

The Wife I Picked Up Is Too Chapter Chapter 828

Chapter 828: I Will Definitely Be Very Gentle

Han Jinlu put down his phone and drove his wheelchair out. After passing by a corridor, he pushed open Han Jintian's studio door and saw Han Jintian on a video call with Xing Yue. Xing Yue saw Han Jinlu in the camera and asked Han Jintian, "Eh? Didn't you just say that Jinlu is outside?"

Han Jintian's face darkened. Just as he was about to say something, Han Jinlu spoke first. "I just received news from Qingqing that after being verified by an authoritative organization, she and the Feng family have confirmed to be non-biological relationship."

Upon hearing this, Han Jinlu and Xing Yue were stunned. Han Jintian quickly snorted. Feng Qing was not related to the Feng family by blood, so what did it have to do with him? When he interacted with Feng Qing, he admired her heavenly voice and not her insignificant blood relationship. On the other hand, Xing Yue revealed a disappointed expression in the video. Feng Qing was not a child of the Feng family, so why did he feel especially close to Feng Qing? Could it be his illusion?

Xing Yue asked curiously, "Feng Qing isn't a child of the Feng family, and Feng Jianing isn't a child of the Feng family either. Then who is the child of the Feng couple? And who is Feng Yuanzhou's real cousin?"

Han Jinlu smiled bitterly. "I'm not sure about that either."

Similar to Han Jintian, he didn't care about Feng Qing's background. As for the cousin of Feng Yuanzhou that Xing Yue had mentioned just now, he wasn't interested in knowing her. After all, he and Han Jintian weren't good people. As their eldest brother, Xing Yue took care of the Feng family because

of that insignificant blood relationship. However, Han Jintian and Han Jinlu didn't have such thoughts. The environment they grew up in was destined that they wouldn't have much feelings for others.

In the video, Xing Yue clicked his tongue and said, "I think there must be many strange things in here."

...

After Xie Jiuhan returned to the ward, Feng Qing said to him, "Little Jiu Jiu, I think there are definitely many things worth exploring about this matter. A few years ago, the Feng couple took my hair for a paternity test. The results of the test showed that I'm their biological daughter. In the past, they had never suspected that Feng Jianing wasn't their biological daughter. However, ever since they found out that the hospital nurse had deliberately abducted children, the Feng couple also took Feng Jianing's hair for a paternity test. The results of the test showed that Feng Jianing wasn't their biological daughter, but the results of the test I received now show that I'm not the biological child of the Feng family..."

Xie Jiuhan said, "You mean, someone tampered with your personal results?"

Feng Qing glanced at the paternity test report in her hand again. This time, the paternity test report she took was really tested by the top medical research institute under the Xie Corporation. The people who handled it were all from the Xie Corporation. The report she obtained now should be 100% true, but why was the conclusion of the paternity test four years ago different from now?

Feng Qing raised her head and said with a faint smile in her large eyes, "Little Jiu Jiu, I know you're very powerful..."

Upon hearing this, Xie Jiuhan raised his chin slightly. Looking at the sly glint in Feng Qing's clean and clear eyes, he understood what this woman was up to.

Xie Jiuhan pretended to be unfathomable. "You should know very well that Tian Sha has retired from the hacker world for many years."

Feng Qing's pink lips curled up slightly. "Tell me, what price do I need to pay for God Tian Sha to make a move?"

Xie Jiuhan's noble thin lips curled up slightly, and a smile flashed across his eyes. Feng Qing puffed up her cheeks and said, "I believe that Tian Sha, who was known as the hacker ten years ago, must be a person who has long escaped low-level taste."

Xie Jiuhan snorted. "Then you're really wrong. According to my understanding, God Tian Sha is really a shallow and vulgar person."

Feng Qing: "???"

After thinking for a while, Feng Qing hooked her finger at the man. The man walked towards her as if he had lost his soul. Feng Qing's snow-white hand grabbed the man's clothes and said in a soft voice, "God Tian Sha is the best. Help me check~"

The ward echoed with the woman's charming and gentle voice. Her words aroused the desire hidden in the man's abdomen. He said in a low and hoarse voice, "He can help you, but when you recover, God Tian Sha will get everything back with interest. Do you understand?"

Feng Qing's legs trembled violently. Seeing her like this, the man curled his lips and raised the woman's chin with his fingers. He said with a devilish smile, "Don't worry, I'll definitely be very gentle."
