

The Wife I Picked Up Is Too Chapter Chapter 710

Chapter 710: Meeting Cao Beining in the Female Bathroom

Her good friend really had a temper. Feng Qing did not doubt what she said. Xia Qianxue looked weak and charming, but she was a very ruthless person. Not to mention pouring a pot of hot soup on Mo Yi's face, even killing him would be a matter of time.

Bang bang! Feng Qing opened the two bottles of red wine. After clinking them with Xia Qianxue, they started drinking. Her good friend had fallen out of love, and she had nothing to comfort her with. She could only drink to her heart's content with her.

After drinking a bottle of red wine, Xia Qianxue leaned back on the sofa and burped lazily. She had just taken Feng Qing's hangover medicine, so it was impossible for her to be drunk. However, being drunk would definitely be satisfying. Suddenly, Xia Qianxue seemed to have thought of something and said, "By the way, I heard that the God Slayer has returned from the Seven Stars Continent."

Under the shining ball of light, Feng Qing's face changed colors. She was stunned for a moment before she came back to her senses. "Oh."

Xia Qianxue smiled and said, "If I remember correctly, the God Slayer was stimulated by this matter when you were getting married back then, so he plunged into the Seven Stars Continent and never came back. I thought he wouldn't come out again, but I didn't expect..."

Feng Qing put down the bottle and stood up. "I'll go relieve myself."

Feng Qing was not drunk after drinking a bottle of red wine. She was at most slightly drunk with the hangover medicine. However, after hearing the news of the God Slayer, Feng Qing inexplicably felt that she was a little drunk. Even her footsteps staggered.

At the entrance of the female bathroom.

When Feng Qing walked out after washing her hands, she realized that a man was blocking the door with a lecherous smile. This person was none other than Feng Jianing's fiancé—Cao Beining.

Feng Qing raised her eyebrows. "This is the female bathroom."

The collar of Cao Beining's shirt was wide open, and his entire body exuded a pungent smell of alcohol. Clearly, he had drunk a lot. He blocked the door with his body and said, "So what if it's the female bathroom? Why don't you go out and ask? Who dares to control me in this bar? Instead, I'm very surprised that you're here. This kind of place where the good and the bad are mixed together isn't a place for an obedient girl like you. Or are you not a good girl at all?"

As he spoke, Cao Beining threw away his coat and started unbuttoning his shirt. His drunk eyes were emitting a lecherous glow. It was obvious that he did this often.

Feng Qing raised her eyebrows. "What are you doing?"

Cao Beining grinned. "What am I doing? Naturally, I'm doing what adults like to do!"

Before he could finish his sentence, Cao Beining's body rose into the air and moved two meters back before he fell to the ground.

Feng Qing was already in a bad mood. Since Cao Beining came looking for her, she naturally would not let him have his way. Feng Qing's kick was fast and ruthless, directly landing on Cao Beining's chest. The huge force broke two of his sternum.

Cao Beining fell to the ground and held his chest with both hands. The intense pain in his chest made him almost unable to breathe. He looked at Feng Qing with a look of fear.

After resting for a long time, Cao Beining took a deep breath and said, "Feng Qing, how dare you hit me? Are you trying to murder your fiancé?"

As he spoke, Cao Beining sat up from the ground. He held his chest with both hands and glared at Feng Qing with a sinister expression. His eyes were filled with hatred.

Upon hearing this, Feng Qing laughed in anger. "That shouldn't be. Your sternum is broken. This intense pain should have sobered you up, right?"

Cao Beining said hatefully, "Don't think I don't know that you're the biological daughter of the Feng family, and Feng Jianing is the adopted daughter of the Feng family. The engagement between the Feng family and the Cao family was very clear. They have to marry the daughter of the Feng family to me, not the adopted daughter of the Feng family. In other words, you're my fiancée."

Although his bones had been broken by Feng Qing's kick, it couldn't stop his desire for Feng Qing's beauty. His mind was filled with images of how to conquer Feng Qing under his crotch.

"Now, I'll give you a chance. As long as you can let me have my way, I'm willing to marry you into the Cao family and let you be the young madam of the Cao family. I can let bygones be bygones regarding the matter of you sleeping with many wild men outside. How about that?" Cao Beining said lecherously.

Feng Qing did not say a word. She picked up the wooden mop from the corner of the bathroom and walked to Cao Beining with it. Without a word, she swung the mop and smashed it into Cao Beining's face. She thought that Cao Beining would not be able to dodge, but at the critical moment, Cao Beining unleashed his potential. He endured the pain of his sternum fracture and grabbed the mop. Then, he pressed down on Feng Qing. He wanted to rely on his weight to subdue Feng Qing.

Feng Qing's reaction was slightly slower because she had drunk alcohol. Instantly, she was knocked back by Cao Beining
