

The Wife I Picked Up Is Too Chapter Chapter 619

Chapter 619: Feiyun Clubhouse

Seeing that Xie Yuhuan was stunned by him, Xie Jiuhan retracted his aura and said, "Little Aunt, Qingqing is sleeping. Her ears are especially sharp. When you're in the Xie Manor, you have to be careful and be quiet."

Xie Yuhuan : "..."

Xie Yuhuan looked at Xie Jiuhan deeply, her eyes filled with disappointment. She never expected that Xie Jiuhan would be brainwashed by Feng Qing to this extent. Could this be the legendary "sapping one's spirits by seeking pleasures"? In her heart, Feng Qing was the madam of the Xie family in name. Xie Jiuhan's wife was actually just a toy. At most, she was a pet that Xie Jiuhan liked. She just didn't expect that Xie Jiuhan had already lost himself.

Xie Yuhuan bit her lips and turned to leave. Watching her leave, the killing intent in Xie Jiuhan's eyes gradually disappeared. No matter what, even his aunt couldn't criticize Feng Qing. Even if she was the most dissatisfied with Feng Qing, she should still maintain the pretense. She shouldn't help people like Long Yuning find trouble with Feng Qing.

In this huge Xie Manor, only he and Feng Qing were the real owners. She lived in other people's houses, and still dared to gossip about the owners, and demanded so much from the owners. If this continued, Xie Jiuhan could only let her leave the Xie Manor.

...

Feng Qing slept until the evening. She only woke up slowly when the sky started to turn dark. During her sleep, she could vaguely hear Xie Jiuhan and Xie Yuhuan quarreling outside. However, she was too tired, so she couldn't hear what they were saying.

After getting up from the bed, Feng Qing pressed the summoning bell. Then, a servant from the Xie family walked in. "Young Madam, what can I do for you?"

Feng Qing asked, "Where's my Little Jiu Jiu?"

The servant replied, "Oh, Ninth Master just took a car to Di Hui Building. Before he left, the Ninth Master specifically instructed that he had a social gathering tonight and would probably be back later, so he asked Young Madam to eat first."

Feng Qing's face was filled with happiness. She was almost twenty years old, but Xie Jiuhan still treated her as a child. This made her feel shy and blissful. This feeling of being loved by others was really good!

...

In the Xie Manor's dining room.

As Feng Qing ate the sumptuous and delicious food, she looked at the message on her phone. “Master Yin, the Hongfu Chamber of Commerce has invited you to Feiyun’s private clubhouse. Do you agree?”

Feng Qing elegantly took a small bite of foie gras and narrowed her large eyes into a line. The people from the Hongfu Commerce wanted to see her probably because they wanted to transport the plane from M6 Strait. That was what that old man from the national military had always wanted.

After thinking for a while, she replied on her phone, “Is Qianxue free tonight?”

The person called ‘The Strongest Assistant in the Universe’ replied, “She has plenty of time tonight. It’s rare for her to rest for a day.”

Feng Qing replied, “Help me ask Qianxue out. Tonight at eight, I’ll see her at Feiyun’s private clubhouse.”

The strongest assistant in the Universe: “Roger.”

After dinner, Feng Qing returned to the master bedroom and laid on the soft bed in a pink gauze nightdress. Her large eyes kept darting around. She thought about what the servant had said just now. She said that Xie Jiuhan might be back very late tonight. Didn’t that give her a chance to sneak out?

...

At Feiyun Private Clubhouse.

It was a very low-key and mysterious clubhouse. This clubhouse was located in a remote and hidden location, and the entrance was very ordinary. It was difficult to attract people's attention in this international metropolis that was bustling with activity.

This is a private clubhouse made for VIPs. Only the boss's relatives, friends, and some important business partners here had VIP cards. Up until now, there were only two hundred VIP cards. Moreover, VIP cards were divided into levels. Those who got the low-level VIP cards could only enter the clubhouse by themselves. Those who got high-level VIP cards could bring up to three people in, but diamond VIP cards could bring five people in. Many people have never heard of any other high level cards other than diamond level.

A VIP card was scanned from the entrance. Then, the inconspicuous little door of the clubhouse opened. A waiter in a suit and leather shoes led the way. From time to time, he would turn around to look at the man and woman behind him. The waiter was stunned when he saw the tall woman. He never expected that the famous actress Xia Qianxue would come here.

If one were to say that Xia Qianxue was the second most enchanting and charming woman in the entertainment industry in Xia country, no one would dare to call themselves number one. She was wearing a short gray dress as she stood beside the man. Her long legs were white and straight. Her sexy waistline and perfect outline simply made people unable to take their eyes off her.

The waiter retracted his gaze and couldn't help but swallow his saliva. As expected of the award-winning actress in the entertainment industry, who wouldn't like such a devastating and mesmerizing woman?
