

The Wife I Picked Up Is Too Chapter Chapter 623

Chapter 623: Getting Beaten Up for Nothing

Along with the rise of various video apps, the money in the entertainment industry also started to make money. Therefore, many rich second-generation heirs with good appearances also wanted to enter the entertainment industry to play. Xia Qianxue's boyfriend, Mo Yi, was the most typical example. However, Feng Qing's impression of Mo Yi was really not good. She always felt that Mo Yi and Xia Qianxue were too incompatible.

Mo Yi did not disappoint Feng Qing. After signing with the management company for a few days, he had a scandal with his assistant. At that time, Feng Qing had persuaded Xia Qianxue to leave Mo Yi. However, Xia Qianxue had told Feng Qing that the shortcut to quickly become famous was to stir up rumors.

Feng Qing asked her why she did not stir up rumors with Mo Yi. Xia Qianxue told her that her fans and anti-fans are fifty-fifty in the entertainment industry. Because she was too sexy and charming, many people did not have a good impression of her. In order to not let Mo Yi be implicated, they could not stir up rumors.

Ever since her eyesight was restored, Feng Qing was incomparably certain that Xia Qianxue was definitely the most beautiful and charming woman she had seen so far. No one was comparable to her. However, when she thought about it, how could she be so famous that everyone in Xia country knew her if not for her looks being so good?

On the other hand, her boyfriend, Mo Yi, was too ordinary in appearance. If not for the fact that he had his family to support him, he would definitely not be able to enter the entertainment industry.

If Feng Qing had to choose, she would rather choose Ji Yunchen or Xie Q than Mo Yi, let alone Xie Jiuhan. It would be an insult to Xie Jiuhan if she were to compare him to her husband. Therefore, even if Xia Qianxue said it herself, Feng Qing still found it unbelievable. Han Jintian, this international director, a genius in the history of Xia country's movie industry, would have sex with an unknown actor, Mo Yi?

As she thought, Feng Qing lowered her head to look at Han Jintian, who was lying on the ground. She saw a painful expression on Han Jintian's face. It must have been very painful from Feng Qing's beating just now. There was a trace of blood at the corners of his mouth. Even his nose had been broken, and there was a large bruise on his cheek. However, when she looked carefully, she realized that Han Jintian's skeletal outline was still very good-looking. Although he had a ponytail, it could not hide his manly spirit.

Eh, why does this Han Jintian look so familiar? Feng Qing mumbled in her heart. Suddenly, she thought of someone and instantly thought to herself, It's Brother Xing Yue. This person looks a little similar to Brother Xing Yue. Although the two of them don't look alike at first glance, the more she looked at them, the more they looked alike. Especially their noses and eyes, they're simply carved from the same mold.

Although Han Jintian was also interested in men, he was so good-looking. How did he fall for an ordinary person like Mo Yi? Was he so desperate?

Before she met Han Jintian, she was still skeptical about the matter of the male actor who was involved in cast-couching, but now, she didn't believe in it at all. After all, the person who was involved in this cast-couching was Mo Yi. This was very unrealistic. Who would go and sleep with an ugly man? Did he have such a strong taste?

"Hey, Qingqing, Qingqing? What are you thinking about?" Xia Qianxue shouted.

“Oh, no, nothing. I’ve decided not to poison Han Jintian. After all, I beat the wrong person first. It can be considered that I’ve avenged your boyfriend, so I won’t poison him with bugs anymore,” Feng Qing replied.

Hearing this, Xia Qianxue no longer forced Feng Qing. She also felt sorry for the swollen-faced Han Jintian. However, she could only blame Han Jintian’s bad luck. Why did he have to wear the same clothes as that peeper and have the same ponytail? It was obvious that he would be beaten up.

After discussing, the two of them decided to leave Han Jintian behind the screen. However, in order not to be investigated, Feng Qing had no choice but to look for the Night God and let him hack the surveillance video here.

Xia Qianxue raised her eyebrows and teased, “It looks like your relationship with the Night God is quite good. Others can’t even ask for it with money, but he can do it for you when you message him.”

Feng Qing said, “What do you mean by good relationship? We’re in the same organization, so we naturally have to take care of each other. He can help me if I need help, and he can only beg me if he needs help, right?”

Xia Qianxue said with a look of disbelief, “Stop it. Your relationship is clearly not ordinary. What nonsense is this about an organization taking care of each other? Then why is it so difficult to find Night God to do things for a great beauty like me?”

In her impression of the Night God, Xia Qianxue only had the word 'cold' to describe him. As a top beauty, she would be very relaxed no matter what she did. With just a word, countless men would be willing to go through fire and water for her.
