

## The Wife I Picked Up Is Too Chapter Chapter 808

### Chapter 808: I'll Give You Ten Days

The man walked out of the ward after saying that. When the door closed, a layer of frost appeared on the man's abnormally handsome face. It was completely different from the gentle look he had when he looked at Feng Qing just now.

After walking out of the hospital, Xie Jiuhan took out his phone and called Ji Yunchen. "Qingqing's blood sample should have reached you, right?"

On the other end of the phone, Ji Yunchen's voice sounded. "I got it, I got it. I'm testing her blood sample in the laboratory. I believe the results will be out soon."

Xie Jiuhan lit a cigarette and took a deep breath. The fiery red light of the cigarette butt in the darkness suddenly became brighter. The fiery red light illuminated the man's abnormally handsome face. However, no matter how hot the fire was, it could not warm his abnormally handsome face.

"I'll give you ten days. I want to see the preliminary test report." Xie Jiuhan blew out a smoke ring and ordered.

"Ninth Master, in ten days..." Ji Yunchen's troubled voice sounded.

“Remember, I don’t care about the price or cost. As long as it’s useful to the research, it’s fine. I’ve already asked Su Yu to transfer a sum of experimental funds to you just now. If it’s not enough, you can continue to look for Su Yu. I’ll still say the same thing. It doesn’t matter how much it is. I won’t hesitate to burn ten billion every day as long as you can research this virus thoroughly. If you can’t, then you can look for a top expert in this aspect. Ten days is only for you to produce a preliminary research result. In half a year at most, I want you to find an antidote for this virus for me.” Xie Jiuhan ordered.

Upon hearing the man’s words, Ji Yunchen swallowed hard on the other end of the phone. He felt that Xie Jiuhan’s orders were like a huge mountain pressing down on him, making him instantly feel an incomparably huge pressure. He even felt a little suffocated.

Ji Yunchen swallowed and said, “Ninth Master, compared to the virus in Young Madam’s body, we’ve been studying the virus in your body for nearly nine years. The antidote we’ve developed has already entered the third stage of clinical trials. Now, you’re transferring all the researchers to study Young Madam’s virus. Then you...”

After a short silence, Xie Jiuhan’s voice sounded on the phone. “Even if you’ve developed the antidote for the virus in my body now, I can’t use it immediately because without the virus in my body, there’s no way to suppress the virus in Qingqing’s body. If that’s the case, in less than three months, Qingqing will...”

Even if he took a small amount of the antidote, he did not dare to make this bet because he was not sure if he could still suppress the virus in Feng Qing’s body. Therefore, he did not dare to take the risk, nor could he take this risk.

Ji Yunchen couldn't help but remind him, "Ninth Master, I understand what you mean, but your condition is getting worse. If you don't hurry up and treat it, who knows if you can regain your rationality the next time you have a relapse?"

Xie Jiuhan replied, "That's why I gave you half a year. If you want to solve this situation, you have to save Qingqing first before saving me. Do you understand?"

...

Twenty-four-hour supermarket.

Xie Jiuhan was wearing a large pair of sunglasses. He stood in front of the shelf and kept scanning. Many customers around him were looking at him curiously. There were even many young girls who were infatuated.

"Look, that young man has a good figure. He's tall and strong. I like him."

"Do you think this handsome man is some kind of superstar? Otherwise, why would he be wearing sunglasses at night?"

“Let’s go up and ask for his contact information and add him as a friend. He wouldn’t reject us, right?”

A girl with a bun on her head admired Xie Jiuhan’s beauty with a love-struck expression. Although she and her best friend didn’t see Xie Jiuhan’s face, they could tell that he had an incomparably handsome face.

The cashier standing behind them said, “Stop looking. This handsome man should be taken. Otherwise, he wouldn’t be picking out sanitary pads.”

At this moment, Xie Jiuhan suddenly turned around. The customers who were discussing him looked the other way and pretended to look for something on the shelf. However, the corners of their eyes still betrayed them. The customers saw Xie Jiuhan walk to the cashier and say to her, “I want all the sanitary pads in your shop. Pack them up for me!”

The moment that was said, the cashier was stunned. The surrounding female customers were also extremely excited. All of them looked at Xie Jiuhan with pink peach blossoms in their eyes.

“Tsk tsk tsk, he’s too manly. I also want a boyfriend like him.”

“He’s too considerate and generous. He bought all the sanitary pads.”
