

The Wife I Picked Up Is Too Chapter Chapter 764

Chapter 764: Just Meeting a Friend

The veins on Xie Jiuhan's forehead twitched violently, and his cold face was filled with speechlessness. He didn't expect that there were so many 'little enemies' in Feng Qing's Moments. It was extremely noisy in her Moments.

Feng Qing, who was eating, received a call. From the sound of it, it seemed to be from the real estate company. She had bought a villa with renovations in the Capital. She said that it was a small paradise that was specially used to raise pets, so all the renovations in the villa had to be mainly for cats and dogs. Such renovations had always been unique, and the renovation company rarely received them, so there were many details that they had to ask her.

After Feng Qing hung up the phone, she sped up her pace of eating and said, "Little Jiu Jiu, I'm going out for a while. I'll be back before work in the afternoon. You eat first."

Xie Jiuhan asked, "Where are you planning to go?"

Feng Qing said, "I'm just meeting a friend."

With that, she walked out with her phone. Watching her enter the elevator, Xie Jiuhan's expression gradually darkened. Which friend was more important than him, her husband? Moreover, shouldn't this woman give an explanation about the God Slayer?

...

After Feng Qing left, Xie Jiuhuan was no longer in the mood to eat. He picked up his phone and informed Su Yu, "Send someone to investigate who Young Madam met."

With that, the man hung up the phone without waiting for Su Yu to ask anything. Then, he called the Sword God. "Hehe, Lord Phoenix, not bad. I saw the trending topic of you leading everyone to counterattack the Troublemaker Hacker Army. I can only say that it's awesome!"

Xie Jiuhuan said coldly, "Have you heard of the God Slayer?"

The Sword God paused and said, "God Slayer? I know a little. Why?"

Xie Jiuhuan ordered, "Tell me everything you know. Don't leave out any details."

On the other end of the phone, the Sword God was dumbfounded. He didn't know what was wrong with Xie Jiuhuan and why he was suddenly so concerned about the God Slayer, but he still said, "God Slayer is a very difficult person to deal with. I've only heard of his famous name, but I've never seen him before. I heard that the God Slayer is born with silver eyes, and his temper is unpredictable. He's very arrogant and warlike. All the things he can't stand are destroyed by him, so he's called the God Slayer!"

Xie Jiuhan's expression was indifferent, and his voice fell below the freezing point. "Do God Slayer and Mr. Qingyi know each other?"

Upon hearing this question, the Sword God said mysteriously, "Lord Phoenix, didn't I tell you before that Mr. Qingyi is actually bisexual? Moreover, there was news of Mr. Qingyi and the God Slayer's ambiguous relationship in the organization a long time ago. Because at that time, the God Slayer only carried out missions with Mr. Qingyi. There was once when I applied to carry out missions with them, but the God Slayer despised me for being an eyesore. Tsk tsk..."

The Sword God snorted in disdain and said, "The God Slayer said that he and Mr. Qingyi cooperated flawlessly during the mission and didn't need the help of a third person. At that time, I felt that their relationship was a little unusual, like a couple."

Bang! A hole was punched in the dining table by Xie Jiuhan. The Sword God in the video call was instantly shocked. He didn't know what was wrong with Xie Jiuhan. Did he say something wrong just now? However, he didn't think there was a problem.

Xie Jiuhan said coldly, "Old Sword God, if you don't know how to speak, don't speak in the future. I really want to break your lousy sword now."

Upon hearing this, the Sword God felt a layer of goosebumps all over his body. He hurriedly crossed his arms to protect his ancient sword and looked at the man with a pitiful, weak, and helpless expression. "Lord Phoenix, you're so concerned about Mr. Qingyi. Could it be that you really..."

Xie Jiuhan's face was as black as charcoal. Before he hung up the phone, he said, "Sword God, you're a big idiot!"

The Sword God : "..."

At this moment, Su Yu walked in from outside. He reported respectfully, "Ninth Master, reliable news says that the boss of Blue Stocks Capital bought a villa in Yulan Bay."

As the number one assistant in the corporation, he naturally paid attention to whatever Xie Jiuhan paid attention to. Therefore, he had been arranging for people to investigate the boss of the Blue Stocks Capital. Now that there was news, he hurriedly came over to report. However, when he found out that Feng Qing was the boss of Blue Stocks Capital, he was still very shocked.

Looking at the information handed over by Su Yu, Xie Jiuhan couldn't help but frown and think. Why did Feng Qing buy a villa in Yulan Bay? Did she want to use it as the base of the Blue Stocks Capital in the Capital? Or did she want something else?
