

## The Wife I Picked Up Is Too Chapter Chapter 593

Chapter 593 Do You Listen to Me?

Feng Qing turned around. The lights in the hall of the Sacred Hall were dim. The golden tiles reflected her perfect figure, as if giving her a faint golden glow.

Xing Yue said firmly while he looked at her pure eyes, “Even if Feng Jianing died from the poison on the spot, I won’t think that you did

it.”

Feng Qing’s lips curled up. “Do you trust me that much? Even if Tessa has done all the evidence?”

Xing Yue said confidently, “That’s right. I believe in you so much. Even if you can’t explain yourself, I can still take the blame for

you.”

Upon hearing this, Feng Qing’s expression froze. She did not expect Xing Yue to say this, but Xing Yue smiled and said, “Are you afraid of me? Actually, I don’t mean anything else. I just want to express my trust in you. You can believe me at any time because I will definitely protect you.”

Although he was smiling when he said this, his heart ached. When he saw Feng Qing confront so many people alone just now, he wished he could beat up all these people present. If not for Netherworld stopping him, he would have long gone up to shield Feng Qing.

Feng Qing’s bright eyes looked into Xing Yue’s eyes graciously. Her voice was sweet and soft as she said, “Brother Xing Yue, why are you so good to me?”

She only knew Xing Yue when she came to Country F this time. It had only been more than ten days, but the feeling he gave her was that the two of them seemed to have known each other for a long time. Moreover, interacting with Xing Yue made her feel very safe. She did not know why, but every time she saw Xing Yue's bright smile, she would feel a sense of familiarity. Most importantly, Xing Yue was very gentle to her, making her feel indescribable comfort.

Xing Yue said after hearing her ask this, "Qingqing, actually, we..." Before he could finish speaking, a cold and violent aura instantly exploded in the banquet hall. An extremely dangerous feeling entered his brain, and the hair on his body stood up subconsciously. He subconsciously turned around and saw Netherworld walking towards them step by step, and Feng Qing was looking at Netherworld with a smile./ please keep reading on MYBOXNOVEL(dot)COM.

As the King of Killers, Xie Jiuhan's hearing was naturally very good. Although he did not have absolute hearing like Feng Qing, he had heard the conversation between Xing Yue and Feng Qing.

Behind the golden mask, Xie Jiuhan's voice sounded. "Lass, stay away from him. Come to my side."

The man's voice was filled with an irresistible feeling. His entire body exuded a murderous aura that seemed to be able to smell the blood. The dignified aura enveloped the entire banquet hall. Feng Qing's large eyes rolled. In her eyes, the man's body was not exuding a murderous aura, but a thick sour aura...

She knew where the man's bottom line was. She knew that what Xing Yue had said to her just now had crossed the red line. This was definitely not allowed by him. Other than him, no one else could say this to her. He had the ability to protect his woman.

Xie Jiuhan walked out and interrupted Xing Yue. He did not want Xing Yue to speak to his woman again. He was also reminding Xing Yue in his own way that this woman was his.

At this moment, there was less than six meters between him and Xing Yue, but his coldness, arrogance, and domineeringness were like a large hand grabbing at Xing Yue, who was looking into his eyes. He had

already locked onto Xing Yue's body. When Feng Qing walked to his side, he would teach Xing Yue a lesson he would never forget!

Feng Qing blinked her large eyes, and her eyelashes fluttered like small fans. She could tell what her man was thinking and guessed what he was going to do. Hence, she pouted her pink lips slightly. "Brother Xing Yue, do you listen to me?"

Xing Yue subconsciously nodded. "Yes."

Feng Qing grabbed his wrist and said, "Be good, let's run!"

Before Xing Yue could understand, she pulled his arm and ran out of the banquet hall. Xing Yue's head was still in a daze, but his body had no choice but to run.

Xie Jiuhan : "..."

He watched as his wife left with another man. He suddenly remembered what the woman had said before the banquet. She had to pretend that she wasn't very familiar with him because he was attending the banquet as Netherworld. It turned out that she wasn't just saying this...

It was only when Feng Qing and Xing Yue had completely disappeared that he reacted. He clenched his fists so tightly that cracking sounds could be heard. The violent aura on his body suddenly rose and rushed into the sky!

Xing Yue was pulled out of the banquet hall by Feng Qing. In a short while, the two of them ran to the periphery of the Palace. The two of them ran very quickly, giving off the feeling that they were running for their lives. Those who did not know would think that some wild beast was chasing them.
