

## The Wife I Picked Up Is Too Chapter Chapter 620

Chapter 620: Xia Qianxue and Master Yin

Xia Qianxue wrapped her arms around a short man. This man was the owner of the supreme VIP card from just now. The waiter carefully looked at the man and couldn't help but curse in his heart, "What a f\*cking good cabbage that has been stolen by a pig. How could a sexy stunner like Xia Qianxue find such a thing?"

However, the attendant also thought of how Xia Qianxue had hooked up with the president of Blue Stocks Capital, one of the top three investment firms in the world. He immediately didn't think too much about it. The only person who could enjoy a good cabbage like Xia Qianxue was probably this big shot from Blue Stocks Capital. After all, this big shot was called a human cash register. It was said that he earned money in seconds and could earn tens of millions in just a breath. Which woman wouldn't like such a big shot? It was just that according to the rumors, this big shot seemed to only be interested in Xia Qianxue.

After bringing them to the place, the man hugged Xia Qianxue and walked in. When he passed by the waiter, the man stopped and took out a thick wad of cash from his pocket and threw it at the waiter's face. He casually said in an extremely arrogant tone, "Have you seen enough just now? You dare to fantasize about my woman with a stupid look? Why don't you f\*cking take a look at yourself? Is this something a little bellboy like you can fantasize about?"

Tips were popular in the clubhouse, so the man was using money to smash the waiter. The waiter lowered his head, not daring to say anything or look at anything. After the man brought Xia Qianxue in, he picked up the money like a mad dog.

After picking up all the money, the waiter tidied up his clothes and sneered at the place where the man had disappeared. "Hmph, don't you just have a little stinky money? Why are you so f\*cking arrogant?"

Why don't you take a look at yourself? If not for the fact that you have a little crappy money, would that slutty Xia Qianxue have let you sleep with her?"

In the eyes of the waiter, the president of the Blue Stocks Capital looked too sorry for the world. Moreover, he was slovenly and had a super shiny greasy head. He was wearing a big custom-made suit, and he had a messy mustache on his mouth. He even stood on tiptoe when he walked, but he walked with an imposing manner, giving people the feeling that he was rich and willful.

Xia Qianxue held the man's arm and walked into the Supreme private room. The people from Hongfu Commerce who were sitting inside hurriedly stood up and bowed respectfully to the man Xia Qianxue was hugging. "Master Yin, you're here."

The man nodded casually and brought the woman to the sofa to sit down. The man crossed his legs and raised his hand. Xia Qianxue hurriedly handed him a cigar and placed it in his hand. Then, she picked up a lighter and lit the cigar for him. The man took a deep breath and revealed a very satisfied look.

The bosses of the Hongfu Commerce were a little infatuated as they watched from the side. This woman, Xia Qianxue, was too sexy and charming. Even if she only lit a cigarette for a man, she would emit an endless charm. In particular, the black neck ornament on her neck made one's blood boil. They wished they could immediately push her down and love her.

Xia Qianxue's hair was wine red. Her large wavy hair was casually draped over her shoulders, making her look extremely charming. It was as if even the air she casually exhaled was pink. She was curvy and voluptuous. Her skin was still the healthiest pink-white.

The man only pretended to take a puff of the cigar and then held it with his fingers. The red cigar head quickly darkened. This was also one of the characteristics of cigars. As long as you didn't smoke, it could continue to burn slowly. However, no one present said anything about him pretending to smoke the cigar. After all, it was not a secret that the chairman and president of the Blue Stocks Capital didn't smoke. And this man, who looked thin, short, and ugly, was Feng Qing, who was wearing a disguise.

The reason why she brought Xia Qianxue everywhere she went was to resist the ladies in the clubhouse. Firstly, she found those women dirty, and secondly, she didn't want them to discover her identity as a woman. With Xia Qianxue's face, which could make all women jealous, Feng Qing no longer had similar troubles.

Looking at Xia Qianxue, who was exuding temptation with a smile, Feng Qing also sighed. Xia Qianxue was really too charming. Even a woman like her would sometimes be tempted. In fact, it was quite troublesome to be so pretty. For example, many men would think that Xia Qianxue was a fickle woman who was loose.
