

The Wife I Picked Up Is Too Chapter Chapter 674

Chapter 674: End of the Press Conference

Everyone was stunned. Although Han Jintian had a bad temper, this was the first time he had hit someone. His violent and fierce appearance was like he wanted to kill Mo Yi.

Mo Yi's face was covered in blood after just a few punches. His nose bridge had collapsed, and his face was covered in bruises. He looked as miserable as he could.

The police finally came back to their senses and hurriedly pulled Han Jintian and Mo Yi away. Although the police did not have a good impression of Mo Yi, there were so many people here. They could not let Mo Yi be killed in front of them, right?

However, the police realized that Han Jintian had definitely practiced martial arts before as soon as they came into contact with him. Moreover, he was extraordinarily good at it. At least, beating someone like Mo Yi was like playing around.

The police pulled Han Jintian's arm forcefully, and Han Jintian strangled Mo Yi's neck with one hand and smashed his face with the other. He was like a crazy monster. One or two police officers couldn't pull him away at all, so a few more police officers rushed forward, but they couldn't let Han Jintian let go.

At this moment, Mo Yi's mouth and nose were already bleeding. If they didn't pull Han Jintian away, he might really die. No one expected Han Jintian to be so powerful and so angry.

“Han Jintian!” Suddenly, Feng Qing’s clear voice sounded. Her light words were like a steel pincer that grabbed Han Jintian’s arm, stopping his raised arm in the air.

Feng Qing walked over and said, “Han Jintian, forget it. It’ll dirty your hands if you hit him.”

As she spoke, Feng Qing stretched out her arm and gently pressed down Han Jintian’s fist that was stopped in midair. Four to five police officers could not hold his arm down but it was easily pressed down by Feng Qing.

Han Jintian retracted his consciousness from his violent state and slowly released his grip on Mo Yi. Mo Yi’s legs went weak and he knelt on the ground, holding his neck and coughing violently.

Han Jintian looked down at Mo Yi condescendingly, as if an emperor was looking down on the world. After looking at Mo Yi coldly, the man spat at Mo Yi and then opened his mouth to spit out a mouthful of turbid air. His body was also stained with a lot of Mo Yi’s blood. He took out a handkerchief from his pocket and wiped it. His face returned to being cold and noble. The violent and barbaric look from before had completely disappeared.

Han Jintian looked at Feng Qing and said arrogantly, “Stop flattering yourself. I didn’t beat him up for you, but for myself. I’ve long wanted to beat him up.”

Feng Qing: “???”

She knew that the man said this because he wanted to take all the responsibility and completely remove Feng Qing from this situation. After all, it was wrong of him to hit someone.

Feng Qing shrugged as she looked at the arrogant and cold Han Jintian. She really wanted to smash this man with a vase again. Very quickly, someone called an ambulance. The medical personnel pulled Mo Yi to the hospital, and two police officers escorted him. Feng Qing and Han Jintian were also invited to the police station for an investigation. Thus, Mo Yi's press conference ended.

[Input...]: "D*mn! Director Han is too awesome, right? He beat Mo Yi until he couldn't fight back."

[Your Little Cutie]: "It turns out that Director Han is so manly. It's fine if he doesn't make a move, but once he does, he will definitely win. Mo Yi really deserves to be beaten up. He deceived us for so long."

[I'm Your Grandpa]: "Well done, it was a good fight! A man attacking a woman is too shameless. I'm Director Han's fan now."

As the press conference ended, the topic of the ten billion director, Han Jintian, beating up the young hunk, Mo Yi, exploded on the Internet. The netizens ran to Mo Yi's social media account and scolded him, causing his account to be banned.

Guan Xinxin was sitting in a black business car outside the venue. The press conference today had exceeded her expectations. She thought that she could ride on the popularity, but in the end, she almost

lost her career with it. She had obtained a lot of attention and popularity from this matter during this period of time. She had been helping Mo Yi to deal with Han Jintian, but today, Han Jintian had made a comeback. And she had offended the youngest director in Xia country. She knew what she had to face in the future.

Just now, her two assistants and manager had been apologizing on their phones. She had violated some endorsement contracts, and now, they were looking for an explanation from her. What made her feel the most devastated was that the president of Xia country's Music Alliance had just called her. After scolding her fiercely, he ordered her to immediately apologize to the singer Siren on the Internet.
