Xing Yue grinned and teased, "Hey, let's negotiate. As long as you give me candy, I won't deliberately anger you."

He had known Netherworld for many years and had even chased after him before. But it was the first time he saw Netherworld angry. Xing Yue looked at Netherworld with a smile. Feng Qing had only called him 'Brother Xing Yue' a few times, but Netherworld was already so angry that he even pointed a

gun at his head.

The next second, Netherworld kept his gun. He had no intention of giving Xing Yue any candy. Xing Yue smiled bitterly. It looked like his threat had not worked.

Ignoring Xing Yue, Netherworld passed through the crowd and walked straight towards the place where the battle had happened. He wanted to investigate who these killers were.

Xing Yue crossed his arms in front of his chest and said smugly, "Tsk tsk, should I say it or not? Feng Qing calling me 'Brother Xing Yue' made me feel sweet from the bottom of my heart."

Netherworld's footsteps paused. He turned around and walked back to Xing Yue. Xing Yue looked at him strangely, not knowing what he was trying to do.

"No usage of guns, no usage of knives. Let's fight with our own hands!" Netherworld said.

Xing Yue:

Madam Mingxue was attacked and the hunting party was forced to be postponed. Under the escort of the bodyguards, she and Duke Raymond returned to the Duke's Manor safely. Before Feng Qing could return to the hotel, she heard the news on her phone.

For a time, the matter of Madam Mingxue being attacked caused a commotion throughout the city. Everyone knew that the entire Bali City had started to be cordoned off, and there were even more patrols on the streets.

Capra Hotel.

After returning to the hotel, Feng Qing changed into a set of clean clothes. Although she was not injured in the intense gun battle just now, her entire body was dirty. Her clothes even smelled of blood and pungent smoke.

After a quick shower, Feng Qing sat in front of the dressing table and blew her hair. At the same time, her phone rang. The ringtone this time was very special, and it even sounded a little terrifying. Her ears twitched, and she knew that the person who sent her the message was likely someone from A Dark

Organization.

Her phone was specially made. After her setting, different people would have different ringtones and vibration methods when they called or sent her messages. Ordinary people could not differentiate the difference, but was she an ordinary person?

Her slender fingers scratched the screen gently, and then Mr. Qing Er's voice floated out of the phone. "Little Qingqing, the latest news is that Duke Raymond just asked for help from A Dark Organization."

Feng Qing raised her brows. "Help?"

"That's right. According to Duke Raymond, he and Madam Mingxue had just returned to the Duke's Manor when Madam Mingxue had a relapse. I guess she was stimulated by the attack today." Mr. Qing Er explained.

Feng Qing came to a realization. “Her relapses are quite frequent. Is it very serious this time?”

“It should be very serious. I heard that Madam Mingxue fainted from the pain,” Mr. Qing Er said.

Feng Qing unplugged the hairdryer and said calmly, “Alright, alright, I understand. I’ll pack up and go straight to the Duke’s Manor.”

Just as she hung up the phone, the doorbell rang. Feng Qing ran her hair behind her back and went straight to open the door. In the end, a group of bodyguards from the Duke’s Manor stood at the door.

Seeing her open the door, the bodyguards bowed to her. One of the oldest bodyguards said, “Miss Feng Qing, we were sent by the Duke to protect you. The Duke has instructed that we will follow you closely during your time in Country F.”

The corners of Feng Qing’s lips curled up slightly as she nodded. “Then I’ll have to trouble you.” With that, she closed the door and smiled bitterly. Although Duke Raymond had good intentions, with these people following her, wasn’t it a little too inconvenient for her to go back and forth?

Of course, with her skills, it was not difficult for her to leave quietly. At most, she would fly out of the window. However, if the treatment of Madam Mingxue was longer than expected, the bodyguards at the door might be suspicious. At that time, if no one answered when they knocked, they would

probably barge into the room and she would be exposed.
