his smugness of snatching the candy. Had he aroused her interest?

Hmph, Feng Qing, you've only left your husband for less than two days, but you're already interested in other men. Netherworld thought to himself.

Seeing that the Netherworld was emitting a strong cold aura again, Feng Qing was very puzzled. Why was this man so temperamental? Wasn't she just coaxing him with two handfuls of candies? Why was he suddenly unhappy? Feng Qing pouted in her heart.. If she had known earlier, she wouldn't have given

him fruit candy!
