

## The Wife I Picked Up Is Too Chapter Chapter 726

Chapter 726: How to Make a Girl Happy?

Seeing that Feng Qing's expression was not good, the man explained, "What senior? I think he has a motive for getting close to you. He has evil intentions and is up to no good. I'll get someone to investigate him later and see what his background is."

Feng Qing frowned and said, "Senior Liu Yan isn't as complicated as you think. You don't have to send someone to investigate. He's just an ordinary third-year student. We're also students in the same classroom. He only cares about me because he doesn't want me to be criticized by Professor Sun in class."

Xie Jiuhan asked, "Then why doesn't he care about others?"

Feng Qing shook her head. "I don't know. Perhaps he's also concerned about others and we don't know. By the way, Senior Liu Yan is my fan. I even gave him my autograph last time. I guess it's because of this that he's more concerned about my matters. Therefore, to put it simply, we're just classmates. To put it bluntly, we're just idols and fans. We're not even friends."

Seeing that Feng Qing was so protective of Liu Yan, Xie Jiuhan snorted. "There's no need for him to care. It's fine as long as I'm concerned."

Feng Qing couldn't be bothered to talk nonsense with him. She looked at the computer screen and started working again. Her hands were typing on the keyboard from time to time. Xie Jiuhan was slightly

stunned and looked at the woman in disbelief. He was already jealous, but this woman actually didn't come to coax him.

Xie Jiuhan sat at the side like a statue, guarding Feng Qing, who was working in front of the computer. He took out his phone and sent a message to Xie Shihao. "Xiao Hao, how do I make a girl happy?"

Ten seconds later, Xie Shihao replied, "Roar~ The whine from a single dog. Little Uncle, how can you show affection in broad daylight?"

Xie Jiuhan's eyes were filled with disdain as he looked at the phone screen. If not for the fact that he had no one to ask, he would have remembered this useless nephew.

"What are people of your age more interested in?" Xie Jiuhan changed his strategy.

"Little Uncle, did you make my aunt angry? Is that why you're looking for a way to coax her? Did you cheat on her?" Xie Shihao asked.

For a moment, he wanted to instruct the secret guards to assassinate Xie Shihao. However, on account of how obedient he was usually, he reluctantly spared him this time.

Xie Jiuhan typed, "I'll give you a chance to perform. Help me think of a way to coax your aunt. Otherwise, I'll freeze all your bank cards."

On the other end of the phone, Xie Shihao felt terrible when he saw the man's message. He was a spendthrift to begin with, so he usually didn't save much money. Wouldn't he be hungry in the future if his bank card was frozen?

Xie Shihao hurriedly replied, "Little Uncle, show mercy. I've known Little Aunt for so long and am considered familiar with her. I know her quite well. A cute, beautiful, and smart girl like Little Aunt will definitely be more interested in plush toys or Barbie dolls."

Before Xie Jiuhan could finish reading the message, he sent a few screenshots of the phone screen in the dialog box. Xie Jiuhan looked at them and replied, "You'd better change your method. There seem to be three warehouses in the backyard of the Xie Manor for stuffed toys and Barbie dolls."

Xie Shihao replied, "Little Uncle, you're biased. You only have one nephew, and you've never given me a stuffed toy. In that case, I'll think about it again."

Xie Jiuhan gritted his teeth and resisted the urge to order an assassination on Xie Shihao. This was also the reason why he rarely contacted Xie Shihao. This little brat was too indecent. He always said a few words before going overboard.

On the other end of the phone, Xie Shihao's mind was working rapidly. However, after thinking for a while, he couldn't think of any good ideas. Other than the plush toy accident, he really didn't know what

to give the girl. He asked himself, "D\*mn! I finally understand why I've been single until now. It turns out that I don't even know how to coax girls."

At the thought of this, Xie Shihao asked unfairly, "Uncle, teach me a few moves. You don't know how to please girls. So how did you get my aunt?"

Unfortunately, Xie Jiuhan didn't look at his message at all. Instead, he was attracted by a photo Xie Shihao had sent just now. It was a photo of a plush rabbit toy. In the corner of the photo, he saw a muscular man wearing only a pair of briefs. The man was wearing rabbit ears on his head and had a furry tail behind his butt. There were small words written on the side. "A gift to evaluate a man's beauty and make his girlfriend unable to say no."
