

The Wife I Picked Up Is Too Chapter Chapter 627

Chapter 627: Ninth Master Is Angry Again

Finding a woman to sit with and discuss business was very normal for people like them. After all, if one was not flirtatious during their young days, then they are not enjoying life. Besides, why did they earn so much money? Wasn't it just to enjoy everything they could enjoy? This naturally included women!

Very quickly, the chosen women sat down. Master Gu hugged the young woman who could be his daughter. His old face was smiling happily, but his heart was tense. It was impossible for him to forget himself when he sat with a person like Xie Jiuhan.

After everyone brought the girls to drink a glass of wine, Master Gu still didn't give up. "Ninth Master, since everyone's so happy today, you should choose as everyone wishes. Look at those girls. They're all young and beautiful with slender figures. If they can obtain Ninth Master's favor, it will definitely be their lifelong honor."

Actually, Master Gu was only saying this. He did not have much expectations. After all, all of them had chosen girls to accompany them. Only Xie Jiuhan, the most impressive big shot, was alone. The scene was really not good.

To Master Gu and the crowd's surprise, Xie Jiuhan actually agreed this time. He pointed at a dark corner at the end of the stage and said, "I'll choose her. The one with the longest legs, the fairest, and the best looking."

The girl who was pointed at by Xie Jiuhuan on the stage did not move at all. She was like an old monk in meditation. She stood there with her head lowered and her eyes lowered. The other girls on the stage followed Xie Jiuhuan's finger and looked back. In the end, their eyes were all on Feng Qing.

Seeing this scene, a man sitting closest to the right side of the stage snorted coldly. "Yo, little girl, you're actually still shy? It's your fortune to be liked by the Ninth Master. Little girl, stop playing dumb. Hurry up and come down. Don't make the Ninth Master wait anxiously."

However, Feng Qing still did not move. If not for the fact that her chest was still rising and falling slightly, everyone would have suspected that she was a walking corpse. Seeing that she did not react no matter how they shouted, the man from before was instantly dissatisfied. He stood up drunkenly and walked towards the stage.

At this moment, Xie Jiuhuan raised his head for the first time. Then, a terrifying airwave exploded from his body. Wherever the airwave passed, everything was covered in a layer of frost.

Master Gu, who was sitting on Xie Jiuhuan's right side, was shocked. He shouted in his heart, "F*ck, I was scared to death!" He felt that he couldn't continue eating with Xie Jiuhuan in the future. At this rate, he would have a heart attack after a few meals.

"Oh? What's wrong with the Ninth Master? Why did he suddenly change his attitude?"

"D*mn, who offended the Ninth Master again? I was so scared that I was half sober."

“What happened to our Ninth Master? Did someone say something? Hurry up and punish yourself with a bottle!”

A group of big shots shouted. Those who could sit here were all famous figures in the Capital. However, in front of Xie Jiuhan, they could only lower their status and be his underlings. Seeing Xie Jiuhan’s murderous look, the girl sitting beside Master Gu was so scared that she almost cried. Her hand, which was holding the wine glass, trembled non-stop. She wondered if it was because she had accidentally spilled the wine just now that Xie Jiuhan was angry.

Just as everyone was puzzled, Xie Jiuhan stood up from his seat and walked towards the stage. Seeing this scene, the big shots were shocked again. Their Ninth Master actually went to pick women personally? This was the first time!

The next second, the big shot who had gone on stage to look for trouble with Feng Qing was kicked away by Xie Jiuhan. His body flew for a long time before he stopped. The man looked at Xie Jiuhan in confusion, but he didn’t dare to ask or say anything. He didn’t even dare to cry out in pain. He could see the killing intent in Xie Jiuhan’s eyes, afraid that he would accidentally meet God.

The music in the Supreme private room stopped. The entire space was silent. Everyone held their breaths as they watched Xie Jiuhan carry the woman he had pointed at. However, this ordinary action made all the big shots present gasp and look at the man in disbelief.

Xie Jiuhan hugged the woman and covered her beautiful face with his coat. Then, he walked out of the private room.

“Ninth, Ninth Master?” Seeing the man leave with the woman, Master Gu forced himself to regain his senses and shouted.

Xie Jiuhuan acted as if he didn’t hear anything and left without turning back. When he passed the big shot lying on the ground, he looked down at him like a high and mighty king. His insufferably arrogant eyes were filled with heaven’s might. “I’ll give you three hours to disappear from the Capital forever.”
