

## The Wife I Picked Up Is Too Chapter Chapter 745

### Chapter 745: Self Defense

Everyone knew that anyone who could publish an article in “Global Finance” was qualified to be a guest professor at Capital University. They would never think that their academic articles could be published in a magazine of that level one day, but Professor Sun said that one of Feng Qing’s homework was qualified to publish in it. This was simply unbelievable to everyone.

Lu Yingying said enviously, “Professor Sun, it’s not that I am targeting Student Feng Qing, but I don’t believe that Student Feng Qing personally wrote this homework. Professor Sun, you gave us nearly a month to complete our homework. In such a long time, we can totally spend money to hire someone from the industry to complete it for us.”

Sun Hao asked, “Find someone from the industry to write for you? Do you have any evidence?”

Lu Yingying said, “No, there’s no evidence, but I saw Feng Qing and Senior Liu Yan chatting alone for a long time. The two of them even left each other their contact details. I don’t dare to say that it was Senior Liu Yan who wrote it, but he must have been involved.”

Upon hearing this, everyone, including Sun Bin, focused their attention on Liu Yan. Even some of the more gossipy people started to imagine the scene of Feng Qing and Liu Yan together. It was like a stone stirring up a thousand ripples. Lu Yingying’s casual argument instantly caused an uproar in the classroom.

“Hmph, I knew it. Feng Qing has only attended one class. How can she do better than all of us?”

“Even if she’s a genius, it’s impossible for her to be so powerful. I reckon Senior Liu Yan helped her a lot in private before she completed this article.”

“Oh, I remember now. Lu Yingying wasn’t lying. I also saw Feng Qing and Senior Liu Yan that day. I think Senior Liu Yan even asked Feng Qing for her autograph.”

Hearing his classmates’ words, Liu Yan said, “Everyone thinks that I helped Feng Qing complete her homework?”

Lu Yingying interrupted, “Senior Liu Yan, don’t worry. As a senior, helping a junior is also a good example. All of us can understand.”

Liu Yan stood up and looked around at the crowd. Finally, he looked at Sun Bin and said, “Professor Sun, you’ve taught me for three years, and I’ve also studied with you for three years. May I ask if I have the ability to write Feng Qing’s essay?”

Sun Bin said bluntly, “Although you’re very diligent and smart, I have to admit that with your knowledge and ability, you can’t write such exquisite articles.”

With that, he looked at Lu Yingying. “Student Lu, as a current university student and a student from Capital University, do you think it’s right to accuse your classmate of cheating without any evidence?”

Lu Yingying : “ ...”

...

Other than Liu Yan and Feng Qing, the students led by Lu Yingying were all scolded by Sun Bin. He criticized and educated them for half an hour before starting the lecture.

The bell rang. Feng Qing packed her things and walked out of the classroom. Just as she walked out, she heard Lu Yingying’s voice coming from behind. Feng Qing stopped and turned to look at Lu Yingying, not knowing what she wanted to do.

“Feng Qing, don’t be too smug. I still remember the murder in the bathroom that day,” Lu Yingying threatened.

“Murder? Student Lu, you can eat whatever you want, but you can’t talk nonsense. How do you know that I was the one who committed murder that day?” Feng Qing’s voice was very calm.

“You still say that you didn’t commit murder. That day, when I just entered the bathroom, I saw you stabbing that man’s lower body with a wooden stick,” Lu Yingying argued.

“Ha, Student Lu, should I say that you’re naive or stupid? Is what you saw definitely true? You knew what happened that day happened in the female bathroom. That man drank too much and came in to molest me. I only stabbed him to protect myself, so that was called self-defense.” Feng Qing said.

Lu Yingying and Feng Qing looked at each other. She could see disdain and disgust in Feng Qing’s large eyes. Listening to Feng Qing’s words, she also recalled what happened that day. She was originally fine, but she suddenly fainted for some reason. However, Feng Qing looked very terrifying at that time, like a murderer who had been hungry for a few days. The gaze she used to look at her was filled with a suffocating killing intent. She also heard later that the man Feng Qing stabbed that day was Cao Beining from the Cao family in the Capital. However, compared to their Lu family, the Cao family was nothing. Therefore, Cao Beining’s life and death were not in her eyes. After all, she was the daughter of the wealthy Lu family in the Capital.
