

The Wife I Picked Up Is Too Chapter Chapter 621

Chapter 621: Beating the Peeping Tom

Xia Qianxue followed Feng Qing to all sorts of places. The two of them had a very good rapport with each other. Feng Qing was in charge of showing off outside, and Xia Qianxue was in charge of confusing those lecherous men. The two of them had cheated many of those rich businessmen.

Now, when the big bosses of the Hongfu Commerce saw Xia Qianxue, they immediately revealed lecherous expressions. Their eyes were fixed on her and they couldn't move away. As for what Feng Qing said, they could only answer with no sincerity.

Feng Qing's eyes were filled with disgust as she leaned back on the sofa and crossed her legs as she looked at the eyes of these big bosses. The way these stinky men were acting made her feel extremely disgusted.

Feng Qing placed the cigar on the ashtray. This cigar was specially made and she had drugged it. Once it ignited, it would release a component that could suppress brain cell activity. She and Xia Qianxue had taken the medicine in advance, so they were naturally not affected.

After the bosses of the Hongfu Commerce inhaled the smoke that floated out of her cigar, their originally intelligent eyes gradually covered in a layer of mist. Even if they weren't intoxicated by Xia Qianxue's beauty, their brain activity would decrease and their thoughts would slow down. Thus, they would say whatever Feng Qing asked.

After chatting with the bosses of the Hongfu Commerce for a while, Xia Qianxue whispered in Feng Qing's ear, "I'll go relieve myself."

The eyes of the few bosses moved with her as they watched her get up and leave, wishing their eyeballs would fly out to follow her. There was even a fat boss who couldn't help but drool.

The beauty disappeared. A tall and thin boss said, "Master Yin, Miss Xia has been by your side for a long time, right? It's rare that you're still so devoted to her."

Feng Qing glanced at them and couldn't help but sneer in her heart. These dog-like men looked decent, but all of them had coveted Xia Qianxue for a long time. If not for her, this playboy, blocking in front of them, countless men would have used all sorts of disgusting methods to deal with Xia Qianxue.

"What do you know? I only like Qianxue. I know what all of you are scheming, but I advise you to give up as soon as possible. You have to know that lascivious activities can lead to bitter consequences." Feng Qing said casually.

Her words were half serious and half joking. When the few bosses heard this, they could only smile awkwardly. They were also very clear about the weight of her words and believed that she had the ability, so they did not dare to show any other thoughts in front of Feng Qing.

After chatting with everyone about the topic of 'women' for a while, Feng Qing glanced at her watch without a trace. Then, her eyebrows twitched. It had already been twelve minutes, but Xia Qianxue had yet to return. Could something have happened?

Feng Qing pretended to look at the message on her phone and said to the bosses of the Hongfu Commerce, "You guys chat first. I'm going to the bathroom. Qianxue asked me to send her some tissues."

With that, she walked out of the VIP room. As she walked, she called Xia Qianxue. However, when she was about to reach the bathroom, the call was picked up.

"Stupid pervert, lunatic, scum. How dare you peek at me in the bathroom? Don't let me catch you, otherwise I'll dig out your eyes." As the call connected, Xia Qianxue's angry voice sounded from the other end.

Feng Qing raised her eyebrows. She knew that Xia Qianxue wasn't talking about her, so she asked, "Superstar Xia, were you peeked at? Do you know what that person looks like?"

"The bathroom is a little dark, so I didn't see too clearly. I only saw that person wearing a blue coat and a baseball hat on his head. Moreover, he had a ponytail. I found that bastard and he ran quite quickly." Xia Qianxue said.

However, just as the two of them were talking on the phone, a man dressed exactly as Xia Qianxue had said rushed past Feng Qing. Feng Qing smiled into the phone and said, "He just walked past me. Should I beat him up first?"

“Then what are you waiting for? Beat him to death. I’ll be right there.” Xia Qianxue said.

Feng Qing hung up the phone and followed behind the man. The two of them were about five meters apart. When they passed by an ornamental wall, she even took a good-looking vase from the wall and sped up to chase after him. She was light in weight and had the ability to hide her aura, so the man did not notice that someone was following behind him.

Less than two meters away, Feng Qing suddenly exploded and smashed the vase at the man’s head. The vase was porcelain and was very thin. This vase would at most stun the man and not cause much damage.
