

The Wife I Picked Up Is Too Chapter Chapter 635

Chapter 635: Only the Xie Family Can Call the shots in the Xie Manor

Xie Yuhuan was so angry that her old face was pale as she looked at Feng Qing's back view as she left. Her entire body couldn't help but tremble. She never dreamed that Feng Qing would actually dare to scold her in a lecturing tone. Wasn't this revolting? Did she still have an elder in her eyes? Did she still know how to respect the old and love the young?

An old servant went forward and comforted her. "Madam, don't be angry. It's bad for your health. Drink some milk to calm down."

Another old servant said, "Madam, don't take it to heart. This little girl dared to treat you like this when the Ninth Master wasn't around. Let's just tell the Ninth Master about this. Let's see how the Ninth Master deals with her then."

Hearing this, Xie Yuhuan sneered. "Tell Jiuhan?"

The old servant nodded. "That's right. He can't spoil that little girl like this. It's only been a few days, but she actually dares to flare up at you. If you don't pursue the matter this time, I'm afraid she'll be even more fearless in the future."

Xie Yuhuan sighed and said, "I understand what you're saying, but Jiuhan has been bewitched by her now. He listens to her every word. He even almost doesn't acknowledge me as his aunt. If I go to Jiuhan to complain now, not only will I not get Jiuhan's comfort, but I will also be scolded by Jiuhan. There's something she said just now that's right. I'm an outsider here after all. They're a couple."

The old servant in the lead said, "Madam, since the Ninth Master treats us like this, why don't we leave the Xie Manor so that we won't be disliked everywhere we go? Moreover, it can be seen that she doesn't have a good impression of you at all from the little girl's words. It's simply a pipe dream to expect her to care for you in your old age."

Xie Yuhuan took a deep breath and said, "Of course I know. Yuning is still the best. She knows how to dote on me."

It was useless even if she missed Long Yuning now. After all, what Long Yuning had done had angered Xie Jiuhan more than once. Therefore, she did not dare to let Long Yuning come to the Xie Manor again. Otherwise, she could not predict what Xie Jiuhan would do.

She was also not willing to leave the Xie Manor according to what the old servant said. After all, she had always been proud of living in the Xie Manor.

The reason why she shamelessly stayed in the Xie Manor was because she only had one goal. She hoped that after she died, Xie Jiuhan would bury her in the Xie family's ancestral grave. Therefore, she would not leave the Xie Manor unless Xie Jiuhan directly ordered her to leave.

"Hmph, you actually dare to boast shamelessly that you're the madam here. You're only the daughter-in-law of the Xie family. In the end, you're just an outsider. Only the Xie family has the final say in the Xie Manor, not you, a little girl." Xie Yuhuan pondered in her heart as she thought of Feng Qing's words.

At the thought of this, she turned to look at the two old servants beside her and said, "Find a chance to spread the news that I've been angered by Feng Qing. From today onwards, I'll stay in the villa and not go anywhere. Do you understand?"

The two old servants looked at each other and nodded. "Don't worry, Madam. We will do it."

Xie Yuhuan wanted to see what her nephew Xie Jiuhan would do after Feng Qing scolded her in front of everyone.

...

Heavenly River Hotel.

The black business luxury car sent Feng Qing to the underground parking lot. Feng Qing pushed the door open and got out of the car. She only took two steps before she stopped. Her ears twitched as if she was trying to catch a sound.

One, three, five. Feng Qing caught the heartbeats of many people. They seemed to be people who were spying from the position of these heartbeats. Feng Qing raised her eyebrows. Combined with the people living in the hotel, these people should be entertainment reporters and paparazzi.

When she was at Feiyun Clubhouse last night, she actually found that there were many paparazzi around. However, at that time, she was focused on leaving the clubhouse. In her opinion, those paparazzi should be after the famous director, Han Jintian.

Therefore, she didn't care much about it, which was why those trending topics were created. However, on the way here, she heard from Xie Qi that the websites and marketing accounts that exposed Xie Jiuhan holding the hostess had already been arrested.

It looked like the paparazzi were all here for Li Shaoqun. After all, Li Shaoqun was the most popular male celebrity in Xia country's music industry. Any news about him could obtain countless views, so it was normal for him to be pestered by the paparazzi.

Feng Qing walked out of the parking space. Anyway, it was fine as long as they weren't here to take photos of her. She treated herself as a passerby and pretended not to see anything even if she bumped into the paparazzi.

To Feng Qing's surprise, after seeing her walk over, the paparazzi hiding in the dark actually all held their cameras and frantically pressed the shutter at her. Although the sound of the shutter was very soft and the paparazzi's movements were very hidden, how could they escape Feng Qing's ears?
