

## The Wife I Picked Up Is Too Chapter Chapter 581

### Chapter 581 Acquitted

The moment Feng Qing appeared at the entrance of the banquet hall, she immediately attracted the attention of all the guests. Everyone applauded and smiled at her, and Feng Qing walked into the banquet hall elegantly, as if she was the moon surrounded by stars.

The corners of Xing Yue's mouth were filled with a smile as he watched Feng Qing calmly greet everyone. This cute woman was really pleasing to the eye no matter how he looked at her. It was difficult to tell that she was not even twenty years old this year from her noble temperament and generous and appropriate behavior. If not for the fact that his cultural standards were limited, he would have immediately written a poem to praise Feng Qing.

Suddenly, Xing Yue seemed to have thought of something. He hurriedly turned to look at Xie Jiuhan. "Feng Qing asked about Feng Jianing's situation that day. I only found out from my subordinate's report today that my younger sister, Tessa, used the presidential seal and released Feng Jianing from prison with a release order."

Xie Jiuhan spat out a word coldly. "Trash!"

Although he was scolded by the man, it was rare that Xing Yue didn't retort. It was indeed their fault for this matter. Feng Jianing had committed such a crime, so how could she be acquitted?

Imperial Concubine Anna already knew about this matter. When she found out that Feng Jianing had been released just like that, the Imperial Concubine was also abnormally angry. However, Tessa was using documents with the presidential seal on them. Even as the Imperial Concubine, she couldn't interfere. She does not want to fall out with the entire Presidential Manor because of Feng Jianing

In the hall of the Sacred Hall.

Feng Qing walked on the red carpet like a superstar. It was a short distance of twenty meters, but she walked for half an hour because she needed to greet the guests who had surrounded her. She had also been maintaining a smile on her face. She also wanted to laugh from the bottom of her heart. She felt that these guests, who had noble statuses in the eyes of ordinary people, were like fanatics who chased after celebrities. They either wanted to take a photo with her or ask for her autograph and contact information.

“Feng Qing!” Suddenly, a stiff voice sounded, instantly making the entire banquet hall fall silent. Feng Qing’s gaze passed the crowd and looked over. She saw the daughter of the Presidential Manor, Tessa, walking towards her. The woman behind Tessa looked a little familiar. Feng Qing took a closer look and was shocked to discover that it was Feng Jianing.

Feng Qing raised her eyebrows. She didn’t know why Feng Jianing, who was supposed to be in jail, would appear in such a high-class occasion. Was this a place a criminal should come to?

Tessa and Feng Jianing came to Feng Qing one after another. Tessa raised her head like a peacock flaunting its feathers. However, she felt uncomfortable when she saw the gown and various accessories on Feng Qing’s body. Feng Jianing, who was standing behind, stared at Feng Qing viciously. Her shoulders trembled slightly, and she wished she could immediately rush up and break Feng Qing’s neck.

Unable to mock Feng Qing’s dressing, Tessa went straight to the point. “Feng Qing, I specially brought Feng Jianing here today because I wanted her to apologize to you in public. She has already been acquitted. It was the Presidential Manor who personally gave the order. She has suffered a lot in the prison recently, and it’s time for her to be forgiven. Even Imperial Concubine Anna won’t pursue the matter.”

Speaking up to this point, Tessa pulled Feng Jianing to the front and said with a smile, “So let the past be in the past. You’re sisters after all, and as an older sister, shouldn’t you forgive her?”

Feng Qing was trying her best to restrain herself from cursing as she listened to Tessa's words and looked at Feng Jianing's resentful gaze. She even felt that she couldn't control the expression on her face. Was Country F's law a joke? It actually only locked Feng Jianing up for a few days before she was acquitted? It was simply unbelievable!

Just like her mood, Feng Jianing was also trying her best to hold it in. She had been imprisoned ever since she was taken away by the imperial guards. It was already bad that she ate poorly and lived poorly, but she still had to undergo all sorts of interrogations every day. She was even beaten up by someone with a rubber bat when she was locked up, causing her to be unable to get out of bed for a few days. When she was lying in bed, she was thinking that one day, she would go out of jail and must take revenge on Feng Qing. She wanted Feng Qing to die a horrible death.

However, the ones who made her feel the most despair were the Feng family and Cao Beining. She thought that they would think of a way to save her, but the person who interrogated her said that her parents and boyfriend took a plane back to Xia country overnight.
