

The Wife I Picked Up Is Too Chapter Chapter 864

Chapter 864: Enjoying a Princess Hug for the First Time

Gu Qingye saw Xie Shihao sitting in the bathtub and bathing leisurely. His face was still flushed red from the hot water. The veins on Gu Qingye's forehead twitched. "Can you not always video call me when you're doing this? You're not disgusted by it, but I am!"

Xie Shihao smiled lecherously and said, "Ah Ye, how can you say that about me? I always video call you at my best. You should feel honored. Moreover, only I can think of you at such a time, right?"

Gu Qingye had a cold temper and rarely spoke to outsiders, so he did not have any friends around him. The only person who could be called a friend was him. Hearing this, Gu Qingye's face darkened and the veins on his forehead were about to break.

Gu Qingye said, "According to you, if you video call me the next time you shit, should I thank you?"

Xie Shihao smiled and said, "Yes, that's a good idea. Since you have a special hobby, I'll definitely satisfy you when I poop next time. I'll give you a unique live broadcast."

Upon hearing this, Gu Qingye wished he could pull Xie Shihao out of the video and beat him up to teach him a lesson. In the end, he realized that Xie Shihao's face was injured. Hence, he asked, "Huh? Your face was beaten up?"

Xie Shihao slid down so that the water reached his shoulders, only revealing his head to look at his phone. Then, he moaned comfortably. That annoying expression made Gu Qingye's hands itch again.

Xie Shihao said pitifully, "You can tell. It looks like they're quite ruthless."

Gu Qingye frowned. "Were you beaten up by Ninth Master? If he's the one who did it, I'll give him a like!"

Xie Shihao : "..."

Xie Shihao said unhappily, "Like your head! I was beaten up by those bastards from the collateral branch of Xie Corporation. Just you wait, I'll teach them a lesson during the assessment tomorrow."

Gu Qingye frowned. "You went to the Sacred Island again?"

Xie Shihao nodded. Gu Qingye said, "You're so energetic. Didn't you always lie flat and only want to be the last?"

Xie Shihao : “???”

Ever since he started to give up on his competitive heart, he had basically stopped his training. Coupled with the fact that he didn't like to fight and kill, Xie Shihao's current combat level was basically at the age of twelve or thirteen. It was impossible for him to fight against his enemies on the Sacred Island, but he was still much stronger than the rich second-generation heirs who grew up in honey pots.

At the thought of this, Xie Shihao straightened his back in the bathtub and looked like he had nothing to live for. He slowly sank into the bathtub until the top of his head was drowned by the foam in the bathtub. The surface of the bathtub kept bubbling as if something was leaking. Dozens of seconds later, Xie Shihao rushed out of the water with a whoosh and brought about hot air.

Wiping his face with his hand, Xie Shihao said, “Ah Ye, I think I can still be saved. I'll go look for Little Uncle now and get him to guide me. It's better late than never. Perhaps I'll already be an expert who can sweep through the Sacred Island tomorrow morning!”

At this point, Xie Shihao looked excited. He supported himself with both hands on the edge of the bathtub and flew out of the bathtub. Before Gu Qingye could react in the video, he saw a white body...

Just as Xie Shihao put on his slippers, he heard Gu Qingye's scream from the phone. Xie Shihao was stunned for a moment before he realized what was going on. However, just as he was about to reach for his phone, it fell into the bathtub and Gu Qingye's voice disappeared.

At the same time, the bathroom door was kicked open from the outside. Even the door lock was completely useless. Xie Shihao was shocked. Before he could pick up his phone, he instinctively turned around and looked at the bathroom door. In the end, he saw Little Wu rushing in.

Xie Shihao : "..."

Little Wu asked, "Little Young Master, what's wrong?"

Little Wu's voice was very calm. Although she was concerned, one couldn't hear any concern in her tone. Moreover, when she spoke, her eyes were fixed on Xie Shihao. Xie Shihao was naked at this moment. When he saw Little Wu, he took two steps back in fear. In the end, he slipped and instantly fell to the ground. He fell very hard and his ankle was swollen.
