

The Wife I Picked Up Is Too Chapter Chapter 728

Chapter 728: Gu Qingye Was Implicated

Li Qing asked, “Young Master Xie, who are you helping to get the goods? Can you reveal it? Oh, I don’t mean anything else. I just think that since he’s Young Master Xie’s friend, he’s my friend. In the future, if your friend comes to buy our goods personally, I can give him a 10% discount and even provide free delivery services.”

Hearing this, Xie Shihao nodded and said with an expression that said, “President Li, you’re indeed a businessman. You really know how to do business. Since you’ve said so, on account of us knowing each other for many years, I’ll tell you. Actually, it’s none other than my good brother, Gu Qingye. You also know how good our relationship is. Gu Qingye is thin-skinned, so he could only ask me to help him get the goods.”

Upon hearing that it was Gu Qingye, Li Qing’s eyes widened. The Gu family in the Capital was one of the four wealthy families, and Gu Qingye was the only young master in the Gu family’s third generation. He was the young master of the Gu family, but he was very cold and was completely opposite to Xie Shihao. He had always thought that Gu Qingye was cold all day long since he had an unapproachable expression on his face. He also thought that Gu Qingye was not interested in sex, but he did not expect him to be such a passionate person in private.

In the past, at a certain gathering, Li Qing was lucky to see Gu Qingye once. He wanted to go over and chat with Gu Qingye, but before he could get close, he was scared away by the other party’s gaze.

Li Qing smiled and said, “Young Master Xie, you’ve worked hard. If I had known this would happen, I would have gotten someone to send it over with a call from you. I even troubled you to come personally. You have such a good relationship with Young Master Gu. Have you heard of his evaluation of our company’s products? If you have, you can give us his feedback. Only the true feedback of the customers can make our company better.”

Xie Shihao patted Li Qing's shoulder with a face of innocence. "Alright, don't worry. After Gu Qingye uses this, I'll definitely ask him and report back to you."

Before he could finish his sentence, Xie Shihao left the office building with his things. It wasn't until he drove away that Li Qing realized that Xie Shihao hadn't paid yet. However, it was fine after thinking about it. There was no need to lose everything for a small gain. It wasn't worth mentioning to make friends with two rich young masters in the Capital.

...

Half an hour later, Xie Shihao handed the things to Xie Jiuhan and smiled. "Little Uncle, can you increase my living expenses for this month?"

Xie Jiuhan glanced at him and didn't say anything else. He took out his phone and quickly operated it. Then, the 50 million yuan notification lit up on Xie Shihao's phone screen. Xie Shihao was so happy that he almost flew into the sky. This was definitely the first time in his life that Xie Jiuhan had personally given him pocket money.

Xie Shihao said gratefully, "Little Uncle, you're the best. You're the most handsome. You're my idol. My admiration for you is like..."

Xie Jiuhan interrupted and spat out, "Get lost!"

Xie Shihao shrank his neck. He felt that his flattery was fine, but why didn't Xie Jiuhan like it? Just as he was about to leave, Feng Qing walked out of the room.

"Eh, Xiao Hao, why are you here? It's dinner time. Do you want to eat together?" Feng Qing asked with a smile.

"Hehe, Little Aunt, go and eat with Little Uncle. I won't be a third wheel," Xie Shihao replied with a smile.

"Xiao Hao, you haven't been here for a long time, right? Why don't you have a meal with me? It's fine. I invited you. Your uncle won't dare to say anything to you." Feng Qing said.

Upon hearing this, Xie Shihao looked at Xie Jiuhan obediently. If this man didn't say anything, he wouldn't dare to stay for dinner even if he was beaten to death. Otherwise, he would have to spit out whatever he ate.

Seeing that the man didn't say anything, Xie Shihao understood and hurriedly said, "Little Aunt, forget it. I won't disturb your alone time. Besides, candlelight dinner is for two people. How can there be three people?"

Feng Qing raised her eyebrows. "What candlelight dinner? You think too highly of your uncle. He's a person who doesn't know romance."

Xie Shihao was stunned. He looked at Xie Jiuhan again. "Little Uncle, no way. Did you really not prepare a candlelight dinner? Didn't you want to give Little Aunt a surprise?"

Xie Jiuhan's expression darkened. He had indeed not thought of the candlelight dinner. He didn't expect that he would need to match the candlelight dinner with the gift. He couldn't help but glance at Xie Shihao. Why didn't he say this earlier? It looked like he had earned the 50 million too easily.

After thinking for a while, the man looked at Feng Qing and said, "Follow me. I have something for you."

Just as he turned around, he gave Xie Qi a look. Xie Qi immediately understood and hurriedly ran in another direction.
