

## The Wife I Picked Up Is Too Chapter Chapter 668

### Chapter 668: Police Video

“Miss Guan, I didn’t expect that your ability to arouse the hearts of people is very powerful when your singing ability is so ordinary. Not only does Xia country’s Music Alliance need you, but the Wandering Pet Rescue Alliance, the Marine Ecological Protection Alliance, and the children of the orphanage also need such a loving you.” As she spoke, a beautiful figure walked in from the door, and there were many people behind her.

The reporters had already recognized Feng Qing from the sound of her voice without even needing to turn around. Hence, they hurriedly turned the camera towards the door. Guan Xinxin was a little stunned. She had just finished talking about Feng Qing, but she didn’t expect Feng Qing to come personally.

A group of police officers in police uniforms followed Feng Qing in. Following closely behind Feng Qing was a police officer with a high rank. The reporters were all surprised, not knowing why Feng Qing had brought a group of police officers.

Feng Qing walked onto the stage elegantly and calmly under everyone’s gazes. Then, she picked up another microphone on the table. “Guan Xinxin, Miss Guan, a famous singer in the Xia country’s music industry. Back then, a song called ‘Silly Happiness’ was popular everywhere. It can be said that everyone knows it, so you can be considered a senior in the music industry. Just now, Mo Yi said that he was violated by Han Jintian, so Senior Guan, you came out to fight for justice for him. It’s understandable since everyone has a few good friends, but I have a question I want to ask Mo Yi.”

Mo Yi, who was sitting at the table, raised his eyebrows. “What do you want to ask me?”

The corners of Feng Qing's mouth curled up. "I just want to ask, when you were young, didn't your family tell you to report it to the police immediately when you meet bad people or are bullied outside?"

Mo Yi was stunned by the question. His eyes wandered as he looked at Feng Qing's faint smile. He knew that Feng Qing was Siren. Moreover, he had heard many of Feng Qing's songs and was also infected by her beautiful singing. He even treated Feng Qing as a goddess in his heart. However, after seeing Feng Qing, he felt that Feng Qing looked better in person. If not for Feng Qing choosing to support Han Jintian, they might have become friends.

Mo Yi stood up and slammed the table with both hands. He shouted, "Feng Qing, I'm holding a press conference. You're not welcome here. Please leave immediately!"

Feng Qing smiled and said, "Why? Weren't you mumbling my name just now? You're asking me to leave when I'm here? Or are you afraid that I'll expose your lie?"

Without waiting for Mo Yi to retort, Guan Xinxin narrowed her eyes and said, "Siren, you came at the right time. I'm officially informing you on behalf of the Xia country's Music Alliance that you've been completely banned by the music industry. I can consider pleading with the Xia country's Music Alliance for you after you kneel down and beg me and kowtow to Mo Yi to apologize."

Feng Qing ignored the two of them and walked around the table to sit on a chair. Then, she cleared her throat and said through the microphone, "Hello, everyone. Today, I specially invited the senior inspector of the Capital Police Department and the senior detective, Ma Yong."

“Hiss!” Upon hearing the name of Senior Detective Ma Yong, the entire press conference venue gasped. Many people looked at the thin and tall man in a baseball hat who came in last.

“No wonder he looks familiar. So that person is Senior Detective Ma Yong. I didn’t expect him to come with us.”

“Oh my god, it’s our Xia country’s divine detective. There were even a few movies that used Ma Yong as a model a few years ago.”

“Why is this legendary detective here? Could there be a major case here? He’s usually involved in major cases or mysteries.”

Everyone was discussing in low voices. Feng Qing said to Mo Yi, “Compared to you, my client, Mr. Han Jintian, performed better. After being slandered by you as the culprit of the cast-couching, he reported the case to the police at the first moment and asked the police to file a case for investigation and make the matter public.”

With that, a police officer walked forward and placed a huge tablet on the table. The reporters saw that Mo Yi was sitting beside Han Jintian on the tablet, and Mo Yi had been pouring wine for Han Jintian. In a short while, Han Jintian had drunk three to four glasses of wine, and Han Jintian was indeed drunk in the video.

“Although the video is a little blurry, I can still tell that the person in the video is Mo Yi. He’s the one who’s been pouring wine for Han Jintian.”

“This should be the wrap banquet that day, right? The woman who walked past them just now was really the female lead of Director Han’s new movie.”

“Where did this video come from? Why haven’t I seen it before? It proves that Mo Yi was indeed deliberately forcing Director Han to drink that day, and Mo Yi himself only drank a little.”
