

## The Wife I Picked Up Is Too Chapter Chapter 672

Chapter 672: There Are Many People You Need to Apologize To

Guan Xinxin stared at Feng Qing. "You want me to apologize?"

Feng Qing stopped smiling and said solemnly, "Of course. You wronged me and applied to the Music Alliance to ban me. You only listened to one side of the story and didn't know that you were being used. Shouldn't you apologize to me?"

Guan Xinxin narrowed her eyes. "Then what can you do if I don't apologize?"

Feng Qing raised her eyebrows. "Although I'm not the executive director of the Music Alliance, it doesn't stop me from filing a complaint against you. At that time, not only will you lose your position, but you will also experience the feeling of being banned."

Feng Qing exuded a powerful aura as she spoke, as if Xie Jiuhan had possessed her. The cold and suffocating feeling pounced on Guan Xinxin.

Guan Xinxin was shocked. Feng Qing's arrogance and tough attitude made her thoughts run. It was definitely impossible to invite such a high-ranking police inspector and the most powerful detective in Xia country without a powerful background, which means that Feng Qing had a powerful background. Moreover, the evidence was conclusive now and the police were testifying at the scene. It was impossible for Mo Yi not to admit to the evidence. Of course, she knew that she was wrong, but she did not want to apologize to Feng Qing. After all, she was a senior in the music industry and was much older than Feng Qing.

The situation was better than people. Mo Yi had already lost today, and if she wanted to protect herself, she could only apologize to Feng Qing. Otherwise, she would definitely not have a good time in the future if Feng Qing pursued the matter.

Guan Xinxin's black eyes were filled with hatred as she took a deep breath. "Feng Qing, I was wrong. I only listened to one side of the story. I was used by bad people and accused and hurt you. I apologize to you. I'm sorry!"

As she spoke, Guan Xinxin even bowed to Feng Qing. Since she wanted to apologize, she would do it fully. Anyway, everyone was in the music industry. She was still a senior and would have many opportunities to take revenge in the future.

Guan Xinxin stood up and looked at Feng Qing with her chin raised. "Can I leave now?"

The corners of Feng Qing's mouth curled up. "Senior Guan, there are still many people you need to apologize to. If I remember correctly, you even slandered the famous director, Han Jintian, at the press conference just now. Compared to me, you should apologize to him more."

At this moment, two police officers walked up to Mo Yi. The two of them showed their police badges and said, "Mr. Mo Yi, the police now suspect you of spreading rumors, slandering, accusing, and molesting others. Please come back to the police station with us for investigation."

Mo Yi fell back onto his chair after he heard this. His face was pale, and he looked like a bereaved dog. It was completely different from his flushed face when he entered the venue.

Mo Yi said, "Feng Qing, can I say something to you?"

The two police officers did not stop Mo Yi. They were not afraid that Mo Yi would run away because the place was filled with police officers. Even if he ran away, they could just catch him back.

Feng Qing raised her eyebrows as she watched Mo Yi walk over. She didn't know what this man wanted to say to her. Could it be that he wanted to kneel and beg her to let him go?

Feng Qing was indeed thinking a little too much. Not only did Mo Yi not beg her, but he also suddenly exploded after approaching her and used all his strength to push Feng Qing. Mo Yi's expression was sinister. He wanted to push Feng Qing off the stage and kill her.

Mo Yi said viciously, "You detestable bitch! Go to hell!"

He wished he had a knife in his hand and could stab Feng Qing to death. Everything had been going according to his plan, but in the end, he had lost to Feng Qing. A few days ago, Feng Qing publicly stood on Han Jintian's side. Today, she had brought the police and detectives to cause trouble, turning him from a victim to a person who harmed people. Moreover, she had found so much evidence to send him

to the police station. It could be said that he had become famous overnight and his popularity had soared after he schemed against Han Jintian. In the end, he had nothing now.

Although Mo Yi's movements were very fast, Feng Qing could completely dodge it. However, she did not choose to dodge or resist. Instead, she used Mo Yi's strength to fall off the stage.

Thump! Feng Qing's back made contact with the ground. She wanted to fall and let all the reporters and police watch Mo Yi's violent scene with their own eyes.

The sudden change made everyone cry out in surprise. Then, the media reacted and took photos of Mo Yi. Many cameras had already captured the scene of Mo Yi pushing Feng Qing. Mo Yi's push was equivalent to pushing himself into an abyss. Impulse was the devil!

At this moment, a person squeezed out of the crowd and rushed to Feng Qing's side. He hurriedly helped Feng Qing up. Feng Qing thought it was Little Wu, but when she looked up, it was actually Han Jintian.
